

Board of Supervisors Memorandum

May 22, 2018

Tentative Budget Adoption: Fiscal Year 2018/19

Background

Pursuant to state statute, the Board of Supervisors is required to adopt a tentative budget to establish a maximum ceiling for the County budget. Adoption of the Tentative Budget serves to set the maximum County expenditure ceiling and establish a maximum tax rate. Prior to final budget adoption on June 19, 2018, the Board may reallocate expenditures and revenues among departments differently than set forth in the Tentative Budget and may decrease expenditures, as well as corresponding tax rates.

Status Report

My original recommendations were included in my transmittal of the Recommended Budget to the Board of Supervisors on April 27, 2018. The Recommended Budget included \$1,344,027,134 of combined County expenditures. \$585,397,097 of this amount represents General Fund expenditures.

The Board is currently considering sales tax and Transportation Road primary property tax options for funding pavement preservation and road repairs. The proposed tentative adopted budget includes revenue associated with both options. Actual revenue collected in Fiscal Year (FY) 2018/19 for these two options will be dependent on the actions and direction provided by the Board prior to final budget adoption.

Option 1 - Proposed Excise (Sales) Tax to Fund Arterial, Collector and Local Pavement Preservation and Road Repair

Over the past two months, I have sent the Board proposals regarding the implementation and levying of a sales tax to fund a 10-year road repair plan for cities, towns and unincorporated Pima County. At their April 3, 2018, April 17, 2018 and May 1, 2018 meetings, the Board discussed and provided staff with direction to bring the following back in final form for Board approval or disapproval:

-A Sales Tax Implementation Plan Ordinance that references a draft 10-year road repair plan for unincorporated Pima County.

-A Resolution Levying a Sales Tax to fund the preservation and repair of arterial, collector and local roads in cities, towns and unincorporated Pima County.

The Honorable Chair and Members, Pima County Board of Supervisors

Page 2

Based on statutory requirements regarding noticing and advertising of the proposals, the Board was scheduled to consider the adoption of the implementation ordinance at their regularly scheduled meeting of May 15, 2018. The resolution that actually approves the levying of the sales tax is scheduled for consideration on June 19, 2018 prior to the final adoption of the FY 2018/19 budget.

If the sales tax ordinance and resolution are approved by the Board, businesses will begin sales tax collections on January 1, 2019. The County will start to receive these funds in March 2019 with no road related expenses scheduled to occur until the start of the following fiscal year on July 1, 2019. All FY 2018/19 revenue will be deposited into the County's Transportation Road Fund until used for its intended pavement preservation and road repair purposes.

The proposed tentative adopted budget includes partial-year sales tax revenue of \$30,339,071 in anticipation of the possible levying of this tax by the Board. If the Board does not unanimously approve the levying of the sales tax on June 19, 2018, the County will not collect these sales tax revenues and the forecasts and the road repair program will be adjusted accordingly.

Option 2 - Continuation of the Transportation Road Primary Property Tax to Fund Local Pavement Preservation and Road Repair

The FY 2018/19 proposed tentative adopted budget currently appropriates funding for the second year of the \$0.2500 per \$100 taxable net assessed value Transportation Road primary property tax. If continued by the Board of Supervisors into FY 2018/19, total property tax collections of \$20,636,092 will be deposited into the Transportation Road Fund for its intended purposes of local pavement preservation and road repair.

In my recommended memorandum, I discussed the County's efforts to make the Transportation Road primary property tax as neutral to the taxpayer as possible. At the time of the original adoption of this tax in FY 2017/18, I proposed a two-step rate reduction to achieve this goal. In FY 2017/18, the Board was able to reduce the General Fund primary property tax rate and the County Library and Regional Flood Control District secondary property tax rates by a total of 11-cents. The FY 2018/19 proposed tentative adopted budget absorbs the remaining taxpayer impact of the Transportation Road primary property tax by decreasing the General Fund primary property tax rate by an additional 14-cents to \$4.0696.

I continue to propose that the Board vote separately on the Transportation Road primary property tax and require a unanimous vote of the of the Board to include it in the final adopted budget.

The Board can take various actions regarding the Transportation Road primary property tax in conjunction with its consideration of levying a half-cent sales tax for pavement preservation and road repair:

- If the Board unanimously votes to levy a sales tax, it can also decide to levy the Transportation Road primary property concurrently for FY 2018/19 only. This would allow the second year of the current local road repair program to continue as originally proposed by the Transportation Advisory Committee while allowing partial year sales tax revenue to be accumulated for the start of the new road repair program in FY 2019/20. At the end of FY 2018/19, the Transportation Road primary property tax would be discontinued resulting in a twenty-five cent decrease in the County's combined primary property tax rate starting on July 1, 2019.
- If the Board unanimously votes to levy a sales tax, it can also decide to end the Transportation Road primary property tax effective July 1, 2018. This would result in an additional twenty-five cent reduction in the combined primary property tax rate in FY 2018/19 from \$4.3196 to \$4.0696. Discontinuing the collection of the Transportation Road primary property tax in FY 2018/19 would result in the second year of the Transportation Advisory Committee's project recommendations under this program being cancelled.
- If the Board does not levy a sales tax, the Board can vote to continue the Transportation Road primary property tax as originally adopted in FY 2017/18. This would result in no further changes in the FY 2018/19 combined primary property tax rate of \$4.3196.
- If the Board decides not to levy a sales tax, it can also opt not to continue the Transportation Road primary property tax. This would result in an additional twenty-five cent reduction in the combined primary property tax rate, from \$4.3196 to \$4.0696. Not levying either tax would also result in the end of the Transportation Advisory Committee's local pavement preservation and road repair program.

Additional One-Percent Salary Adjustment for Eligible County Employees

Since making my recommendation to the Board regarding a proposed 2.5 percent salary adjustment for all eligible County employees, I have been reviewing ideas to make these adjustments more equitable for those employees compensated at the lower end of the County's salary scale. A straight 2.5 percent salary adjustment tends to provide a greater benefit to those employees who have higher base compensation. Upon consideration, I believe that an additional adjustment to address these lesser benefits for our lower

compensated employees is needed. As such, I propose an additional 1 percent salary adjustment for all eligible County employees whose annual compensation is \$50,000 or less effective January 6, 2019. These employees would receive the equivalent of an overall effective 3 percent salary adjustment in FY 2018/19 that would be annualized to 3.5 percent in FY 2019/20 and onward. This additional equity salary adjustment will positively impact 3,599 or 65 percent of all eligible County employees.

The County-wide cost of this additional adjustment in FY 2018/19 is \$682,443 (\$569,851 in salaries plus \$112,592 in benefits). Starting in FY 2019/20, the annual cost will total \$1,478,864.

Note that, if this adjustment is approved, General Fund departments' budgets will be adjusted for the impact of this additional salary adjustment. Non-General Fund departments will be required to absorb these additional costs within their existing proposed tentative budgets.

Proposed Tentative Budget Adjustments

General Fund

The proposed tentative adopted budget now includes the following proposed adjustments to General Fund departments made since my April 27, 2018 Recommended Budget was submitted to the Board of Supervisors:

-\$716,150 in additional incremental salaries and benefits funding related to my earlier recommended five-percent retention incentive increase for mid-range Sheriff deputies and corrections officers effective on the pay period starting on January 6, 2019. The annualized cost starting in FY 2019/20 and onward will total \$1,432,300. The retention incentive adjustment will positively impact 146 deputies and 222 corrections officers.

-\$402,901 increase in incremental salaries and benefits funding in the Budget Stabilization Fund related to my proposed additional 1 percent salary adjustment for all eligible County General Fund employees earning \$50,000 or less as of January 6, 2019.

-An additional \$121,282 of expenditure authority allocated to the Office of Emergency Management and Homeland Security to fund: 1) the \$76,600 cost of maintaining the common areas at the Pima Emergency Communications and Operations Center (PECOC) and; 2) \$44,682 of additional funding for the Southern Arizona Rescue Association (SARA).

-Additional \$100,000 reserved in the Budget Stabilization Fund for the Emerge! Center Against Domestic Abuse outside agency to fund increased costs associated with Domestic Violence issues and reporting.

The Honorable Chair and Members, Pima County Board of Supervisors
Re: **Tentative Budget Adoption: Fiscal Year 2018/19**
May 22, 2018
Page 5

-\$65,000 increase in the Budget Stabilization Fund to fund the annual cost of a new Jail Navigator position.

-The cash operating transfer-out of the General Fund to Attractions and Tourism was increased an additional \$62,000. These additional funds will be used to increase the General Fund's support of the Job Path outside agency program from \$326,675 to \$388,675.

-The Community Development and Neighborhood Conservation Department's Outside Agency budget increased \$12,000 to continue to fund the Pima County Community Land Trust's expansion of housing counseling programs to low-to-moderate income individuals. The County's total annual allocation to the Land Trust is now \$61,000.

The recommended budget proposed moving the Public Fiduciary function from the Public Defense Services Department to the Office of Behavioral Health in FY 2018/19. This proposed organization change is currently being reviewed. As the Public Fiduciary will likely remain under Public Defense Services in FY 2018/19, the proposed budget reverses this change. There is no resulting change in the function's net budget impact as this adjustment is simply a change in budget location. Bottom line budgeted revenue and expenditures associated with the Public Fiduciary function are unchanged.

As the result of the changes above, the proposed General Fund Budget Reserve is decreased \$1,379,333 from the recommended amount of \$40,585,880 to \$39,106,547.

After these adjustments, the General Fund's proposed tentative net expenditures are reduced \$62,000 from \$585,397,097 to \$585,335,097. Proposed tentative adopted General Fund revenues remain at the recommended \$554,510,772.

Other County Funds

Transportation Road Fund

Earlier in this memorandum, I indicated that the proposed tentative adopted budget would address all the options available to the Board of Supervisors in levying a new sales tax to fund arterial, collector and local road pavement preservation and repair as well as the possible continuation of the Transportation Road primary property tax. My recommended budget included the revenue and expenditures associated with the Board's possible approval of continuing the Transportation Road primary property tax. In order to cover the possibility of the Board levying a sales tax at its meeting of June 19, 2018, the current proposed tentative adopted budget also includes the following additional revenues for FY 2018/19:

-\$30,339,071 of partial year sales tax collections – If levied by the Board of Supervisors, actual collections will not begin until January 1, 2019 and the County will not receive any

of the sales tax proceeds until March 2019. No road related expenditures funded by the sales tax will occur in FY 2018/19. These expenditures will start in FY 2019/20. All revenue received from the proposed sales tax in FY 2018/19 will remain in the Transportation Road Fund until the actual road programs begin.

Attractions and Tourism

I proposed earlier in this memorandum to increase the General Fund support for the Job Path outside agency by \$62,000 to fund an expansion of the program's services. The General Fund now funds \$388,675 of the \$662,000 of Pima County funding to this agency. Attractions and Tourism's expenditure budget was increased by the \$62,000 of additional funding from the General Fund.

Community Development and Neighborhood Conservations Grants (CDNC Grants)

An additional \$900,000 was added to the CDNC Grants budget for new HOME funded projects. This funding will be provided to a community partner that will build and operate a partially grant-funded housing project.

Capital Projects Fund

FY 2018/19 expenditures in the Capital Projects Fund were increased by \$8,700,000 over the recommended budget. This change will allow the carryover of Transportation Road primary property tax funds collected in FY 2017/18 but not yet distributed to approved local pavement preservation and road repair projects in cities, towns and the unincorporated area. FY 2018/19 Capital Project Fund expenditures now total \$183,855,871.

Combined County Budget

If all recommendations contained in this memorandum regarding property tax rates are approved, the combined total County property tax rate is decreased \$0.1200 per \$100 of taxable net assessed value from the Fiscal Year 2017/18 combined rate. The combined levies produced by this rate will increase by \$5,151,899 or 1.07 percent from the current year. This combined rate decrease assumes that the Board of Supervisors continues to levy the \$0.2500 Transportation Road primary property tax.

The combined primary and secondary property taxes levied by the County fund 36 percent of the total County recommended expenditures.

The combined overall County Proposed Tentative Budget for Fiscal Year 2018/19 is \$1,353,627,134 and is \$86,554,779, or 7 percent, more than the current year and

\$129,087,362, or 9 percent, less than eleven years ago.

Prior to final adoption of the budget on June 19, 2018, I will transmit to the Board any other recommended adjustments to the Tentative Budget that may be necessary to incorporate the most recent information available to project this year's General Fund ending fund balance and next year's revenues and costs. I will develop any such recommended adjustments within the tax rates presented within the proposed tentative budget to the Board, which are the tax rates listed in the table below.

Recommended Fiscal Year 2018/19 Budgets and Tax Rates

The table below outlines both the FY 2018/19 budgets and tax rates I proposed in my original recommended budget and the proposed tentative amounts for Fiscal Year 2018/19 based on the information contained in this memorandum. Should the Board at the time of tentative adoption take action to increase County expenditures beyond those included in the Proposed Tentative Adopted Budget, the budget ceiling and/or the tax rate may increase above the amounts listed below.

The Transportation Road primary property tax is separate from the County's General Fund primary property tax, but the two primary property taxes are added together for purposes of collection, expenditure limit calculation and for Truth in Taxation hearing requirements. According to the State's Property Tax Oversight Commission, Pima County's neutral Fiscal Year 2018/19 Primary Levy is \$366,807,962. The combined General Fund and Transportation Property Road Tax primary levy being proposed is \$359,990,837. A neutral levy is defined by state statute as containing no increase that results from any increase in the value of existing property in the County due to market appreciation. **Under the proposed tentative primary property tax rate, as presented, the County will not be required to issue a Truth in Taxation Notice and hold a Truth in Taxation public hearing prior to the final budget adoption.**

In 2015, the State Legislature passed legislation making the County Library and Regional Flood Control Districts secondary property tax levies subject to Truth in Taxation requirements similar to the requirements already in place for the County's primary property tax levy as described above. The impact to each district is as follows:

The Library District's neutral secondary levy is \$41,561,124. The secondary levy being proposed is \$42,944,550. **Pursuant to statute, the Library District will be required to issue a Truth in Taxation Notice and hold a Truth in Taxation public hearing prior to the final budget adoption (Attachment 1).**

The Regional Flood Control District's neutral secondary levy is \$23,395,146. The secondary levy being proposed is \$25,266,454. **Pursuant to statute, the District will be required to issue a Truth in Taxation Notice and hold a Truth in Taxation public hearing prior to the final budget adoption (Attachment 2).**

Following the Board's adoption of the Tentative Budget, the County is required to publish the Tentative Budget in a format prescribed by the Arizona Auditor General. The budget, presented in the required format, is attached to this memorandum (Attachment 3).

Total County Revenue

As I indicated earlier in this memorandum, the proposed tentative adopted budget revenues are constructed to include both the revenue from the existing twenty-five cent Transportation Road primary property tax and a proposed sales tax for roads. Budgeting revenue in this manner allows the Board of Supervisors the flexibility to levy both taxes, one or the other tax, or neither tax in FY 2018/19. The Board's final decisions regarding these taxes may not be known until just prior to the final budget adoption on June 19, 2018.

The Honorable Chair and Members, Pima County Board of Supervisors
Re: **Tentative Budget Adoption: Fiscal Year 2018/19**
May 22, 2018
Page 9

Based on the above and other minor revenue adjustments, the County-wide proposed tentative adopted revenue budget totals \$1,141,466,773.

Recommendation

I recommend the Board of Supervisors tentatively adopt the Fiscal Year 2018/19 Budget as presented to the Board in the April 27, 2018 memorandum – Transmittal of Recommended Fiscal Year 2018/19 Budget and the updated proposed tentative adopted budget, including the changes described in this memorandum.

NOTICE OF TAX INCREASE

In compliance with section 48-254, Arizona Revised Statutes, Pima County Free Library District is notifying its property taxpayers of Pima County Free Library District's intention to raise its secondary property taxes over last year's level. Pima County Free Library District is proposing an increase in secondary property taxes of \$1,383,426 or 3.33%.

For example, the proposed tax increase will cause Pima County Free Library District's secondary property taxes on a \$100,000 home to be \$51.53. Without the proposed tax increase, the total taxes that would be owed on a \$100,000 home would have been \$49.87.

This proposed increase is exclusive of increased secondary property taxes received from new construction. The increase is also exclusive of any changes that may occur from property tax levies for voter-approved bonded indebtedness.

All interested citizens are invited to attend the public hearing on the tax increase that is scheduled to be held on Tuesday, June 19, 2018, at 9:00 a.m. or thereafter in the Board of Supervisors Hearing Room, Pima County Administration Building, 130 W. Congress, 1st Floor, Tucson, Arizona.
