NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS**

February 21, 2022 – Pima County Department of Community & Workforce Development

These notices shall satisfy two separate but related procedural requirements for activities to be undertaken by the Pima County Department of Community & Workforce Development.

REQUEST FOR RELEASE OF FUNDS

On or about March 10, 2022 the Pima County Department of Community & Workforce Development (CWD) will submit a request to the U.S. Department of Housing and Urban Development (HUD) for the release of Community Development Block Grant (CDBG) funds under Section 104(f) of Title I of the Housing and Community Development Act of 1974, as amended, to undertake a project known as Arivaca Human Resources Storage Improvement. The requested release is in the amount of \$72,000.00 in CDBG funds to place a new prefabricated storage building on Pima County parcel 302291570 at 17252 W 5th St, Arivaca AZ 85601.

This project is the acquisition and siting of a new 30' by 40' prefabricated metal storage building on a new concrete pad. This building will be used to store shelf-stable dry goods and food and grocery items along with meal service containers and related products. Project activities are limited to the NE corner of the agency parcel, an area of approximately 2000 square feet (new concrete pad is 40 ft by 50 ft, the building itself is 40 ft by 30 ft). Activities include removing two old wooden buildings (no foundations), pouring of a new concrete slab, and placement of a prefabricated metal building. Building will be connected to existing utilities.

FINDING OF NO SIGNIFICANT IMPACT

The Pima County Department Community & Workforce Development has determined that the project will have no significant impact on the human environment. Therefore, an Environmental Impact Statement under the National Environmental Policy Act of 1969 (NEPA) is not required.
