Re: **Annual Achievement of Excellence in Procurement Award**

I am forwarding a letter I recently received from the Nation Procurement Institute indicating that our Procurement Department has once again earned the Annual Achievement of Excellence in Procurement Award. Please note that Pima County is only one of 45 counties in the United States and Canada to receive this prestigious award, more importantly our Procurement Department has received this award for 14 consecutive years. My thanks and congratulations go to Procurement Management and Staff for their continuing excellence in procurement.
