

MEMORANDUM

Date: September 9, 2022

To: The Honorable Chair and Members
Pima County Board of Supervisors

From: Jan Leshner 
County Administrator

Re: **Constable Deborah Martinez-Garibay**

In a Memorandum of [August 29, 2022](#) I reported that an Administrative Review of the shootings that occurred on August 25 would be conducted by the Pima County Sheriff's Department. Additional discussion has led to the determination that the Sheriff's Department is not the correct body to conduct such a review. The Tucson Police Department is investigating the shootings and the County will then determine if a separate administrative review is necessary and, if so, the appropriate body to conduct such a review.
