

Board of Supervisors Memorandum

February 15, 2022

Alternative Work Schedules

Background

An important element to becoming a more competitive employer of choice is the creation of inclusive and flexible work arrangements. Providing work schedule options for employees not only ensures high quality service to the public, but also improves recruitment and retention efforts, enhance diversity efforts, and can result in cost savings through improved attendance and productivity. Therefore, I am recommending we implement an Alternative Work Schedule Administrative Procedure. (Attachment 1.) This procedure outlines available options for employees; however, the Appointing Authority will make the final determination as to what work schedules will be available to their employees based on the operational and business needs of their Department.

Currently, our time-keeping system is limited in the types of schedules that can be input in the system; however, staff are notifying our time-keeping vendor and will work towards implementation of broader options for non-exempt (hourly) employees. At such time that the system is upgraded, the procedure will be expanded to include more options for non-exempt employees.

Lastly, implementation of Alternative Work Schedules requires revisions to the definitions of "work schedule" and "work week" in Merit System Rule 1, which require Board of Supervisors approval. (Attachment 2)

Recommendation

I recommend approval of the Alternative Work Schedule Administrative Procedure and Merit System Rule 1 revisions.

Sincerely,

ADMINISTRATIVE PROCEDURES

Procedure Number: 23-XX

Effective Date: 02/XX/2022

Revision Date: _____

County Administrator

SUBJECT: **ALTERNATIVE WORK SCHEDULES**

DEPARTMENT RESPONSIBLE: **All County Departments**

I. STATEMENT

This procedure describes alternative work schedule options available to Appointing Authorities when setting work schedules for their employees. These options are in place to promote work-life balance, employee satisfaction, reduce our carbon footprint, and improve work productivity, and quality.

II. DEFINITIONS

Alternative Work Schedule (AWS): A term that includes any and all schedules that are outside of the standard work schedule for a particular position. Once established, an Alternative Work Schedule must remain fixed.

Appointing Authority: Department Director or Elected Official (or their designee).

Calendar Week: Sunday through Saturday.

Fair Labor Standards Act (FLSA): Establishes minimum wage, overtime pay, and recordkeeping standards affecting full-time and part-time workers in the private sector and in Federal, State, and local governments. An employee is either exempt or non-exempt from FLSA regulations.

Flex Day: The day in the work week the employee is off when working a 9/80 Exempt Schedule or when the employee is off four (4) hours when working a 9/80 Non-Exempt Schedule.

FLSA Exempt Employee: An employee who is not covered by the provisions of the FLSA. These employees are generally not entitled to overtime pay and are commonly referred to as salaried employees.

FLSA Non-Exempt Employee: An employee who must be paid for all hours worked in a work week, to include overtime pay for all hours worked over 40 in a work week. Commonly referred to as an hourly employee.

Pay Period: The two workweek cycle consisting of two calendar weeks, beginning at 12:01 a.m. Sunday and ending at 12:00 midnight the second (2nd) Saturday thereafter. The calendar year is divided into 26 pay periods.

Work Week: A fixed and regularly recurring period which is seven (7) consecutive 24-hour periods that may begin on any day of the week and at any hour of the day. The work week is the basis on which determinations of overtime compensation is made.

Short Day: The eight-hour day of the 9/80 Exempt Schedule.

Standard Work Schedule: The basic schedule for a position, as determined by the Appointing Authority. For example, Monday through Friday, 8:00 a.m. to 5:00 p.m., with a one-hour, unpaid, midday meal break.

III. AVAILABLE ALTERNATIVE WORK SCHEDULES

A. 4/10 Schedule

1. During the 40 hours in a work week, the employee will work four 10-hour shifts, and be off on the fifth day.
2. A 4/10 schedule may start at the beginning of any regular pay period or on any day in the work week as long as all four days of work are completed between the hours of 12:01 a.m. Sunday and 12:00 midnight the following Saturday.
3. A 4/10 schedule is available to both non-exempt and exempt employees.

B. 9/80 Exempt Schedule

1. During the 80 hours in the pay period, the employee will work eight 9-hour shifts, one eight-hour shift (“short day”), and be off on the tenth day (the “flex” day).
2. Exempt employees are not compensated on the basis of hours worked and may therefore begin the 9/80 Exempt Schedule at the beginning of any pay period.
3. The flex day must remain the same each pay period.

C. 9/80 Non-Exempt Schedule

1. During the 40 hours in the work week, the employee will work four 9-hour shifts, one 4-hour shift, and have 4 hours off (the “flex” day) on the remainder of the fifth work day.
2. Non-exempt employees are compensated on the basis of hours worked in a work week. Due to current constraints in the time-keeping system, non-exempt employees can only flex one-half day per work week.

3. The flex day must remain the same each work week.
4. Upon updating the current time-keeping system, the policy will be amended to provide a 9/80 schedule similar to exempt employees.

D. Other

1. Where an Appointing Authority has a specific AWS not identified within this procedure but which is better suited to their Department's business needs, the Appointing Authority may submit a request to Human Resources for an AWS.
2. Requests must be reviewed by Human Resources and the Department of Finance & Risk Management's Payroll Division for compliance with FLSA and compatibility with the time-keeping system.
3. Upon review and recommendation by Human Resources and the Finance Department, the County Administrator must provide final approval.

IV. RESPONSIBILITY

A. Department

1. An Appointing Authority will determine which of the AWS options, if any, are available to their employees. An AWS is entirely at the Appointing Authority's discretion.
2. An Appointing Authority must approve an employee's AWS.
3. An Appointing Authority must ensure that all business operations and services of their Department are available to internal and external customers during regular business hours (8:00 a.m. to 5:00 p.m.) and that the efficiency and effectiveness of the Department's operations is not adversely impacted. The utilization and assignment of AWS must not result in a change in a Department's regular hours of operation.
4. Appointing Authorities are responsible to ensure the fair and equitable administration of AWS and records must be maintained and followed under the Fair Labor Standards Act (FLSA) for every non-exempt employee.
5. Once established, an AWS cannot be changed absent extenuating circumstances and consultation with Human Resources. At no time can an employee change their flex day within a 9/80 schedule. Changing an AWS without Human Resources consultation may result in County Administration rescission of AWS.
6. An Appointing Authority may eliminate an AWS at any time; however, the Appointing Authority is required to rescind approval of an AWS where an employee fails to comply with the AWS. When this occurs, the rescission must take effect at the start of a pay period.

B. Employee

1. Once an employee has been notified that they are AWS eligible, the employee may request to work an AWS.
2. The employee is responsible for adhering to their approved AWS. Failure to do so may lead to revocation of the AWS and reinstatement of a standard work schedule.
3. Absent extenuating circumstances and approval of the Appointing Authority in consultation with Human Resources, the employee is not permitted to change their AWS once it has been established. Changing a flex day within a 9/80 schedule is not permitted. However, should the employee wish to return to a standard work schedule, they may do so with the approval of their Appointing Authority.
4. An AWS is a privilege, not an employee right.
5. An AWS is not appropriate for all jobs or all situations. The denial of an employee's request for an AWS is not grievable.
6. Noncompliance with the AWS agreement by the employee may result in rescission of the agreement and return to a standard work schedule. Should an agreement be rescinded for noncompliance, this action is not grievable.

V. ELIGIBILITY

Eligibility determinations are made by the Appointing Authority following the guidelines of this procedure.

VI. STANDARD GUIDELINES

- A.** The AWS will not go into effect until the beginning of the pay period after an AWS agreement has been signed by both the employee and Appointing Authority/designee. The signed agreement must be placed into the employee's Department Personnel File.
- B.** Unpaid meal breaks cannot be completely eliminated from the daily AWS. A minimum of a 30-minute unpaid meal break is required.
- C.** Supervisors must enter the employee's AWS into the time-keeping system.

VII. ALTERNATIVE WORK SCHEDULES AND USE OF PAID LEAVE**A. Sick Leave and Annual Leave**

Sick Leave will be administered in accordance with Personnel Policy 8-106 and Annual Leave will be administered in accordance with Personnel Policy 8-105. Sick and annual leave must be recorded for each scheduled work day an employee is on leave within that work week. If the employee is on an AWS, the employee must charge the appropriate amount of hours based on their regularly scheduled work day of the AWS. For example, if the employee is on an AWS and scheduled to work a nine (9) hour shift, they must charge nine (9) hours of leave, but not exceed their 40 hours for the work week.

B. Bereavement Leave

Bereavement Leave will be administered in accordance with Personnel Policy 8-107. Dependent on the circumstances, full-time employees may receive up to either 24 or 40 hours of bereavement leave. Bereavement leave must be recorded for each regularly scheduled work day an employee is on leave within that work week. If the employee is on an AWS, the employee must charge the appropriate amount of hours based on their scheduled work day. For example, if the employee is on an AWS and scheduled to work a nine (9) hour shift, they must charge nine (9) hours of leave. Similarly, if the employee does not have enough hours of bereavement leave to cover a full day's work, they would be required to supplement the remaining hours by their other available accrued leave, to include sick, vacation or compensatory time.

C. Holiday Pay and Holiday Benefit

Holiday pay and holiday benefit will be administered in accordance with Personnel Policy 8-102. Cesar Chavez Remembrance Day Leave will be administered in accordance with Personnel Policy 8-107. A full-time employee who does not work because of a holiday or Cesar Chavez Remembrance Day will receive eight (8) hours of pay for the holiday or remembrance day. If the employee is on an AWS, the employee must charge the additional time to their available accrued vacation leave or compensatory time to supplement the remainder of the scheduled work day, if they are scheduled to work more than eight (8) hours.

VIII. TEMPLATES

Schedule and agreement templates are available from Human Resources Employment Rights.
