Re: Purchase of Sahuarita Unified School District Property to Construct the Sahuarita Regional Library

Dear Dr. Valenzuela:

As you know, a site north of Sahuarita Road on the campus of the Sahuarita Unified School District (SUSD) has been an alternative for the location of the Sahuarita Regional Library (SRL). This location and at least two to three others have been under consideration for some time. The County has recently made the decision to pursue and purchase the SUSD site. Our Library District and Real Property staff will follow up with SUSD staff to complete the purchase of this property. We will then proceed with design and construction of a new SRL for the public in the Sahuarita area.

Sincerely,

A handwritten signature in black ink that reads "C.H. Huckelberry". The signature is fluid and cursive, with a long, sweeping underline that extends to the right.
