# MEMORANDUM

Date: August 11, 2020

To: The Honorable Chairman and Members  
Pima County Board of Supervisors

From: C.H. Huckelberry  
County Administrator 

Re: **Board of Supervisors August 17, 2020 Meeting Agenda – Item 13 Off Track Pari-Mutuel Wagering Locations Union Public House, Reforma Modern Mexican, and Proof Artisanal Pizza and Pasta – 4340 N. Campbell Avenue**

Please see the attached letter I directed to the Arizona State Department of Liquor Licenses and Control highlighting a series of violations of the County's public health proclamation related to the spread of COVID-19 at Union Public House. (Attachment 1) This inspection occurred as a result of public complaints.

On Monday August 10, 2020, we received a media inquiry related to the number of complaints at the above mentioned establishments that may have violated the Governor's Executive Orders, the County's mask resolution or the County's proclamation for restaurant opening. The inquiry from the media provided a recent photograph (Attachment 2) and indicated they "received a number of photos and videos" regarding complaints at 4340 N. Campbell for lack of physical distancing or face mask use at these establishments.

Therefore, I recommend Item 13 on the Board's August 17, 2020 Agenda regarding the consideration of an off-track pari-mutuel wagering location be continued for 60 days to determine the degree of compliance by these establishments with County adopted and approved public health rules, policies, proclamations and resolutions.

Re: **Union Public House -4340 N. Campbell Avenue, Tucson, Arizona**

Dear Mr. Cocca:

Please see the enclosed Pima County inspection documents related to the Union Public House. This inspection occurred as a result of citizen complaints.

The report indicates several out of compliance requirements. More importantly, the observations describing the conditions are somewhat of concern. I suggest your agency review this facility. Recently, this facility applied for off-track betting license approval from the Pima County Board of Supervisors. It will likely be on our Board's Agenda on August 17, 2020.

Based on this inspection report and other known complaints, I will not be recommending the Board approve this site as an off-track betting location in Pima County.

Sincerely,

Patrons were observed entering and standing at bar, or taking previously occupied seating, with individuals and multiple parties standing immediately adjacent to each other. Bar population continued to increase, until persons were observed standing 2 and 3 persons deep. Walk around bar at 10:10 pm counted 41 persons standing and seating around bar, this number is actually larger, part of the bar could not be counted accurately as patrons were blocking access. Multiple booths were observed with back to back furnishings, all occupied (5 booths). Two booths had approx 12" booth back separation, two other booths approx 3" back spacing, two other booths had approx 5" patron spacing on shared booth bench seating.**

**Closing Comments:**

Original complaint: I visited this restaurant the evening of Friday, July 10th. There was indoor and outdoor seating available. The inside of the restaurant was completely PACKED. People were sitting right next to each other at the bar and the tables were NOT spaced out. There had to be 75+ people inside.

PIC Grant Krueger interviewed. Stated he has ordered signage to aid in facilities compliance which should arrive next week. Interviewed in quiet room and explained the violations of standing and crowding, lack of personal spacing, lack of spacing at booths, lack of sanitizing between customers at bar and lack of crowd control. Discussed Governor Executive Order 47 as it pertains to his facility. PIC asked to go to floor so specifics could be pointed out. Booth crowding and bar crowding were collectively observed as well as patrons standing up to 3 persons deep at bar.. Lack of sanitizing observed. PIC made no efforts to correct any violation. PICS questions include "can one person walk up to the bar and order? How many persons can walk up to the bar and order? What is the spacing for the bar orders when they are standing in line?" PIC told how other facilities are operating, host seating, no bar service. PIC stated hosts were only staffed sometimes.

PIC told that Health Department would return on the following day for reassessment.
