MEMORANDUM

Date: August 10, 2018

To: The Honorable Chairman and Members
Pima County Board of Supervisors

From: C.H. Huckelberry
County Administrator

Re: Insurance Requirements for World View Enterprises, Inc. Lease Purchase Agreement

At the August 7, 2018 Board of Supervisors Meeting, Supervisor Ally Miller placed an item on the Agenda to discuss World View. During the discussion, an issue was raised regarding the adequacy of insurance. The insurance requirements are attached for your review on Pages 9 and 10 of World View’s Lease/Purchase Agreement. (Attachment 1)

The second sentence of the insurance requirements makes it clear the County had authority to increase the insurance requirements above those stated in the lease. The highlighted areas on Pages 9 and 10, Item 10.2 of World View’s Lease/Purchase Agreement indicates the County may periodically review and adjust the types and limits of insurance requirements. It states,

“...County may from time to time review and reasonably adjust the types or limits of insurance required.”

Risk Management and the County’s insurance broker reviewed the coverage and required the $5,000,000 in general liability and aviation coverages.

The 2018 liability policy provides commercial general liability (CGL) coverage up to $5,000,000 per occurrence. The liability policy also covers both aviation general liability and aircraft liability exposures. The CGL policy has no policy limits as reflected in the certificate of insurance and verified by the broker. Therefore, the only limit is the $5,000,000 per occurrence and not the number of occurrences during the policy year.

World View’s detailed insurance requirements were reported on Page 4, Item 7, of my February 8, 2018 memorandum (Attachment 2).

These requirements were based on an industry review associated with aviation and based on the fact World View was not a licensed commercial carrier who could not carry passengers and their vehicles/flight operations included low risk aeronautical operations, that are not mechanically powered by internal combustion engines or jet engines.

Our Risk Manager, Lauren Eib, has reviewed the insurance requirements with World View’s insurance broker to ensure that the 2018 insurance provided is appropriate to the County’s insurance requirements. The current liability policy for 2018 provides the requested combination of insurance and limits for World View’s general liability, aviation and aircraft business liability exposures (Attachment 3).

I trust this information resolves any concerns regarding the adequacy of the insurance requirements of World View. We will not pursue or ask for any alteration of these requirements at this time.

Said Certificate must be satisfactory to County. World View will provide a copy of World View's policy of property insurance to County annually.

11. Default/Termination. Either party may present written notice of default or non-performance to the other party.

11.1. World View Default. The occurrence of any one or more of the following events constitutes a default and breach of this Lease by World View for which County may terminate this Lease (each an "Event of Default"):
