## **I. STATEMENT OF PURPOSE**

The purpose of this procedure is to establish the means by which an employee may request a leave of absence under the provisions of the Family and Medical Leave Act (FMLA) of 1993 (29 USC § 2601 et. seq.), as amended periodically, and subsequent revisions to the related regulations (29 CFR § 825 et. seq.). The procedure sets forth the manner by which County departments (with the exception of the judicial departments) shall comply with the requirements and purposes of the FMLA and relevant regulations.

## **II. FAMILY AND MEDICAL LEAVE**

A. It is the policy of Pima County to comply with the provisions of the FMLA and relevant regulations and to provide eligible employees up to twelve (12) weeks (480 hours maximum for a 40 hour per week employee) of leave within a 12-month period for qualifying family and medical reasons or up to twenty-six (26) weeks (1040 hours maximum for a 40 hour per week employee) of leave within a 12-month period for military caregiving.

---

**B. Eligibility**

1. To be eligible for Family and Medical Leave (FML), the employee must:
  - a. Be an employee of Pima County including, but not limited to, an exempt employee, a non-exempt employee, an employee of an elected official, and/or a temporary employee.
  - b. Have worked for Pima County for at least twelve (12) months, whether or not such time was continuous, and not had a continuous break in service of more than seven (7) years.
  - c. Have worked a minimum of 1,250 hours during the 12-month period immediately preceding the commencement of leave.
2. For purposes of calculating the 1,250 hour requirement, the number of qualifying hours is determined according to the principles established by the Fair Labor Standards Act (FLSA) (29 USC § 2601 et. seq.) and the applicable regulations (29 CFR § 785 et. seq.) for determining compensable hours of work. The calculation of qualifying hours does not include vacation, sick leave, bereavement leave, holiday benefits, compensatory time used, unpaid leave hours or periods of layoff. Overtime, holiday worked and military hours (paid and unpaid) are included.
3. Pima County has elected not to recognize the “key employees” exception for the purposes of FML eligibility and reinstatement as outlined in 29 CFR § 825.217.

**C. FMLA-Qualifying Events (Qualifying Reasons for Leave)**

Eligible employees are entitled to FML under this section, for one or more of the following reasons. Each request will be considered on a case-by-case basis to determine if the event qualifies.

1. The employee’s own serious health condition that makes the employee unable to perform one or more of the **essential** functions of his or her job
2. Caregiving of the employee’s spouse, son, daughter, parent or domestic partner with a serious health condition
3. Birth of a son or daughter and to care for the newborn child
4. Placement with the employee of a son or daughter for adoption or foster care
5. A military qualifying exigency while the employee’s spouse, son, daughter, parent or domestic partner (the “military member”) is on covered active duty or has been notified of an impending call or order to covered active duty status (See section X Definitions)
6. Caregiving of a covered servicemember with a serious injury or illness if the employee is the spouse, son, daughter, parent, domestic partner or next of kin of the covered servicemember (“military caregiving”) (See section X Definitions)

---

D. Amount of Leave

1. An eligible employee may be entitled to up to twelve (12) weeks of unpaid leave as his/her FMLA entitlement for FMLA-qualifying events #1 - 5 (as listed in II.C) within a specified 12-month FML period.

If leave is for military caregiving (as in II.C.6), an eligible employee may be entitled to up to twenty-six (26) weeks of unpaid leave as his/her FMLA entitlement within a specified 12-month FML period.

- a. When an employee's normal work schedule is less than eighty (80) hours per pay period (including but not limited to a part-time schedule or variable hours), the FMLA entitlement will be prorated. Example: An employee working 30 hours per week (60 hours per pay period) may be granted an FMLA entitlement of up to 360 hours (30 hours X 12 weeks) or up to 780 hours for Military Caregiving (30 hours X 26 weeks).
  - b. The employee will only be permitted to use the FMLA entitlement as long as the FMLA-qualifying reason exists and the specified 12-month FML period has not ended.
  - c. If an employee does not use all of the FMLA entitlement during the 12-month period, the unused hours of the entitlement expire on the last day of the 12-month period.
2. The specified 12-month FML period (II.D.1) will be determined by measuring forward from the date an employee's FML begins.
    - a. For an employee who has not used FML in the past twelve (12) months or whose previous 12-month FML period has ended, the start date will be the first day FML is/was needed so long as such date is not more than three (3) weeks prior to the date on the FML request (Form REQ).
    - b. If an employee currently has a specified 12-month FML period and is still within that 12-month period, the balance of leave will be calculated based on previous usage and available hours. If the employee used some, but not all of the FMLA entitlement, the employee may be permitted to use some or all of the remainder of the FMLA entitlement hours.
    - c. Hours not used in one 12-month period are not carried over into a subsequent 12-month period.
    - d. A separate 12-month period will be designated for military caregiving leave as per the FMLA regulation (29 CFR § 825).
  3. Spouses and Domestic Partners Employed with Pima County
    - a. In circumstances where eligible employees are spouses or domestic partners, such employees are permitted to take up to a combined total of twelve (12) weeks of FML during a 12-month period if the leave is taken for:
      - (1) Birth of a son or daughter and to care for and bond with the healthy newborn child;
      - (2) Placement with the employee of a son or daughter for adoption or foster care to include bonding;

- b. In circumstances where eligible employees are spouses or domestic partners, such employees are permitted to take up to a combined total of twenty-six (26) weeks of FML during a 12-month period if the leave is taken for military caregiving.
- c. The limitations of paragraphs II.D.3.a and b do not apply to FML taken by either spouse or domestic partner for:
  - (1) His/her own serious health condition;
  - (2) Caregiving of a specified family member with a serious health condition, to include a spouse, domestic partner, parent or child;
  - (3) Military qualifying exigency.
- d. In circumstances where spouses or domestic partners also need leave for reasons listed in II.D.3.c, each spouse or domestic partner may be eligible for a separate entitlement of up to twelve (12) weeks less any leave taken as outlined in II.D.3.a and b.

Example A:

Spouses are employees of the County and have a baby. Mother takes 8 weeks and father takes 4 weeks of FML for bonding totaling 12 weeks. During the specified 12-month FML period, the child develops an FMLA-qualifying serious health condition and requires caregiving. Upon approval, mother would be eligible for 4 weeks for caregiving of the child (12-week entitlement minus 8 weeks already used). Father would be eligible for 8 weeks for caregiving of the child (12-week entitlement minus 4 weeks already used).

Type of Leave	Mother	Father	Total
Bonding ( <i>used</i> )	<b>8 wks</b>	<b>4 wks</b>	<b>12 wks</b>
Caregiving (available)	up to 4 wks	up to 8 wks	

Example B:

Spouses are employees of the County and are having a baby. Prior to birth, mother takes 4 weeks for her own serious health condition and pre-natal care and father takes 2 weeks to care for his pregnant spouse. Upon birth of the child, the mother and father are eligible to use a combined maximum of 12 weeks of FML for bonding. Due to prior FML usage, mother can use no more than 8 weeks for bonding (12 weeks minus 4 weeks already used) as her portion of the entitlement and father no more than 10 weeks for bonding (12 weeks minus 2 weeks already used) as his portion of the entitlement. However, the combined usage of FML for bonding must not exceed 12 weeks. (If mother should use 8 weeks of FML for bonding and exhaust her FMLA-entitlement, father will only be able to use 4 weeks of FML for bonding.)

Type of Leave	Mother	Father	Total
Caregiving ( <i>used</i> )	<b>4 wks</b>	<b>2 wks</b>	
Bonding (available -but combined total not to exceed 12 weeks)	up to 8 wks	up to 10 wks	
Bonding ( <i>used in this example</i> )	<b>8 wks</b>	<b>4 wks</b>	<b>12 wks</b>

- 
- E. Leave Schedules for Medical Reasons:
1. Medically necessary leave taken as the result of the serious health condition of the employee, to include pregnancy, the serious health condition of the employee's spouse, child, parent or domestic partner or military caregiving, may be taken in accordance with the following schedules, as defined in section X:
    - a. CONTINUOUS
    - b. INTERMITTENT to include a REDUCED SCHEDULE
  2. When FML is utilized on an intermittent or reduced schedule basis for planned medical treatments, the employee must make reasonable efforts to arrange the treatments so as not to unduly disrupt County and department operations.
  3. HR-FMLA may require an employee to provide confirmation of a family relationship (e.g., spouse, child, parent, domestic partner and next-of-kin).
  4. Transfer to an Alternative Position: When an employee qualifies for intermittent or reduced schedule FML, the County may temporarily transfer the employee to an alternative position for which the employee is qualified and which will better accommodate the recurring periods of leave. This transfer shall not result in a reduction of the employee's pay rate, benefits, or status for the duration of the temporary transfer and/or leave. Additionally, the employee must be able to perform the essential functions of the alternative position.
  5. Pregnancy
    - a. Should complications arise during pregnancy, the pregnant employee may qualify for FML for her own serious health condition. In this case, a completed Form MC-01 is required for any complications of pregnancy either before or after the birth of the child and/or for pre-natal care.
    - b. The pregnant employee may count routine pre-natal visits to a health care provider towards the FMLA entitlement.
    - c. The spouse or domestic partner who is an employee must provide a completed Form MC-02 to provide care for his or her pregnant spouse for the following reasons:
      - (1) to care for his / her pregnant spouse who is incapacitated, or
      - (2) to assist with his / her pregnant spouse's pre-natal care, or
      - (3) to care for his or her spouse following the birth of the child if the spouse has a serious health condition.
- F. Leave Schedules for Bonding (birth of child, or placement of a child for adoption or foster care):
1. FML taken to care for a new child (birth of child, or placement of a child for adoption or foster care) shall not exceed a maximum of twelve (12) weeks, whether taken sequentially or not, and shall only be taken during the one year period following birth or placement of child for adoption or foster care.

- 
2. Employees may be entitled to bonding leave on the following schedules:
    - a. CONTINUOUS
    - b. INTERMITTENT to include a REDUCED SCHEDULE. Subject to prior approval of the Appointing Authority or designee.
  3. HR-FMLA requires a document showing proof of birth, which includes date of birth, and, if applicable, proof of placement within 48 hours after birth or placement of a child.
  4. FML for adoption or foster care of a child starts on the date of placement or date of FML request, unless leave is otherwise required prior to placement.
  5. FML for birth of a child starts on the date of birth.
- G. Leave Schedules for Military Qualifying Exigency:
1. An eligible employee may take FML for one or more of the following qualifying exigencies when a military member is on covered active duty or call to covered active duty status, as defined in section X.
    - a. Short-notice Deployment
      - (1) To address issues that arise when the military member is notified of an impending call or order to covered active duty seven (7) or fewer calendar days prior to the date of deployment.

    - c. Childcare and School Activities
      - (1) To arrange alternative childcare for a child of the military member (as defined in section X) when the covered active duty or call to covered active duty status of the military member necessitates a change in the existing childcare arrangements.
      - (2) To provide childcare for a child of the military member on an urgent, immediate need basis (but not on a routine, regular or everyday basis) when the need to provide such care arises from the covered active duty of the military member.
      - (3) To enroll in or transfer to a new school or day care facility a child of the military member when enrollment or transfer is necessitated by the covered active duty or call to covered active duty status of the military member

- 
- (4) To attend meetings with staff at a school or daycare facility, such as meetings with school officials regarding disciplinary measures, parent-teacher conferences, meetings with school counselors for a child of the military member when such meetings are necessary due to circumstances arising from the covered active duty or call to covered active duty status of the military member, but not on a routine, regular, or everyday basis.

  - f. **Rest and Recuperation:**
    - (1) To spend time with a covered military member who is on short-term, temporary Rest and Recuperation (R&R) leave during the period of deployment.
    - (2) An eligible employee may take FML for the duration of the R&R leave provided to the military member up to the maximum days allowed per the FMLA regulation for each instance of R&R.
  - g. **Post-deployment Activities:**
    - (1) To attend arrival home ceremonies, reintegration briefings and events, and any other official ceremonies or programs sponsored by the military for a period of ninety (90) calendar days following the termination of the military member's covered active duty status.
    - (2) To address issues that arise from the death of the military member while on covered active duty status, such as meeting and recovering the body of the military member, making funeral arrangements, and attending funeral services.

3. If a full day of FML has been taken, a full day must be accounted for on the time card. If a partial day of FML has been taken, a partial day must be accounted for on the time card. This includes recording time as unpaid FML.
  4. Time card amendments to correctly reflect FML usage if HR-FMLA approval was obtained after the original submission of the time card must be submitted to HR-FMLA within three (3) pay periods.
- F. An employee may not flex his/her work hours for FML related absences. In order for leave to be covered under FMLA, leave time must be coded as FML on the employee's time card.
- G. If a holiday occurs within a full week of FML usage (continuous or intermittent), the employee will be charged a full week against his/her FMLA entitlement. If an employee uses less than a full week of FML and a holiday falls within that week, the holiday hours will not be counted against the employee's FMLA entitlement if the employee would not have been scheduled to work that day.
- H. Holiday and other premium pay will be administered as per Personnel Policy 8-102.
- I. Special leaves of absence with pay and leaves of absence without pay will be recorded as per Personnel Policies 8-107 and 8-108.

#### **IV. WORKERS' COMPENSATION AND ADA COORDINATION**

- A. ICA and/or Workers' Compensation:
1. Form REQ must be submitted to HR-FMLA for employees on approved ICA and/or workers' compensation and for employees whose approval is pending.
  2. If it is determined by HR-FMLA that the injury or illness is an FMLA-qualifying event and ICA and/or workers' compensation is approved, payment to the employee for time not worked shall be up to 66⅔% of the employee's salary from ICA/workers' compensation and the balance of time not worked as FML using the employee's leave banks. When sick leave, compensatory time, and annual leave banks are exhausted, FML hours will be recorded as unpaid FML.
  3. FML may be used until the employee's full FMLA entitlement is exhausted, the FMLA-qualifying event has ended, or the 12-month period has ended.
  4. It is the department's responsibility to notify HR-FMLA upon the employee's return to work and/or change in ICA and/or workers' compensation status.
  5. Risk Management is responsible for coordination of ICA and/or workers' compensation as per Pima County Administrative Procedures.
- B. ADA:
1. The FMLA covers the need for leave from the workplace. The FMLA neither requires nor covers what, if any, accommodations may or may not be desirable or needed when the employee is at work.

2. Qualified individuals with disabilities may be covered under the Americans with Disabilities Act (ADA). Some FMLA serious health conditions, such as most cancers, heart disease and serious strokes, would likely also be ADA disabilities.
3. Human Resources Employment Rights is responsible for coordination of the ADA accommodation process for Pima County (see Administrative Procedure 23-29).

## **V. CONTINUATION OF EMPLOYMENT BENEFITS**

### **A. Continuation of Health and Dental Insurance**

1. Pima County shall continue to pay the employer portion of insurance premiums for the period of the employee's FMLA entitlement (maximum of 12 weeks as determined in II.D.1) unless coverage is discontinued as in V.A.2 below. This does not apply to continuation of benefits for extended periods of approved paid leave.
2. Employees taking FML shall be responsible for payment of the employee portion of insurance premiums. When leave banks are exhausted, this payment must be made as per Administrative Procedure 23-4 Leave of Absence – Insurance. Failure to make timely payments of insurance premiums may result in the discontinuation of health and/or dental insurance coverage for the duration of the unpaid FML.

### **B. Continuation of Other Benefits**

1. Continuation of retirement contributions shall be in accordance with the rules established by the Arizona State Retirement System or other appropriate system.
2. Continuation of employee-financed benefits such as AFLAC, Deferred Compensation, etc. shall be pursuant to agreements between the employee and the respective benefit providers.

### **C. Benefit Plan Revisions and Additions**

In circumstances where benefits are added, upgraded, or otherwise revised during the period of leave, such changes for employees on FML shall be effective on the same date as for employees in active work status.

## **VI. PROVIDING NOTICE**

### **A. Planned Leaves**

1. For leave that can be reasonably anticipated or adequately planned, employees must request leave at least thirty (30) calendar days prior to the date leave is to begin. This includes any necessary recertification of an existing condition for a new 12-month FML period.
2. Notice must be submitted, using Form REQ, by the employee to the employee's supervisor, DPR, or directly to HR-FMLA. HR-FMLA will notify the department of receipt.
3. Failure to provide notice thirty (30) calendar days in advance may result in a delayed start of FML.

---

**B. Unexpected Leaves**

1. If thirty (30) calendar days advance notice is not possible due to a lack of knowledge as to when leave will begin, a change in circumstances, or a medical emergency, notice must be given *as soon as practicable* under the facts and circumstances of the case. The term “as soon as practicable” means the time at which the employee becomes aware of the need for leave and is able to provide notification as outlined in VI.B.2 & 3. In most cases, notification should occur within two (2) business days.
2. If the employee is unable to do so personally, notice may be given by the employee’s representative (e.g., a spouse, domestic partner, family member, or other responsible party), supervisor, or DPR.
3. Notice must be submitted to HR-FMLA using Form REQ.
4. When an employee is absent more than three (3) consecutive work days, the department must initiate the FML process.  
Examples of more than three (3) consecutive work days for a Monday through Friday work week:
  - Monday/Tuesday/Wednesday/Thursday
  - Thursday/Friday/Monday/Tuesday where Saturday and Sunday are the employee’s regular days off (RDO)

**VII. MEDICAL CERTIFICATIONS AND RECERTIFICATIONS**

- A. Pima County requires a medical certification when the leave requested is for the serious health condition of the employee (Form MC-01), the serious health condition of a qualifying member of the employee’s family (Form MC-02), or military caregiving (Form MC-03).
  1. Medical certification must be completed by a qualified health care provider.
  2. Fees incurred for the completion of medical certifications are the employee’s responsibility.
  3. Medical certifications must be submitted to HR-FMLA within fifteen (15) calendar days as noted on ERR. (See VIII.A.7.)
  4. Employees are required to use the Pima County FML certification forms as provided by HR-FMLA.
  5. It is the employee’s responsibility to ensure a complete medical certification is received by HR-FMLA.
  6. Failure to provide the requested certification may result in delay or denial of FML.
- B. When an employee is on approved FML for his/her own serious health condition or for caregiving of a family member and the need for leave lasts beyond a single leave year, HR-FMLA may require the employee to provide new medical certifications for subsequent leave years.

- 
- C. In circumstances where FML is for an extended period of time, the employee may be required to obtain recertification from the health care provider. Such requests for recertification are at the employee's expense and shall not be more frequent than every six (6) months unless:
1. The employee requests an extension of FML;
  2. Circumstances described by the original certification have changed significantly (e.g., the duration of the illness, the nature of the illness, complications of the condition);
  3. The supervisor, manager or DPR receives information and/or notices trends in FML usage that cast doubt upon the continuing validity of the most recent certification.
- D. Requests for recertification relating to paragraph VI.C.3. above must be made in writing and/or by secure email to HR-FMLA and must contain relevant information regarding attendance.
1. HR-FMLA will review the information and medical certification to determine if recertification of the condition is warranted and, if so, issue a Designation Notice of Recertification (DN-RC) to the employee.
  2. It is the responsibility of the employee to provide complete medical certification for the recertification.
  3. Medical certifications for recertification purposes are at the employee's expense.
  4. Medical certifications for recertification must be submitted to HR-FMLA within fifteen (15) calendar days of notice of recertification as noted on DN-RC.
  5. Failure to provide the requested recertification may result in the conclusion of approved FML for that event.
- E. Second and Third Medical Opinions:
1. HR-FMLA may require an employee requesting leave for the employee's own serious health condition to obtain a second medical opinion. Such evaluation shall be conducted by a qualified health care provider selected and paid for by the employee's department.
  2. Should the second opinion differ from the opinion of the employee's health care provider, Pima County may order and will pay for a third medical opinion. The health care provider selected shall be mutually agreed upon by both Pima County and the employee. The third opinion shall be final and binding.
  3. Second and third opinions are not permitted for military caregiving.
- F. The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, Pima County asks that health care providers do not provide any genetic information when responding to requests for medical information for the employee's own serious health condition or the serious health condition of the employee's family member.

---

**VIII. PROCEDURES****A. FML Request Processing**

1. The employee, employee representative, supervisor or DPR completes Form REQ as per the requirements for providing notice in section VI.
2. The completed Form REQ must be submitted by the employee to the employee's supervisor, DPR, or directly to HR-FMLA.
3. Form REQ must be sent to HR-FMLA via secure fax at 520-791-6514, email ([FMLA.coordinator@pima.gov](mailto:FMLA.coordinator@pima.gov)) or interoffice mail.
4. Upon receipt of Form REQ, HR-FMLA will notify the department.
5. If the reason for FML is the employee's own serious health condition, HR-FMLA will supply the Essential Job Function Analysis (Form EFA) to the department for completion.
  - a. Form EFA must be completed by the supervisor, manager or DPR. Form EFA must not be completed by the employee.
  - b. The completed Form EFA must be returned to HR-FMLA within two (2) business days.
6. Within five (5) business days following receipt of Form REQ, HR-FMLA will provide the employee with a Notice of Eligibility and Rights and Responsibilities (ERR).
  - a. If the employee is eligible for FML, HR-FMLA may also include one or more of the following as applicable to the leave request:
    - (1) Information regarding the required documents needed to determine qualification of the event (to include certifications, proof of birth, information regarding placement of a child for adoption or foster care); or
    - (2) Medical Certification from Health Care Provider for Employee's Serious Health Condition (Form MC-01) with Form EFA attached, if provided by department; or
    - (3) Medical Certification from Health Care Provider for Family Member's Serious Health Condition (Form MC-02); or
    - (4) Medical Certification from Health Care Provider for Covered Servicemember's Serious Health Condition (Form MC-03); or
    - (5) Certification of Military Qualifying Exigency (Form QE).
  - b. If the employee is eligible for FML and hospitalized at the time of request, upon verification of hospital admission by HR-FMLA, leave will immediately be designated as FML beginning the date of admission as per VIII.A.8.a. The employee must submit Form MC-01 as per VIII.A.7. or the FML approval may be rescinded.
  - c. If the employee is not eligible for FML, HR-FMLA will deny FML and send a Designation Notice of Denial (DN-D) to the employee, copying the Appointing Authority or designee, supervisor, and DPR.

- 
7. The employee has fifteen (15) calendar days to complete and return the required documentation, as listed in ERR, directly to HR-FMLA unless it is not practicable under the circumstances to do so despite the employee's diligent, good faith efforts. In the instance when the employee is unable to meet the due date as specified on the ERR, the employee must contact HR-FMLA to request an extension of the due date. Extensions may be granted in increments not to exceed seven (7) calendar days each, absent extenuating circumstances.
  8. Upon receipt of a medical certification and/or other required documents, HR-FMLA will review for completeness.
    - a. If documentation is complete and the event qualifies for FML, HR-FMLA will approve the FML and send a Designation Notice of Approval (DN-A) to the employee, copying the Appointing Authority or designee, supervisor, and DPR. This notice may include, but is not limited to, the following information:
      - confirmation that the event qualifies for FML,
      - the approved leave schedule (continuous or intermittent),
      - the approved time period of leave,
      - any details regarding usage of intermittent leave (e.g., reduced schedule, flare-ups, appointments), as applicable,
      - whether a Fitness for Duty Report (Form FFD) is required.
    - b. If the event does not qualify for FML, HR-FMLA will deny FML and send a DN-D to the employee, copying the Appointing Authority or designee, supervisor, and DPR.
    - c. If documentation is incomplete or if the required documents are not received by HR-FMLA within fifteen (15) calendar days, the employee will be notified by a Designation Notice of Cure (DN-C) that he/she has seven (7) calendar days to clarify and/or cure any deficiencies. DPR will receive a copy of the DN-C.
  9. If the required documents have not been received or the noted deficiencies have not been corrected by the due date listed on the DN-C, HR-FMLA will deny FML and send a DN-D to the employee, copying the Appointing Authority or designee, supervisor, and DPR.
  10. If an employee decides to rescind the FML request after Form REQ has been submitted and prior to start of leave, the request to rescind must be provided in writing (to include email) and forwarded to HR-FMLA. Upon receipt, HR-FMLA will close the FML request and, if applicable, may issue a DN-D to the employee, copying the Appointing Authority or designee, supervisor, and DPR.
  11. An employee is not on approved FML until he/she has received the DN-A from HR-FMLA designating the leave as FML.

12. If it is determined that additional FML is needed beyond the previously approved end date listed on the DN-A, the employee must provide a written request for extension directly to HR-FMLA. This request needs to be submitted prior to the original leave end date, absent extenuating circumstances. Additional information from the health care provider may be required for the extension. If the extension of FML is approved, HR-FMLA will send out a revised Designation Notice of Approval (DN-A) to the employee, copying the Appointing Authority or designee, supervisor, and DPR.
13. When an employee exhausts his/her FMLA entitlement, HR-FMLA will send out a Designation Notice – End Date (DN-END) to the employee, copying the Appointing Authority or designee, supervisor, and DPR. (See also VIII.B.7.)

**B. RETURN TO WORK AND REINSTATEMENT FOLLOWING FML**

1. A Fitness for Duty Report (Form FFD) or an equivalent return to work release is required when an employee returns from continuous FML for the employee's own serious health condition. Form FFD is not required when an employee returns from continuous FML for caregiving, birth of a child, placement of a child for adoption or foster care, or military qualifying exigency.
2. If a Form FFD is required to return to work and/or remove restrictions (as per the Designation Notice), the employee must not be permitted to work prior to providing Form FFD or an equivalent return to work release from his/her health care provider. Form FFD must be supplied to HR-FMLA no later than the first day of return to work and must document the employee's ability to perform all essential functions of the job.
3. If an employee is unable to perform one or more essential functions of the position because of a physical or mental condition, including the continuation of a serious health condition, the employee has no right to restoration to another position. If the employee has not exhausted his/her FMLA entitlement, FML may be continued until the employee is able to perform all essential functions of the job. The employee may be referred to Human Resources Employment Rights for possible workplace accommodation under ADA as per Administrative Procedure 23-29.
4. If an employee on continuous FML is able to return to work earlier than the date previously indicated on the DN-A, the employee is required to notify the department and HR-FMLA as soon as possible but not later than two (2) work days prior to the previously indicated return to work date. - In the case of extenuating circumstances, notification must be made as soon as practicable but not later than the date of return.
5. When a return to work authorization is received and/or if the employee returns from leave prior to the anticipated return date, HR-FMLA will send out a Designation Notice – Return to Work (DN-RTW) to the employee, copying the Appointing Authority or designee, supervisor, and DPR.

- 
6. An employee returning from a period of FML shall:
    - a. be restored to the same position held at the time leave commenced if it is available or to an equivalent position.
    - b. resume benefits at the same level as were provided prior to the beginning of leave and without any qualifications such as a waiting period or pre-existing condition clause. When benefits are changed during the period of leave, such changes will apply to the employee upon the employee's return to work.
  7. If an employee will exhaust his/her FMLA entitlement prior to being able to return to work, the employee must contact the department prior to the exhaustion of FML regarding his/her leave options, as per Pima County Personnel Policy 8-108.

## **IX. RESPONSIBILITY AND ACCOUNTABILITY**

### **A. HR-FMLA**

The following apply to all departments within Pima County with the exception of the judicial departments.

1. HR-FMLA is responsible for all medical certification interpretation, official leave tracking, official file maintenance, FMLA training and final FML designation approval.
2. HR-FMLA is the official, and only, point of contact with employees' military and health care providers.
3. HR-FMLA will advise leave administration of changes to an employee's FML.
4. HR-FMLA provides departments with necessary information regarding an employee's FML as outlined in this procedure and per the applicable regulation.
5. HR-FMLA will maintain Forms REQ and FFD and make them available on the Pima County Human Resources website. HR-FMLA will supply all other forms to the employee upon receiving Form REQ. A table listing FML forms and documents is located in section XI on page 21. Samples of forms are on pages 22 through 34.
6. HR-FMLA will file and maintain all FML forms and documents, to include but not limited to certification forms, legal and/or military documents, in the employee's official FMLA file.
7. HR-FMLA will archive and purge documents contained in the FMLA file pursuant to Federal and State law and the Arizona State Library, Archives and Public Records retention schedule.

### **B. EMPLOYEE**

1. An employee on FML must follow department call-in procedures. Failure to call in as outlined and directed may result in disciplinary action.

2. When an employee calls in to report an absence, he/she must state whether or not the leave is FML. If the employee is approved for FML for multiple qualifying events, he/she must also state the FML event (e.g., FML for caregiving or FML for self). The employee need not state the specific cause or illness. If an employee does not indicate that the leave is FML, the employee's time will not be recorded as FML.
3. When an employee is on approved continuous FML, the employee shall not participate in work and/or work-related activities to include checking County email and participating in teleconferences. (See IX.D.8.)
4. An employee on continuous FML must periodically call the supervisor or DPR regarding his/her status and intent to return to work, particularly during the last two (2) weeks of leave. The employee's department will determine the frequency of the status calls. (See IX.D.7.)
5. If an employee on continuous FML is able to return to work earlier than the date previously indicated on the DN-A, the employee is required to notify the department and HR-FMLA as soon as possible but not later than two (2) work days prior to the previously indicated return to work date. In extenuating circumstances, notification must be made as soon as practicable but not later than the date of return.
6. If it is determined that additional FML is needed beyond the previously approved end date listed on the DN-A, the employee must provide a written request for extension directly to HR-FMLA. This request needs to be submitted prior to the original leave end date, absent extenuating circumstances. (See VIII.A.12.)
7. An employee must not use or attempt to use FML for reasons or conditions other than those approved by HR-FMLA. Misuse may result in FML approval ending or being rescinded and, when appropriate, may also result in disciplinary action up to and including dismissal.
8. An employee may not flex his/her work hours for FML related absences. In order for leave to be covered under FMLA, leave time must be coded as FML on the employee's time card.
9. An employee using intermittent FML for appointments which do not require a full day of leave, such as physical therapy or lab work, is only entitled to the time necessary and not a full day of leave. For example, the employee may use FML only for the duration of the medical appointment and time required to travel to and from the appointment location.
10. An employee must make reasonable efforts to arrange medical appointments and treatments so as not to unduly disrupt County and department operations when FML is utilized on an intermittent or reduced schedule basis.

For scheduled appointments, the Appointing Authority or designee may require the employee to provide a list of all appointments, to include approximate duration, on a monthly basis. It is the employee's responsibility to keep the list current and notify his/her department of any changes. Failure to do so may result in the loss of FML coverage for those appointments. In such cases, departments shall consult with HR-FMLA for guidance.

---

### C. SUPERVISORS

1. When an employee is absent more than three (3) consecutive work days, the department must initiate the FML process.  
Examples of more than three (3) consecutive work days for a Monday through Friday work week:
  - Monday/Tuesday/Wednesday/Thursday
  - Thursday/Friday/Monday/Tuesday where Saturday and Sunday are the employee's regular days off (RDO)
2. If recurring absences and/or tardiness occur, the supervisor should inform the employee about FML and suggest he/she contact HR-FMLA.
3. Supervisors must not directly contact a health care provider or inpatient facility to request information. If information is needed, the supervisor must contact HR-FMLA.
4. Supervisors are responsible for protecting the privacy and confidentiality of their employees' medical conditions, particularly as a result of the FML process.
5. Supervisors shall ensure that employees are aware of department call-in procedures.
6. Supervisors must not ask employees the nature of qualifying events or the specifics of illnesses.
7. When an employee on approved FML calls in "sick", the supervisor may ask whether the leave is to be recorded as "sick" or "FML" if the employee does not make that distinction. (See IX.B.2.)  
  
If the employee indicates the absence is FML and is approved for multiple qualifying events (e.g., employee's own serious health condition, caregiving, birth of a child) but fails to identify the FML event, the supervisor must ask the employee to state the event (e.g., FML for caregiving or FML for self). (See IX.B.2.)
8. Supervisors are responsible for adding intermittent FML usage to the employee's time card using the eTIME leave editor.
9. Supervisors must not interfere with the exercise of employees' FMLA rights, including refusing to authorize FML or discouraging use of FML.
10. Supervisors shall not consider or include approved FML usage and/or absences as a factor in employment actions, including but not limited to performance appraisals and/or disciplinary processes.  
  
If an absence is in question, the supervisor must contact HR-FMLA for guidance.

### D. DEPARTMENT

1. DPRs are responsible for submitting completed forms on behalf of employees and as requested by HR-FMLA in order to facilitate the FMLA process. Forms may include but are not limited to REQ, EFA, FFD and return to work notices.
2. DPRs are responsible for protecting the privacy and confidentiality of their employees' medical conditions, particularly as a result of the FML process.

4. The department must provide the employee with a copy of the department's applicable call-in procedure and inform the employee of the frequency of status calls when on continuous FML. (See IX.B.4.)
5. When an employee is on approved ICA and/or workers' compensation, it is the department's responsibility to notify HR-FMLA upon the employee's return to work and/or change in work status.
6. A request for an exempt employee to work from home while on FML, to include checking County email and participating in teleconferences, must be approved by the County Administrator. A copy of the approval must be provided to HR-FMLA. The employee must be on approved intermittent FML. No approval may be made unless there is a current certification from the health care provider permitting such activity. The employee and his/her department are responsible for correctly tracking and reporting hours worked from home to ensure proper payment.

## Pima County Family and Medical Leave (FML) Notice of Eligibility and Rights & Responsibilities

### **PART B: YOUR RIGHTS AND RESPONSIBILITIES FOR TAKING FML (continued)**

**Below is important information regarding FML. Additional information regarding the FML process is detailed in Pima County Administrative Procedure 23-37.**

**YOUR RIGHTS:** If your leave qualifies as FML and depending on the reason for your leave, you will have the following rights while on FML. Specifics will be listed on the Designation Notice of Approval (DN-A).

- Up to 12 weeks of unpaid leave in a specified 12-month period. The 12-month period is calculated forward from the first day FML is needed. For information regarding your 12-month FML period, contact HR-FMLA.
- Up to 26 weeks of unpaid leave in a single 12-month period to care for a covered service member with a serious injury or illness. The 12-month period is calculated forward from the first day FML is needed. For information regarding your 12-month FML period, contact HR-FMLA.
- Your benefits must be maintained during any period of unpaid leave under the same conditions as if you continued to work and pursuant to Administrative Procedure 23-37.
- Upon your return from FMLA-protected leave, you must be reinstated to the same or an equivalent job with the same pay, benefits, status, and terms and conditions of employment. (If your leave extends beyond the end of your FMLA entitlement, you do not have return rights under FMLA.)
- If you do not return to work following FML for a reason other than 1) the continuation, recurrence, or onset of a serious health condition which would entitle you to FML; 2) the continuation, recurrence, or onset of a covered service member's serious injury or illness which would entitle you to FML; or 3) other circumstances beyond your control (as per 29 CFR 825), you may be required to reimburse Pima County for the County share of health insurance premiums paid on your behalf during your FML.

### **YOUR RESPONSIBILITIES:**

- It is your responsibility to either furnish HR-FMLA with a complete and sufficient certification or to furnish the health care provider with any necessary authorization to release a complete and sufficient certification directly to HR-FMLA. If you fail to provide complete and sufficient certification, your FML request may be denied.

If your leave qualifies as FML and is approved on a DN-A, you will have the following responsibilities while on FML.

- You must use your available sick leave, compensatory time, and vacation leave during your FML absence. You will receive your paid leave until leave banks are exhausted. Once leave banks are exhausted, your leave will be designated as unpaid FML. The leave will be considered protected FML and counted against your FMLA entitlement. Please see Pima County Administrative Procedures 23-37 for details.
- You are responsible for coding your Time and Attendance Form (TAF) to reflect FML usage as required above.
- You must follow your department call-in procedures for all FML absences. When using FML, you must identify the time as such. If you are on continuous FML, you must communicate with your department regarding your FML status and intent to return to work.
- You should contact your Department Benefits Representative regarding your health insurance payments while you are on leave. If you should exhaust your leave banks, you will need to pay your share of the premium directly to Human Resources Benefits as per Pima County Administrative Procedure 23-4, Leave of Absence – Insurance Procedures.
- If you are able to return to work earlier than the date indicated in your DN-A, you must notify HR-FMLA at least two (2) workdays prior to the date you intend to report for work, if practicable.
- If your leave is for your own serious health condition, you must provide a Fitness for Duty Report (Form FFD) from your health care provider in order to return to work. If Form FFD is not received, your return to work will be delayed until it is provided.
- If you need to extend your leave, you must notify HR-FMLA as soon as possible to discuss any required documentation.
