Re: Redistricting Update

The Redistricting Advisory Committee is now fully appointed and includes the following representatives:

- Steve Lynn, District 1
- Dr. Sylvia Lee, District 2
- Larry Hecker, District 3
- Frank Antenori, District 4
- Dr. Augustine Romero, District 5

Attached is the agenda for the first meeting to be held virtually on Wednesday, February 2, from 4-6pm, as well as information on how to watch the meeting and/or speak during the public hearing. Meeting materials have been posted to www.pima.gov/countryredistricting. Stakeholders have been notified. Communications will be promoting these meetings via press releases, the County newsletter and social media.

IT continues to work with a contractor to develop a Pima County page on a platform called DistrictR, which will be used during Committee meetings to show map options and corresponding data, and will also allow the public to draw their own maps. Development of the page was delayed due to recent actions by the Arizona Independent Redistricting Commission that split voter precincts. Voter precincts are the building blocks for County redistricting. The Elections Department is asking the Board to approve precinct line adjustments at the Board’s February 1 meeting, which if approved, will then transmitted for inclusion in this map site.
