

MEMORANDUM

Date: September 1, 2021

To: The Honorable Chair and Members
Pima County Board of Supervisors

From: C.H. Huckelberry 
County Administrator

Re: **Latest on COVID-19 "I'm Vaccinated" Badge Statistics**

As of Friday, August 27, 2021, there were 4,103 County employees who are fully vaccinated, received an "I'm Vaccinated" badge and are eligible for the incentives provided by the Board of Supervisors of \$300 and three days of leave. (The attached list notes the number of cards requested by department. Adjustments are being made to accurately identify the number of current employees, eliminating, for example, the intermittent positions that distort the accurate vaccination rate for departments such as Elections and Natural Resources, Parks and Recreation, which have a higher rate of employees vaccinated than is stated on the attached list.)

The \$300 and leave incentive will be reflected directly in the paychecks of the 4,103 employees who have confirmed vaccination status through the "I'm Vaccinated" badge request form.

For those departments that have less than a 70 percent response rate, I will advise each agency director of the current status of their employees vaccination verification and ask them to redouble their efforts to ensure their employees have a clear understanding of the incentives and are able to provide the information necessary to receive an "I'm Vaccinated" badge confirming their vaccination status and eligibility for the incentives.
