

MEMORANDUM

Date: May 13, 2022

To: The Honorable Chair and Members
Pima County Board of Supervisors

From: Jan Leshner 
County Administrator

Re: **Update - Pima County Constable Deborah Martinez, Justice Precinct 8**

As I communicated to you on May 4, I had sent to the Arizona Constable Ethics, Standard and Training Board (CESTB) the comprehensive review of concerns and/or complaints regarding ethical issues relating to Constable Deborah Martinez, Justice Precinct 8.

CESTB held its regular monthly meeting this morning and unanimously voted to move forward with a formal investigation of the complaint Pima County filed against Constable Martinez. Pursuant to CESTB rules, Constable Martinez has 45 days to respond, which means this matter will more than likely be heard at their July monthly meeting.

I will continue to update you as more information becomes available.
