Date: February 22, 2021

To: The Honorable Chair and Members  
Pima County Board of Supervisors

County Administrator

Re: **Consistent Vaccination Delivery at County Regional Vaccination Centers**

The County is able to consistently deliver over 6,000 vaccinations each day, which is more than the average daily vaccine supply (approximately 3,600 to 2,000 vaccines per day).

As the vaccine supply increases, we still have plenty of vaccination capacity to meet our Accelerated Vaccination Plan.
