Re: **Transition of Health Director and Appointment of Interim Director**

Health Director Marcy Flanagan informed me that she plans to leave the Pima County on June 7, 2019 to pursue another professional opportunity. Ms. Flanagan joined the Health Department in 2000 rising to the role of director in 2017. Her tenure oversaw the consolidation and growth of our now nationally accredited Health Department. She has distinguished herself regionally as the President of the Arizona Local Health Officers Association, and nationally on the Board of Directors for the National Association for City and County Health Departments.

I have appointed Bob England to serve as the Interim Health Director effective June 2019. Dr. England is a nationally respected public health leader. Most recently, he served for 12 years as director of the Maricopa County Health Department until 2018.

We will miss Marcy and wish her the very best. We welcome Bob's expertise in this interim role.
