

Changing the Perception of Ability

Windmills is an inclusion program about employing people with disabilities.

The Pima County Workforce Investment Board proudly presents Windmills, a training program that focuses on changing the perception about peoples' abilities.

Many organizations would like to employ people with disabilities but find that fears, biases and myths create barriers in the hiring process.

The Windmills program focuses on attitudes and human factors while addressing concerns, including legal requirements and accommodations.

Registration is required to attend the event, which will be presented virtually in two parts.

Trainer: Mary Boegemann, Region II program manager with the Arizona Rehabilitation Services Administration and a Workforce Investment Board member

Your registration covers both sessions.

Part 1: Tuesday, April 19, 10 a.m. to noon.

Part 2: Thursday, April 28, 10 a.m. to noon.
