Re: **Humane Borders Water Station Vandalism and Arrest**

As part of the Operation Stonegarden (OPSG) grant conditions approved by the Board on May 7, 2019, under Recommendation d), the Sheriff was tasked with:

*"based on information regarding the deliberate vandalism of life saving water stations, request the Sheriff coordinate appropriate security review for Humane Borders water stations and investigate any vandalism of said stations, and request the County Attorney to prosecute anyone who vandalizes a Humane Borders water station."*

On August 5, 2019, Michael Lewis Arthur Meyer was arrested by the Sheriff as result of vandalism to Humane Borders water stations. The vandalism occurred on land owned or leased by Pima County. Humane Borders was given permission by the County to install the water stations on County-owned or leased property. This arrest by the Sheriff of the Humane Borders water station vandalism reaffirms the Sheriff's commitment to the approved conditions of the OPSG grant.
