

COMPANY NAME: Pima County Juvenile Court

JOB TITLE: Juvenile Probation Officer

JOB DESCRIPTION:

Probation officers provide casework services to probationers at the direction of the Superior Court under the provisions of evidence-based practices and consistent with the Arizona Code of Judicial Administration.

The duties of a probation officer include supervising the caseloads of assigned probationers, meeting with probationers in their homes or at their places of school/work, conducting interviews and social or pre-disposition investigations, evaluating probationers' progress, performing searches, and making arrests. Because probationers under Court supervision may include convicted felons, felony adjudicated delinquents, and/or persons with domestic violence convictions/adjudications, these job duties expose the probation officers to a risk of being assaulted by probationers, family members and others in proximity to the probationers.
