

**COMPANY NAME:** Skyline Assayers & Laboratories

**JOB TITLE:** Laboratory Technician

**JOB DESCRIPTION:**

The Laboratory Technician at Skyline Assayers & Laboratories performs a variety of tasks necessary to test mining samples. The Laboratory Department is a fast-paced environment with focus on detail and process. Attention to detail is critical in record keeping and sample preparation to avoid costly, time-consuming errors. Duties include washing lab glassware, weighing and logging samples, adding liquids to dry mineral samples in flasks, vials and test tubes and testing samples to determine content.

The entire work day takes place while standing and performing repetitive tasks. Some heavy lifting is required.

Work takes place in Skyline's beautiful new facility on Tucson's Southeast side, and Skyline cultivates a positive, team-oriented environment. Skyline Labs has been in business in Tucson for over 100 years. After 90 days, new employees receive a performance review with a potential \$1.00 per hour pay increase. After a probationary period of 60 days, Skyline offers full-time employees Health insurance for \$30.00 per pay period. After the same probationary period, Dental, Vision, Life, and Short- and Long-Term Disability Insurance are 100% employer paid for full-time employees.

Full-time Skyline employees receive 9 paid holidays per year.

Paid Time Off (PTO) begins accruing on the first day of employment.

Skyline offers a 401(k), with an employer match after 90 days of employment.

Employees that work on the 2<sup>nd</sup> or 3<sup>rd</sup> shift receive a differential of \$0.65 per hour.

**SALARY:** \$18.00 per hour
