Re: **March 2019 Blood Drive**

The next Pima County blood drive is scheduled for **March 27-28, 2019, 8 a.m. to 1 p.m. each day**. The American Red Cross will be receiving donors in the Public Works Building, Conference Room C (basement), 201 N. Stone. Please encourage your staff to set aside time to give blood on one of the days listed above.

During the January 30–31, 2019 blood drive, our goal was 58 units and we collected 54 units from the donors, potentially saving 162 lives. We also had four first-time donors! We hope to collect at least 55 units during the March 2019 blood drive, as the American Red Cross continues to indicate a critical need for blood and platelet donations, especially during extreme weather conditions.

In an effort to reduce paper and printing supplies, we will be sending the attached flyer to every Pima County employee via electronic mail. Donors are encouraged to call the American Red Cross (1-800-733-2767) directly to schedule their appointment. Donors may schedule appointments online at **RedCrossBlood.org** and enter sponsor code **pcdt**.

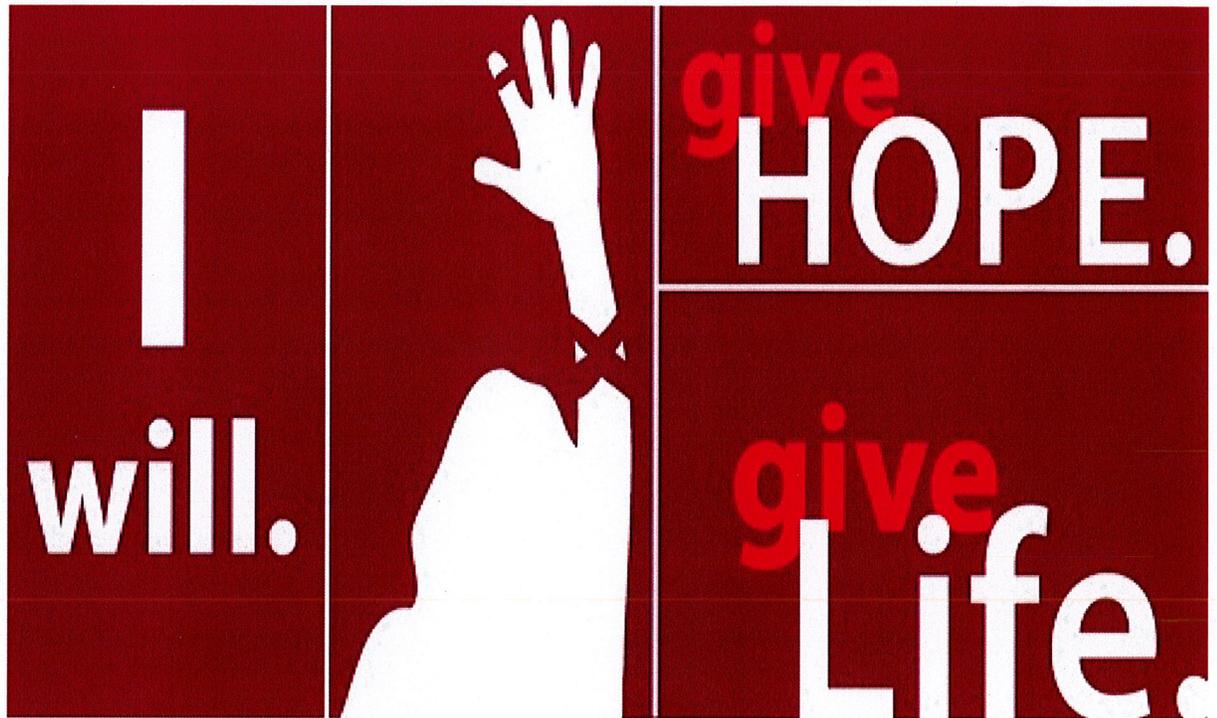

Thank you for your continued support of this important event.
