To: The Honorable Chair and Members  
Pima County Board of Supervisors

From: Jan Leshner

Re: **Update on Amendment to Master Development Partnership Agreement with Knott Development**

On May 11, 2022, I sent a [memorandum](#) transmitting an update from Knott Development on progress on Mosaic Quarter. In this communication, I indicated County staff was working with Knott Development on an amendment to the Master Development Partnership Agreement to extend the predevelopment phase up to 6 months and adjust the project phasing. It was anticipated the amendment would be presented to the Board of Supervisors in June 2022. County staff and Knott Development are continuing work on the amendment, which is now expected to be scheduled on the August 2, 2022 Agenda.
