Re: **Retirement of Pima County Facilities Management Director Lisa Josker**

Ms. Lisa Josker, Director of the Pima County Facilities Management Department, has announced her intention to retire effective March 4, 2023.

For over 20 years, Ms. Josker has served Pima County and has led the Facilities Management Department since 2016. Ms. Josker first started with Pima County in 1984 but left after four years. Fortunately, she agreed to return in 2001 and has served in a number of leadership positions within the Department, which resulted in her appointment as Director in 2016.

Over the next few months, I will finalize the search process with a goal of identifying a new Director before Ms. Josker retires.
