

MEMORANDUM

Date: July 22, 2021

To: The Honorable Chair and Members
Pima County Board of Supervisors

From: C.H. Huckelberry
County Administrator 

Re: **Kino Sports Complex and Service to the Community During the COVID-19 Pandemic**

Attached is a graph that has been provided by our Kino Sports Complex (KSC) staff that shows how the Complex has provided community service during the COVID-19 pandemic.

Early in this process, the primary service was related to the distribution of food and other supplies to disadvantaged communities by the Community Food Bank. The attached graph shows the number of encounters each month during this effort. In total, there have been 68,061 community food transactions conducted at KSC.

In addition, early on the Kino Event Center was converted into a COVID-19 testing center. Testing volumes are also indicated as the gray bars in the attachment. In total, 88,975 COVID-19 tests occurred at the Kino Event Center.

Finally, beginning in January 2021, the Kino Event Center was employed to provide COVID-19 vaccinations. The blue bars represent these activities and in total, 110,654 COVID-19 vaccinations were provided at the KSC facility.

It is important to understand the community support that KSC has provided to the COVID-19 pandemic since I will be asking the Board to provide revenue replacement for KSC, as allowed by current federal rules and regulations, due to the decreased volume of sport activities at KSC, which have been replaced by community service activities related to COVID-19.
