**DESCRIPTION**

**Position Description**

This position is in the Community Resources Department.

**Salary Grade**: U4

This classification manages the activities of one or more major functions of a centralized, internal services department within Pima County, or for a large county department or cluster of departments. Incumbents within this classification provide direct supervision of professional and support staff and report to the respective Department Director. This classification is in the unclassified service and is exempt from the Pima County Merit System Rules.

Please note: For new hires (and promoted employees) hired the applicant must have a full set of COVID-19 vaccines, by the effective date of hire. If you are unable to become fully vaccinated due to a medical disability or religious observance/practice, you must request an accommodation – accommodation forms are located on-line.

---

**DESIRED QUALIFICATIONS:**

1. A Bachelor's Degree from an accredited college or university with a major in public or business administration or a related field and five years of related professional experience, which included at least two years of direct supervisory experience. (Relevant experience and/or education from an accredited college or university may be substituted.)

OR:

2. Three years of experience with Pima County in a supervisory position within the particular area of assignment.

Qualifying education and experience must be clearly documented in the "Education" and "Work Experience" sections of the application. Do not substitute a resume for your application or write “see resume" on your application.

**Preferred Qualifications:** (Be specific in describing your experience in your application. Ensure the descriptions provided illustrate your competencies, specifically addressing the required and preferred qualifications.):

- Master's degree in a relevant subject.
- Experience working with a volunteer board(s).
- Experience in leading community centric, multi-industry coalitions.
