To: The Honorable Chair and Members  
Pima County Board of Supervisors

From: C.H. Huckelberry

Re: **Departmental Contact List for Constituent Questions or Concerns**

Frequently, your office receives questions from constituents or you may have a question regarding an item on an upcoming Board agenda that can be easily answered by a member of the County staff.

While I ask that you continue to contact me regarding issues or concerns that may require significant staff work or may deal with issues the answers to which should be shared for the benefit of all members of the Board, the attached pages are provided for your ease in understanding who in what department might serve as the subject matter expert on a particular topic.
