

MEMORANDUM

Date: April 5, 2016

To: The Honorable Chair and Members
Pima County Board of Supervisors

From: C.H. Huckelberry
County Administrator 

Re: **Arizona Associated General Contractors State Transportation Funding Concerns**

Attached is email correspondence I recently received from the Arizona Chapter of the Associated General Contractors of America. The email indicates the Arizona Legislature may still be considering a \$108 million shift in Highway User Revenue Funds (HURF) to the State's General Fund and encourages contacting State Legislators to "...voice your opposition to a HURF transfer."

Clearly, the largest construction trade association in the nation believes the State's sweeps of HURF monies is harming the transportation infrastructure of the state, as well as Arizona's counties, cities and towns.
