

This is a rapidly evolving situation. Recommendations will be updated and shared as new information becomes available.

Per the [Governor's Executive Order on March 30, 2020](#), consumption of food and drink must be done off premises.

1. Physical distancing (6 feet) should be maintained when putting a pickup/dine out system in place. The use of tape, floor signs, or other methods to customers six feet apart are useful tools.
2. Prevent customers from coming inside your establishment whenever possible.
3. Establish phone or online order capability, if you do not already have it.
4. Have orders ready to avoid gathering of five or more during pick up.
5. Place an employee at your front door communicate with and deliver food to customers.
6. Staff should continue to wash hands frequently even if only handling packages to customers.
