Re: **Anonymous Facebook Posts**

The County has received anonymous Facebook posts that employees within the Clerk of the Court's Office failed to observe the mask protocols required by the County. Please stress to your employees the importance of compliance. It is important that all levels of government including the Courts obey the law. The present law on the spread of COVID-19 is to simply to wear a mask, physically distance and not meet in large groups.

Any violations that continue to be reported to my office regarding this measure will be reported to the Presiding Judge of the Superior Court as well as the Administrative Office of the Courts requesting appropriate action to ensure that compliance is obtained.
