

Public Health Guidance for Organized Sports Activities at Pima County Facilities

March 6, 2021

In addition to a specific required Use Permit or Agreement for use of a Pima County Facility, the following public health guidance is to be implemented:

1. Outdoor sports and venue settings
 - a. Spectators are limited to the greater of 50 individuals per outdoor field area or the recommended gathering size limit in the most current Pima County Public Health Advisory found [here](#)
 - b. Face coverings are required pursuant to [Pima County Resolution 2020-96](#) for spectators, coaches and sports officials. Due to increased risk of disease transmission at events, masks should be worn at all times, even if physical distancing can be maintained.
 - c. With the exception of active sports play, players are also required to wear masks.
 - d. Bleachers/fixed seating areas should not be used. Seating areas where spectators bring their own chairs and keep six (6) feet between separate parties can be used. Spectator areas need to be marked and additional signage posted to facilitate six (6) feet separation between parties.
 - e. COVID-19 safety signage must be posted throughout the field area. Printable signs are available at [here](#)

2. Indoor sports and venue settings
 - a. Spectators are not permitted at this time.
 - b. Face coverings are required pursuant to [Pima County Resolution 2020-96](#) for spectators, coaches and sports officials. Due to increased risk of disease transmission at events, masks should be worn at all times, even if physical distancing can be maintained.
 - c. With the exception of active sports play, players are also required to wear masks.
 - d. COVID-19 safety signage must be posted throughout the facility. Printable signs are available at [here](#)

3. Monitoring and Enforcement
 - a. Designated and trained event coordination staff/volunteers are to monitor and enforce mitigation measures contained within this guidance at all times throughout the event.
 - b. Event organizers must complete the attached Attestation Form and submit to the Pima County Health Department at Eventreview@pima.gov along with the applicable Pima County use permit or agreement.

4. Special Event Application
 - a. Activities not covered by the above outlined parameters may be required to submit a [Safe Event Application](#) to the Pima County Health Department for review and approval.

Attestation Form for Organized Sports Activities at Pima County Facilities

Effective March 6, 2021

Spectator attendance numbers for events on Pima County properties are guided by current public health metrics. Along with the most current public health guidance and regulatory requirements, local disease indicators are monitored and used as a basis to inform this decision. The current Pima County Public Health Advisory will dictate how many spectators are permitted through use of this Attestation Form. For the latest Public Health Advisory for Pima County, visit [COVID-19 Health Advisories](#).

For event requests larger than the current Pima County Public Health Advisory limits on gatherings, a [Special Event Application](#) must be completed and submitted to the Pima County Health Department for review. For event requests that are at or below current limits on gatherings, complete and submit this form along with the sponsoring Pima County Property use permit or agreement.

Mitigation Checklist - Required		
	YES	
I have reviewed and understand CDC Guidance for Events and Gatherings.		
I have reviewed and understand the Pima County Public Health Guidance for Organized Sports Events at County Facilities
