Re: **Board of Supervisors January 19, 2021 Agenda Item 9 Regarding Merger of the County Fair Horse Racing Commission with the Natural Resources, Parks and Recreation Commission**

In the previous background information on this subject, we indicated the County Fair Horse Racing Commission will be merged into the existing Natural Resources, Parks and Recreation Commission as a subcommittee.

For further clarity, since there is misinformation circulating regarding horseman losing a voice in the operation of Rillito, I propose the subcommittee be formerly required by Board motion that the subcommittee consist of all of those who have an interest in the operation of Rillito and include the following:

- a member of the Rillito Park Foundation,
- a member of the Youth Soccer Community,
- a member of the Farmer's Market organization, and
- a member from the Horseman's Benevolent Protective Association.
