

MEMORANDUM

Date: November 23, 2020

To: The Honorable Chairman and Members
Pima County Board of Supervisors

From: C.H. Huckelberry,
County Administrator 

Re: **Libraries Open for Check Out Browsing and Computer Use**

As of last week, we had 25 libraries open. The El Rio Library has remained closed as it is located within a closed City of Tucson facility.

To provide adequate COVID-19 infection prevention, the libraries limit occupancy to 25 percent based on floor area. Body temperatures and wellness checks are required to be taken of all patrons and employees of libraries. Face masks are required at all times and time limits of no more than 30 minutes for computer use are in place. Sanitation measures, including sanitation of all computer stations after each use and physical distancing measures are being taken to minimize the possible spread of COVID-19.

To date, these measures are effectively working.

CHH/anc

c: Jan Leshar, Chief Deputy County Administrator
Amber Mathewson, Director, Library District
