Re: **October 2018 Blood Drive**

The next Pima County blood drive is scheduled for **October 23-24, 2018, 8 AM to 1 PM each day**. The American Red Cross will be receiving donors in the Public Works Building, Basement Conference Room C, 201 North Stone. Please encourage your staff to set aside time to give blood on one of the days listed.

During the August 21–22, 2018 blood drive, our goal was 58 units and we collected 51 units from the donors, potentially saving 153 lives. We also had 10 first-time donors! We hope to collect at least 55 units during the October 2018 blood drive. The American Red Cross has indicated a critical need for blood and platelet donations. There were 200 blood drive cancellations and 7,000 units of uncollected blood because of Hurricanes Michael and Florence in the southeast region of the United States and Low donor turnout is expected in this area. We hope to exceed our goal and do our part to help increase blood and palette supplies for those in need.

In an effort to reduce paper and printing supplies, we will be sending the attached flyer to every Pima County employee via electronic mail. **All donors are encouraged to call the American Red Cross (1-800-733-2767) directly to schedule their appointment.** Donors may also schedule appointments through **RedCrossBlood.org/Together**.

Thank you for your continued support of this important event.
