From: Chris Cawein, Director

**Subject: Volunteer Participation in NRPR Programs FY 2016-17**

NRPR recently completed an updated evaluation of Volunteer participation at our facilities and in our programs for fiscal year 2016-17.

Based on this analysis, a total of **2,193 individuals volunteered a total of 23,121 hours** during the past year in a variety of program offerings of the Department.

Programmatic participation in FY2016-17 extended to the various NRPR programs and sites as follows:

<u>Division</u>	<u>Main Volunteer Programs</u>	<u>Volunteers</u>	<u>Hours</u>
Recreation	Shooting sports	103	11,147 hours
Natural Resources	Gilbert Ray, Env Education, Buffelgrass eradication	727	6,771 hours
Operations	Adopt-a-Park	1029	2,538 hours
Planning	Trails development	305	1,549 hours
SPT	Canoa Ranch	29	1,116 hours

The value of these volunteers to NRPR programs and to the community is tremendous. We could not offer many of our programs to the extent that they are offered without their selfless donation of their valuable time in supporting our public programs. We will continue to encourage their participation and express our gratitude to all of these volunteers for assisting NRPR in providing high quality park programs to our community.
