Get to know LEARN, a WIOA Title II Partner

Our mission is to empower adult learners with education, skills and resources for positive change.

Any person 18+ years who can prove their identity with a government photo ID and attest to lawful resident status may enroll.

Juveniles (16 & 17 years old) who are sentenced to adult probation may attend the LEARN program.
FY 2021 In Review
We did a lot!

• offered online classes nine two-hour sessions per week despite being physically closed to students for nine months
• supported a total of 30 students through the worst year ever
• graduated two students with their GED
• received a grant to pay for GED test fees
• submitted a proposal to the ReThink Adult Ed Challenge
• received supplemental funding from ADE for our ad campaign
• received funding for a new Integrated Education & Training (IET) program

What is the purpose of a pre-apprenticeship?

<table>
<thead>
<tr>
<th>Purpose</th>
</tr>
</thead>
<tbody>
<tr>
<td>Prepares students with basic language and math skills</td>
</tr>
<tr>
<td>Introduces technical skills and a range of occupations to students</td>
</tr>
<tr>
<td>Involves both classroom and hands-on training</td>
</tr>
<tr>
<td>Reinforces work readiness and soft skills</td>
</tr>
<tr>
<td>Provides contacts to enter an apprenticeship program</td>
</tr>
</tbody>
</table>
What will the program include and require?

- Successful completion of the Pre-enrollment Success Academy
- Six hours per week of attendance at live classes
  - Includes Employability Skills, Work Ethic and OSHA 10 course completion
- Four hours per week of homework online
- Subject matter experts presenting key technical information
- 10 weeks of program duration
- Follow-through on employment and apprenticeship applications
- Additional support for a year after they complete our program
Why should a jobseeker attend our program?

- Small program with lots of personal support for students
- Highly flexible learning plans developed 1:1 with instructor
- Resource referrals to local agencies to overcome barriers
- Maintain regular communication via phone, text, email and personal meetings
- 1:1 coaching for personal planning
- Develop literacy, numeracy, and employability skills for those who are not ready for the rigors of a registered apprenticeship
Who are our partners?

- Arizona Masonry Council
- Southwest Regional Council of Carpenters
What do we ask of a partner employer?

- Employ one or more of our students
- Train them as anyone else
- Evaluate their readiness for an apprenticeship
- Provide feedback on any difficulties they present
- Sponsor them into the apprenticeship, if they meet the criteria
