Re: **Naming of Canoa Hills Natural Resource Park**

According to Supervisor Steve Christy, he has received inquiries regarding a process to name the Canoa Hills Natural Resource Park. I assume the process is similar to others where the park name involves community input and specific recommendations from the Parks and Recreation Commission before Board of Supervisors consideration.

It would be helpful to convey to Supervisor Christy accepted process to develop a formal name for the natural resource park being developed at the former Canoa Hills Golf Course.
