

MEMORANDUM

Date: March 14, 2022

To: The Honorable Chair and Members
Pima County Board of Supervisors

From: Jan Lesher 
Acting County Administrator

Re: Appointment of Pima County Finance Director Ellen Moulton

I am pleased to announce the appointment of Ellen Moulton as the Finance and Risk Management, Department Director, effective July 3, 2022.

Ms. Moulton has been with Pima County since 2000 when she joined as the Chief Financial Officer of Kino Community Hospital. Following the lease of the hospital to University Medical Center, Ms. Moulton joined Pima County's Finance and Risk Management Department. Ms. Moulton held the position of Deputy Director for 14 years, managed a number of divisions and assisted with the overall financial analysis and risk management for the County.

In 2018, Ms. Moulton was tapped to serve as the Director of the newly created Analytics and Data Governance (ADG) Department. Ms. Moulton leads a team tasked with providing Pima County reliable information, analyses, and insights. Pima Insights and Reports and Power BI are tools developed by the ADG Department that allow full and unfiltered access to myriad data.

Ms. Moulton is a champion of data-driven financial decisions and is committed to digital innovation to hold down costs while maintaining and improving service delivery to County constituents.

Ms. Moulton will assume the role following the retirement of Michelle Campagne. As noted in my Memorandum of January 31, 2022, Ms. Campagne will join the County Administrator's Office where she will provide policy support, research and advice related to the County's complex financial operations.
