Re: **The Site Selectors Guild Advisory Forum 2018**

Attached is a brochure from a recent Site Selectors Guild Advisory Forum, sponsored by Sun Corridor, Inc. Five site selectors visited Tucson for an in depth review of economic development activities occurring in our region. The site selectors gained additional knowledge of the availability of economic development opportunities within the region.

This event supplements our ongoing efforts in economic development activities and our continued development of specific project leads that will lead to significantly increased job and tax base expansion.
