Re: October 2019 Blood Drive

Thank you and staff for supporting the August 2019 blood drive. We potentially saved 177 lives! See the attached results.

The next Pima County blood drive is scheduled for **October 23-24, 2019, 8 a.m. to 1 p.m. each day** at the Public Works Building, Conference Room C (basement), 201 N. Stone. Please encourage staff to donate blood during this blood drive.

We hope to collect at least 59 units again during the October blood drive, as the American Red Cross continues to have a critical need for blood and platelet donations. All blood types are needed, especially the universally compatible blood type O, which doctors use most when unexpected trauma occurs and the victim's blood type is unknown.

The Communications Office will email a blood drive notification to Pima County employees. Donors, especially those with blood type O, are encouraged to call the American Red Cross (1-800-733-2767) directly to schedule their appointment. Donors may also schedule appointments online at **RedCrossBlood.org** and enter sponsor code **pcdt**, or call Lisa Matthews at 724-8396.

Thank you for your continued support of this important effort to save lives.
