Re: Mobile Vaccination Clinics for Disadvantaged Communities – March 6, 2021 and March 7, 2021

The mobile clinics held over this past weekend were very successful. Please see the data below.

<table>
<thead>
<tr>
<th>Location</th>
<th>Vaccines Administered</th>
</tr>
</thead>
<tbody>
<tr>
<td>Flowing Wells High School</td>
<td>780</td>
</tr>
<tr>
<td>St. John’s Church (second shots)</td>
<td>494</td>
</tr>
<tr>
<td>Catalina Pointe Shopping Center Plaza</td>
<td>695 (including 24 homebound individuals)</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>1,993</strong></td>
</tr>
</tbody>
</table>

The total number of COVID-19 vaccinations for all of these clinics was 1993 and demonstrates our effectiveness at reaching disadvantaged populations in certain areas of our community. These mobile clinics will be accelerated with several additional being held this week and more on weekends.

Considering the previous mobile clinics at St. John’s, Rising Star Church and Christ Community Church, over 3,700 vaccines have been administered to members residing in disadvantaged or vulnerable communities.
