Re: **Permanent Appointment of Chief Information Officer/ITD Director**

As you recall, on March 15, 2018, I appointed Dan Hunt as Interim Chief Information Officer/ITD Director. Mr. Hunt has successfully demonstrated the skills needed to lead the Information Technology Department. I appreciate the work he has done with coordinating an organizational restructuring of the department to enhance support to other County departments, prioritization of security matters to protect County systems, as well as his efforts relating to seeking future cost savings in the five budgets within the Information Technology Department. I have decided to permanently appoint Mr. Hunt as Chief Information Officer/ITD Director effective May 14, 2018.

Carmine DeBonis Jr., Deputy County Administrator for Public Works
Dan Hunt, Chief Information Officer/ITD Director
