COMPANY NAME: AAA Landscaping

JOB TITLE: Irrigation Technician

JOB DESCRIPTION:
• Assemble, install, and maintain commercial landscape irrigation pipes and systems. Duties include but are not limited to handling the materials for irrigation, troubleshooting irrigation systems and programming controllers. When not working with irrigation, Irrigation Technicians assist the crew in all aspects of landscape labor, including planting, pruning, and maintenance. They must know how to efficiently work with his/her hands and with tools such as shovels, rakes, and general landscape hand tools, plus assist in keeping sites clear and clean, weeding, edging, mowing, blowing and trimming, and perform a variety of other functions when requested. Irrigation Technicians work principally outdoors and may work above ground, sub-surface or under/in water. A certain amount of strength, dexterity, and alertness is necessary due to proximity to equipment, tools, and other trades. Because irrigation technicians work in so many varied conditions, they must be knowledgeable of the hazards and safety requirements of each and every project.
• Always demonstrate behavior in accordance with the AAA LANDSCAPE mission statement.
• Always demonstrate a positive attitude toward tasks, functions, projects, owner’s agents, clients, and other AAA Team members.
• Always demonstrate compliance with all aspects of the company uniform policy; be clean, presentable, well-groomed and neat.

SALARY: $18-$25 DOE
