

MEMORANDUM

Date: June 23, 2022

To: The Honorable Chair and Members
Pima County Board of Supervisors

From: Jan Leshner 
County Administrator

Re: **Pima Animal Care Center Bi-Monthly Report**

Attached please find the most recent update from the Pima Animal Care Center (PACC), which will be shared with the PACC Advisory Committee at their July meeting.

During April and May 2022, PACC supported 3,784 pets and their people throughout Pima County while achieving a live release rate of 90.25%. Approximately 2,894 lost and surrendered pets were taken into the shelter with an additional 305 lost pets being sheltered in the community. Shelter intake increased 4.4% compared to the same time-period last year.

PACC's community-centered sheltering continues to focus on keeping Pima County residents together with their pets. As part of this effort, we assisted 1,190 pets through free vaccine and microchip events and our foster program volume has increased 34% over the last year.

Finally, Pima County is deeply appreciative of the truly lifesaving support we receive from our volunteers who contribute more than 7,000 hours every month to PACC.
