Re: **Employees Care About Pima County Extended Through December 18, 2020**

The 51st Employees Care About Pima County (ECAP) Campaign is officially being extended through December 18, 2020. It has been difficult on everyone throughout the Community due to Covid-19. Our Community needs a helping hand especially during these challenging times.

If you already pledged, Pima County Leadership and your Community thank you. If not, donating so is easy and can be done entirely online in less than five minutes at [ECAP Register](#).

Pledges are 100% voluntary and show how **County employees are together, "Pima County – United as a Community"** for all our neighbors.

You can donate through a bi-weekly or one-time payroll deduction [credit card accepted], or by cash/check through your department solicitors. If you need assistance, email ECAP@pima.gov.
