

MEMORANDUM

Date: June 17, 2022

To: The Honorable Chair and Members
Pima County Board of Supervisors

From: Jan Leshner 
County Administrator

Re: **Supervisor Christy's Request for Information Regarding the June 7, 2022 Consent Calendar Agenda Items 9 and 21**

Background

The federal Home Investment Partnerships Program (HOME) provides formula funding to states and localities to fund a wide range of activities including building, buying, and rehabilitating affordable housing for rent or homeownership, and providing direct rental assistance to low-income people. HOME funds are awarded to participating jurisdictions annually as formula grants. The program's flexibility allows states and local governments to use HOME funds for grants, direct loans, loan guarantees or other forms of credit enhancements, rental assistance or security deposits.

Pima County and the City of Tucson are partners in a U.S. Department of Housing and Urban Development (HUD) Consortium for the receipt of HOME funds that support affordable housing efforts in both jurisdictions through new construction or rehabilitation of affordable units, down-payment assistance, and tenant-based rental assistance. The Tucson and Pima County HOME Consortium (Consortium) was established and authorized by the Board in 1992 in order to qualify for a larger allocation than each entity could qualify for individually. The City of Tucson serves as the Lead Entity and Pima County as the sole Sub-recipient. The Board of Supervisors and the City Council have renewed these agreements every three-years since 1992.

To qualify as a HOME Consortium, HUD requires a three-year Inter-governmental Agreement (IGA) and a sub-recipient agreement. Both must be renewed prior to June 30 to meet the regulatory deadline to receive HOME funds for federal fiscal years 2022-2023, 2024 and 2025. Failure to meet the June 30 deadline would have resulted in HUD cancelling the Consortium and related funding.

Approval of the IGA's will bring an estimated \$12 million in HOME Program funds to the Consortium over the next 3 fiscal years to support affordable housing initiatives across the community. The current allocation distribution, detailed in the sub-recipient IGA, provides for a 30 percent/70 percent between the Pima County and the City of Tucson.

Program Performance

All HUD HOME Consortia must submit five-year Consolidated Plans, Annual Action Plans and Consolidated Annual Performance Reports to HUD in order to continue to qualify for funding. The City of Tucson and Pima County are jointly responsible for developing the Consolidated Plan with each jurisdiction completing their respective Annual Action Plan and Annual Performance Reports. However, the City as Lead Entity submits all Consortium HOME Program information and data to HUD on behalf of the consortium.

The attached report summarizes the amount of Home Funds distributed to the Consortium, the number of affordable housing units produced or preserved, and the number of households assisted with rental assistance for the time-period from 1992 to 2021. (Attachment) Since inception, the consortium has expended or authorized \$89,223,370 in HOME Program funds. This resulted in the production or preservation of 3,985 affordable housing units, and tenant rental assistance to 1,355 households.

Among the most significant recent contributions of the Consortium is supporting the conversion and renovation of the former Holiday Inn Hotel on South Palo Verde Road. This project completed by La Frontera Partners last month, brings an additional 100 units of permanent supportive housing to this community for people experiencing homelessness.
