# Board of Supervisors Memorandum

---

Date: December 24, 2014

To: The Honorable Chair and Members  
Pima County Board of Supervisors

From: C.H. Huckelberry  
County Administrator

A handwritten signature in black ink, appearing to read "CH Huckelberry", is written over the printed name of the County Administrator.

**Re: Banner Health Proposed Assumption of Agreements between Pima County and University Physicians and University of Arizona Medical Center**

## Background

In a Memorandum dated July 1, 2014, I told the Board of Supervisors that the University of Arizona Health Network (UAHN) (formerly University Physicians) and the Arizona Board of Regents (ABOR) had entered into exclusive negotiations with Banner Health. In that Memorandum I noted that the University of Arizona Medical Center – South Campus (UAMC-SC) had come a long, long way since Pima County first transitioned out of the direct operations of the hospital in 2004 and that I was optimistic the collaboration with Banner Health will provide for the long-term stability of the hospital operations.

During these intervening months representatives of UAHN, Banner and the University of Arizona have conducted exhaustive negotiations covering all aspects of operations including clinical operations, academic management, care management, human resources, and branding in addition to a wide array of legal and financial considerations. Those negotiations are nearing completion and the purpose of this Memorandum is to convey to the Board of Supervisors the proposed amendments to the lease agreement and Intergovernmental Agreement (IGA) (attached) and to delineate why such a transfer is in the best interest of the people of Pima County.

## Transition of Kino Community Hospital to University of Arizona Medical Center - South Campus

Pima County continues to strengthen its commitment to and support for the health and welfare of the residents of this community. In 1974, Pima County voters approved bond funds to replace the County General Hospital with a new hospital on Ajo and Country Club. The Kino Community Hospital as operated by Pima County struggled to provide comprehensive care while experiencing operational losses in the millions per year occasioned in part by the challenges posed by the state Medicaid system. In order to maintain proper stewardship of County resources and provide quality health care in the area served by Kino Community Hospital we entered into a collaboration with University Physicians, Inc. and University of Arizona Health Network.

In June 2004, the Pima County Board of Supervisors voted for the County to cease the operation of the hospital, and transfer the state license to University Physicians, Inc. (UPI), the physician faculty practice for the University of Arizona, College of Medicine. Under this agreement, the County would lease Kino Community Hospital to UPI and monitor service utilization and growth initiatives. UPI operated the hospital under its property lease with the County using various names for the hospital from June 16, 2004 until June 2010.

In June 2010, the clinical practices, hospitals and health care plan affiliated with the University of Arizona reorganized into the University of Arizona Health Network (UAHN). UAHN operates two hospitals now known as the University of Arizona Medical Center – South Campus (UAMC-SC) and the University of Arizona Medical Center – University Campus (UAMC-UC), as well as the provider based clinics and related services.

Now renamed UAMC-SC, the Kino Community Hospital has become a modern full-service teaching facility, training the next generation of health care professionals while providing state of the art trauma, surgical, general medicine and behavioral health services to the residents of Pima County. Working in partnership with Pima County, UAHN has been the recipient of new federal funds, expanded the array of clinics providing services to local residents, and has greatly increased graduate medical education fellowships.

#### UAMC-SC Patient Service Volume

Table 1 below shows the improvement in patient and service volume and from Fiscal Year 2003 through Fiscal Year 2014 (revised and updated from memo Amendment to Intergovernmental Agreement with Arizona Board of Regents and The University of Arizona Health Network, Inc. dated May 13, 2014).

**Table 1: UAMC-SC Patient Volume Comparison - FY 2005 to FY 2014**

Category	FY 2005	FY 2014	Change	% Change
Adjusted Patient Days	39,440	88,312	48,872	124%
Total Average Daily Census (ADC)	65	116	51	78%
ICU ADC	2	8	6	300%
Medical/Surgical ADC	13	52	39	300%
Behavioral Health ADC	50	56	6	12%
Total Clinic Visits	48,830	164,746	115,916	237%
Total Emergency Dept. Visits	30,356	43,032	12,676	42%
Total Surgical Procedures	662	3,538	2,876	434%

As shown, there has been significant growth across several sectors of the hospital, especially in surgical volume, clinic visits and medical/surgical patient admissions. The hospital now includes a renovated and expanded emergency department, a Level IV Trauma Center operating in conjunction with the Level I Trauma Center at UAMC-UC, and

a newly opened medical/surgical inpatient ward which has significantly expanded patient capacity at the facility.

Proposed Transfer of Lease and Intergovernmental Agreement Governing University of Arizona Medical Center – South Campus to Banner Health

For the past decade Pima County has contracted with the University of Arizona either as University Physicians, Inc. or the University of Arizona Health Network (UAHN) to operate UAMC-SC. In addition, Pima County participates in an Intergovernmental Agreement (IGA) to leverage local dollars as a match, which allows the hospital to receive significant federal dollars to benefit our community.

Banner Health Profile

Banner Health is a nonprofit corporation based in Phoenix, Arizona, that operates, owns or leases hospitals, clinics, nursing homes, clinical laboratories, home health agencies, health insurance and other health-related businesses in seven states. In 1999, Lutheran Health Systems, based in North Dakota, and Samaritan Health Systems, based in Phoenix, merged to form Banner Health. The resultant corporation has over 36,000 employees and operates 24 hospitals. Banner Health also operates Banner Medical Group, a 1,000+ physician group, and Banner Health Network, a 300,000 member insurance and managed care organization.

Banner operates 15 hospitals in Arizona as well as 3 research locations and 6 outpatient or specialty care centers. Of the eight Arizona Banner hospitals rated by Hospital Safety Score, four have received "A" rankings while 2 others received "B" scores.

The 2013 financial report for Banner Health shows \$8.2B in total assets, an increase of over \$600M from the previous year. This includes \$133M in cash or equivalent, and receivables in excess of \$500M for the year ending 12/31/2013. Total liabilities are listed at \$3.9B, the majority of which is long-term debt, down from \$4.1B in 2012.

For 2013, expenses (\$4.8B) account for 95% of operating revenue (\$5.1B), but with nearly \$600M in investment income, there was a net gain of \$843M (\$433M in net cash from operations). This gain is an increase of 25% over 2012 figures. Patient service revenue exceeded \$4.4B, a slight gain over the previous year. The "net community benefit" (unpaid public programs, community and professional activities, contributions, etc.) for Banner Health in 2013 was \$444M.

Recently, Banner acquired Casa Grande Regional Medical Center (CGRMC), a 177-bed facility that had recently entered bankruptcy proceedings (December 2013), on June 9, 2014. There is no publically available information on the retention of

CGRMC staff, though the newly re-launched website does suggest maintenance of employment and a news article dated February 6, 2014, quotes Banner as promising to hire all existing employees provided they pass background screening. The facility has been renamed Banner Casa Grande Medical Center following the acquisition. The cost of the acquisition is a reported \$87M. Banner Health has maintained a strong commitment to providing health care services in Arizona, and their proposed expansion to Pima County suggests a continued focus on building their network in the state.

#### Status of Banner in Pima County

The UAHN – Banner merger has received a number of letters of public support throughout Pima County. Among the community leaders submitting support are the Arizona Board of Regents, community health care providers such as Tucson Medical Center and El Rio Community Health Center, and community organizations such as the Pima Community Access Program.

This merger is a strategic step to increase access to health care for the Pima County residents while leveraging the operational expertise of an established hospital network and capital resources. The merger between UAHN and Banner Health will provide an innovative, state-wide, comprehensive health care delivery capacity that will inherently promote and strengthen the health outcomes of the people of Pima County and the state of Arizona.

The following entities or agencies require approval or notifications pursuant to this merger:

- The UAMC Board has provided required approval;
- The Banner Board has provided required approval;
- AHCCCS authorized transfer of the health plan;
- ADHS must be notified regarding the change in licensure for the facility;
- All other entities (e.g. third-party payers, vendors and contractors, etc.) are to be notified of the change in name/identification but do not have to otherwise authorize the transition.

The merger is slated to take effect before the end of January 2015.

#### IGA Amendment between Pima County and ABOR for UAMC-SC: Public/University Private Collaborative Initiative

The IGA negotiation process outlined the priorities for the furtherance of the goals and objectives of UAHN and Pima County, increasing the access to care within our community and promoting financial viability and sustainability of the hospital and its associated impact to Pima County residents. Per the outlined requisites of the IGA, the hospital leadership and County staff worked with the leadership of UAHN and both hospitals to develop the proposed amendment to the IGA that affirms the parties' commitment to several tenets and guiding principles.

**A. Efficient and Effective Service Delivery & Training of the Healthcare Workforce**

As part of this IGA, UAHN has committed to continue development of the health care workforce by maintaining University of Arizona College of Medicine training collaborative, expanding cross-specialty collaboration, and increase resident physician retention programs. This commitment to health professional workforce development will continue to improve access to care in Pima County and provide sustained economic benefit to the community.

**B. Public Health and Community Wellness**

UAHN has renewed its commitment to continue integration of behavioral and medical health care and provide a more comprehensive service delivery system for Pima County residents. Additionally, UAMC-SC will be developed as a Behavioral Health Center of Excellence, improving patient outcomes and operational efficiencies, maximizing benefit to the community. As the main Pima County partner in the delivery and management of Title 36 evaluation and treatment, UAHN has committed to maintaining its status as the behavioral health hub for the community and developing programs that divert individuals from involuntary treatment to more cost- and outcome-effective options.

Further, UAHN has committed to explore opportunities to develop or enhance programs that positively impact the community access to care and other healthcare needs, as well as continuing to cooperate with first responders to improve timely emergency care.

**C. Accountability and Transparency**

Funding distribution is tied to compliance with operational and financial reporting requirements for UAMC-SC and UAHN. Regular meetings will continue between the County, UAHN and UAMC-SC leadership and key staff to review the financial status of the hospital and discuss operational or strategic developments and initiatives that improve the value of the facility to the Pima County community.

**D. Financial Viability and Sustainability**

The independent financial viability of UAMC-SC will remain a priority, and performance improvement will be assessed by key indicators including, but not limited to, daily census, patient mix, staffing costs, service utilization, operating revenue and expenditures, and third party payer contracting. The identification and monitoring of external revenue streams will continue to be a priority, particularly as regards allocation of matching funds for state and federal programs.

Should the Board approve the assignment of the agreements to Banner Health, the facility and leadership will be held to these tenets and operational priorities through the IGA as originally developed.

#### Federal Funds Generated from Local Match Initiatives and Community Impact

Pima County and Arizona Health Care Cost Containment System (AHCCCS) have entered into two IGAs to secure federal funds from the Centers for Medicare and Medicaid within the United States Department of Health and Human Services. This infusion of federal funds allows the preservation of programs such as Graduate Medical Education (GME) and Disproportionate Share Hospital funding (DSH). Pursuing the local match initiatives with UAHN and AHCCCS supports the County's commitment to expanded access to care, a healthy community and expanded economic development. These initiatives promote a high standard of care in the community and play a vital role to the health and wellness of Pima County.

Nationwide, GME programs are linked to a documented increase in physician retention in the communities providing this training. The likelihood of a physician remaining in the state where they completed a GME program is 23% higher than a physician remaining in the state where they solely completed medical school. Development of residency programs and GME funding systems are cited as key initiatives to address physician shortages and retain doctors trained in the state. The American Medical Association estimates that Arizona needs an additional 850 to 885 residency trainees, approximately 300 of which should be primary care residents, in order to meet national standards for care.

DSH initiatives are federal funds meant to offset a portion of the rapidly increasing indigent care costs. AHCCCS processes a local match for Pima County investment dollars potentially yielding a 2:1 match ratio to protect hospitals and promote access to care initiatives by creating a safety net for our hospitals.

Banner Health's merger with an academic enterprise further promotes the continued integration of Graduate Medical Education and clinician training, enhancing the development and retention of qualified providers throughout Arizona and particularly in medically underserved areas.

#### Continued County Commitment for UAMC-SC

The "not to exceed" funding for this IGA amendment is set and budgeted at \$30 million. This amount includes base funding of \$15 million per year for FY2015 and FY2016.

Release of base funding is contingent upon continued submission of regular and special reports for review by the County Administrator. Once approved, payment will be issued.

Funding distribution is tied to compliance with operational and financial reporting requirements for UAMC-SC and UAHN. Regular meetings will continue between the County and merged entity leadership with key staff to review the operational and financial

The Honorable Chair and Members, Pima County Board of Supervisors  
Re: Banner Health Proposed Assumption of Agreements Between Pima County and  
University Physicians and University of Arizona Medical Center  
December 24, 2014  
Page 7

status of the hospital and discuss strategic developments and initiatives that improve the value of the facility to the Pima County community.

The IGA between Pima County and ABOR for shared funding of GME is contingent upon the continuance of the GME program at the facility following any merger. Should the IGA be terminated, it would result in the dissolution of the lease agreement.

Should the lease be terminated for any reason, a bid process would be required to allow another entity to operate the facility and maintain compliance with local, state and federal regulations.

#### Recommendation

Under the terms of the lease, the lessee (UPH) is prohibited from assigning the lease to any other entity. Thus any merger or acquisition with the intent of operating the UAMC-SC facility would require the agreement of the County as the sole authority to assign the lease to a new organization. Under no circumstance may the lease be assigned to a for-profit entity; however Banner Health is currently incorporated as a non-profit entity and will be the controlling entity of hospital operations.

The IGA between Pima County and the Arizona Board of Regents (ABOR) for shared funding of Graduate Medical Education (GME) is contingent upon GME continuing at the facility following any merger or acquisition. Should the IGA be terminated for any reason, clauses therein will trigger the immediate dissolution of the lease agreement.

I recommend approval of the transfer of the lease agreement and IGA to Banner Health. As described above, the hospital continues to increase patient service, train a new generation of Pima County health care professionals, and improve the health of the community. Pima County staff will continue to monitor the operations of the hospital as they have during the period of sustained improvement under the partnership with the University and physician practice organizations, and Banner Health will be held to rigorous standards as befits an agency receiving Pima County funding.

**CONSENT TO ASSIGNMENT TO A NEW ENTITY OF LEASE AGREEMENT**

Contact Person: GARRETT L HANCOCK Department: HEALTH Telephone: 724-7833

**CONSENT TO ASSIGNMENT  
(LEASE AND INTERGOVERNMENTAL AGREEMENT)**

This Consent to Assignment (this “*Consent*”) is made and entered into as of January \_\_\_\_, 2015 (“*Consent Effective Date*”), by and among Pima County, a political subdivision of the State of Arizona (the “*County*”), University Physicians Healthcare, Inc., an Arizona nonprofit corporation (“*UPH*”), [REDACTED] LLC, an Arizona limited liability company (the “*UAHN Assignee*”) and The University of Arizona Health Network, Inc., an Arizona nonprofit corporation (“*UAHN*”).

**RECITALS**

A. The County and UPH are parties to an Amended and Restated Lease Agreement, dated June 21, 2011, as subsequently amended, a copy of which is attached as **Schedule A** to this Consent (the “*Lease*”), pursuant to which the County leases certain real property to UPH, including a hospital facility which UPH operates as the University of Arizona Medical Center – South Campus (the “*Hospital*”) (collectively, the “*Premises*”).

B. The County is also a party to an Agreement, dated June 15, 2010, as subsequently amended, a copy of which is attached as **Schedule B** to this Consent, among the County, UAHN and the Arizona Board of Regents, a public body corporate, acting on behalf of the University of Arizona, relating to the operation and funding of the Hospital as part of the University of Arizona College of Medicine Graduate Medical Education Program (collectively, the “*IGA*”).

C. Section 7 of the IGA provides that the County will consent to an assignment of the Lease, or sublease of the Hospital building, from UPH to UAHN or a UAHN subsidiary if requested by UAHN.

D. The UAHN Assignee is a sole member limited liability company subsidiary of UAHN.

E. UAHN is requesting that the County provide the County’s consent to the assignment of UPH’s right, title and interest under the Lease to the UAHN Assignee (the “*Proposed Lease Assignment*”).

F. In addition, UAHN has entered into a Principles of Agreement, dated June 21, 2014, whereby (1) UAHN intends to merge into Banner Health, an Arizona nonprofit corporation (“*Banner Health*”), and (2) UMCC, a sole member nonprofit corporation subsidiary of UAHN, intends to merge into [REDACTED] LLC, an Arizona limited liability company (collectively, the “*Proposed Merger*”).

G. In anticipation of the Proposed Merger, UAHN requests the County’s acknowledgement that Banner Health will assume UAHN’s obligations under the IGA by virtue of UAHN’s merger into Banner Health, and the UAHN Assignee requests the County’s consent to certain changes set forth in this Consent that the UAHN Assignee desires to implement as of the effective date of the Proposed Merger (the “*Merger Effective Date*”).

## AGREEMENT

### 1. Consent to Assignment.

a. Pursuant to Section 19 (Assignment and Subletting) of the Lease and Section 7 (Lease) of the IGA, at UAHN's request, the County hereby consents to the Proposed Lease Assignment, including the UAHN Assignee's assumption of UPH's obligations under the Lease, and acknowledges and agrees that such assignment will not be deemed an event of default under Section 24.1.3 (Exempt Status) of the Lease. The County further waives any and all of the County's right under Section 24.1.3 (Exempt Status) of the Lease to require the UAHN Assignee to maintain status as an exempt organization within the meaning of Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (it being understood, however, that the sole member of the UAHN Assignee shall maintain status as an exempt organization within the meaning of Section 501(c)(3) of the Internal Revenue Code of 1986, as amended). The terms and conditions of the Lease shall be binding on the UAHN Assignee following such assignment as if it were the original tenant thereunder. If for any reason, the Proposed Lease Assignment does not occur, UPH's interest in the Lease will be retained by UPH.

b. The County does hereby covenant, represent and warrant to the UAHN Assignee as follows:

- (i) The Lease has not been altered, supplemented, amended or modified in any manner whatsoever, except as indicated on **Schedule A** attached hereto. The Lease is in full force and effect and constitutes a valid and binding obligation of the County, enforceable against the County in accordance with its terms.
- (ii) None of the County or, to the County's best knowledge, UPH is in default under the Lease and no event which, with the passage of time would become an event of default, currently exists.
- (iii) All rental payments and other obligations of UPH under the Lease due or owing on or prior to the Consent Effective Date have been paid, performed or satisfied in full.
- (iv) The term of the Lease will expire on June 16, 2029. UPH has not exercised any of the options to renew granted in the Lease.
- (v) Base rent due under the Lease is Ten Dollars (\$10) per year, payable in annual installments on July 1 each year. UPH is not obligated under the Lease to pay any other rent, escrows, charges or fees to the County on a regular basis.

### 2. Additional Consents (Proposed Merger).

a. IGA. The County acknowledges that as of the Merger Effective Date, the Proposed Merger will result in UAHN merging into Banner Health, with Banner Health being

the surviving entity of the Proposed Merger, and, as such, the terms and conditions of the IGA shall be binding on Banner Health following such merger as if it were UAHN.

b. Signage and Name Change. Pursuant to Section 16 (Name Change) of the Lease, the County hereby consents to the UAHN Assignee's use of the new name, "[REDACTED]" in its operation of the Premises on and after the Merger Effective Date. Pursuant to Section 15 (Signs) of the Lease, the County permits the UAHN Assignee to affix and maintain on the Premises such signs, names, insignia, trademarks and descriptive materials to reflect such change in name and the UAHN Assignee's operations on and after the Merger Effective Date, including those insignias and trademarks attached to this Consent as **Schedule 2.b**.

c. Insurance. Pursuant to Section 21 (Insurance) of the Lease and Section 12.2 (Insurance) of the IGA, the County hereby consents to the insurance policies which the UAHN Assignee anticipates obtaining on and after the Merger Effective Date through certain third party insurers, or through self-insurance, as identified on **Schedule 2.c** of this Consent.

3. Entire Agreement. This Consent constitutes the entire agreement of the parties with respect to the subject matters set forth herein and supersedes all other prior agreements and understandings, both written and oral, with respect to the subject matters hereof. This Consent may be modified or amended only by a written agreement executed by all parties to this Consent.

4. Severability. If any court of competent jurisdiction holds any provision of this Consent invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions of this Consent shall not in any way be affected or impaired thereby.

5. Counterparts. This Consent may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. This Consent may be executed by facsimile or electronic signature (including signatures in Adobe PDF or similar format).

6. Governing Law. This Consent shall be construed and governed by Arizona law. This Consent shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.

*Amended and Restated Lease Agreement between Pima County and UA Healthcare, Inc.,<sup>1</sup> for Kino Hospital Campus [Pima County Contract 04-65-U-134151-604-07], dated June 21, 2011 for reference purposes*

*First Amendment to the Amended and Restated Lease Agreement between Pima County and University Physicians Healthcare for Kino Hospital Campus [Pima County Contract #CT FM 12\*2152], executed by Pima County August 20, 2012*

*Second Amendment to Amended and Restated Lease Agreement between Pima County and University Physicians Healthcare for Kino Hospital Campus [Pima County Contract FM 12\*2152], dated January 2014 for reference purposes, and executed by Pima County May 13, 2014*

---

<sup>1</sup> Though “UA Healthcare, Inc.” appears in the document’s title, the lease is actually with University Physicians Healthcare as tenant. UA Healthcare, Inc., signed only for the purpose of indicating its consent to the lease.

## AGREEMENT

IN WITNESS WHEREOF, County and UPH have executed this Amendment as of the date and year indicated below.

1. Reimbursement for Capital Improvements.

1.1. Except as provided in Section 2 below, in the event the Lease is terminated pursuant to Section 3.5 of the Lease, County will reimburse UPH up to but not in excess of \$2 million for the actual cost of capital improvements made by UPH to the Premises between August 1, 2014, and June 30, 2016. The reimbursement amount will be reduced at a depreciation rate of 20-percent per year from the date the improvement is substantially complete. The reimbursement shall be made within thirty (30) days of UPH's written request for payment.

1.2. In order for an improvement to be eligible for reimbursement, UPH must obtain the County's prior written approval of the improvement even if not otherwise required pursuant to Section 17.1 of the Lease. UPH must also provide the County with documentation substantiating the actual cost of the improvements at the same time UPH provides the County with as-built drawings pursuant to Section 17.2 of the Lease. All other provisions of Section 17 regarding improvements apply as written to such improvements.

2. Geriatric Psych Improvements. No reimbursement will be made pursuant to Section 1 above for improvements to the geriatric psychiatric section of the Hospital for which the County provides funding pursuant to the IGA. All provisions of the Lease will apply fully to any such improvements, and UPH will be responsible for those improvements, regardless of whether the funding is provided to ABOR or UAHN, or directly to UPH at the direction of ABOR or UAHN.

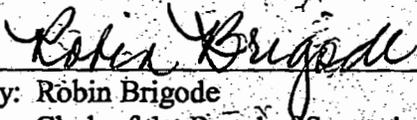

3. Lease. The Lease remains in full force and effect as modified by this Amendment.

<b>CONTRACT</b>
NO. <u>CT-FM-12000000000000000000 2152</u>
AMENDMENT NO. <u>09</u>
<small>This number must appear on all documents pertaining to this contract.</small>

**FIRST AMENDMENT TO THE AMENDED AND RESTATED LEASE AGREEMENT  
BETWEEN PIMA COUNTY AND UNIVERSITY PHYSICIANS HEALTHCARE  
FOR KINO HOSPITAL CAMPUS  
[PIMA COUNTY CONTRACT #CT FM 12\*2152]**

This First Amendment to the Amended and Restated Lease Agreement (the "Restated Lease"), is made and entered into by and between Pima County, a political subdivision of the State of Arizona ("County" or "Landlord") and University Physicians Healthcare, an Arizona non-profit corporation formerly known as University Physicians, Inc. ("Tenant" or "UPH").

**RECITALS**

A. Landlord and Tenant previously entered into a lease, dated April 27, 2004, pursuant to which Landlord leased to Tenant and Tenant leased from Landlord certain premises more fully described therein, including a hospital facility in which the County formerly operated Kino Community Hospital (the "Hospital"), and in which UPH continues to operate the Hospital. The lease was amended several times and then restated by the parties pursuant to that certain Amended and Restated Lease Agreement dated June 21, 2011.

B. The Restated Lease includes the newly constructed Behavioral Health Pavilion and furniture fixtures and equipment owned by Pima County, in addition to the original hospital building and the Heliport. The Restated Lease provides, in Section 4.4, that certain furniture, fixtures and equipment in the BHP, which was provided by the County, can be used by Tenant but remains the property of the County.

C. The Landlord is now constructing improvements on the 2nd floor of the Hospital for a gastrointestinal lab ("GI Lab") as shown on Exhibit A and installing in the GI Lab the fixtures, furniture and equipment listed on Exhibit B to this First Amendment (the "GI Lab Property").

**AGREEMENT**

Landlord and Tenant agree to modify the terms of the Restated Lease as follows:

1. The GI Lab Property will be treated for all purposes as part of the "County Property" within the meaning of Section 4.4 of the Restated Lease, and the provisions of that section will also apply to the GI Lab Property.
2. The provisions of Section 18.2 of the Restated Lease will apply to the GI Lab improvements. In particular, Tenant acknowledges that for some period of time warranties will be in effect with respect to the new GI Lab, and before undertaking any repairs in the GI Lab, Tenant will coordinate with Landlord to make sure that these warranties are utilized, and that nothing is done that might void them.

All other terms and conditions of the Restated Lease remain unchanged.

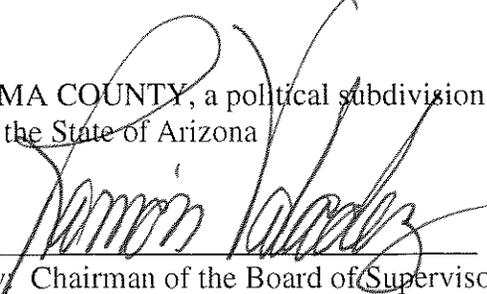

IN WITNESS WHEREOF, Landlord and Tenant have executed this Amendment as of the date and year first written above.

H. In connection with the Original Lease, UPH purchased furniture, fixtures, equipment and supplies in the Hospital Building, and agreed to pay for it over a ten year period. Three payments of \$249,048.40 each remain, to be paid on December 1 of 2011, 2012, and 2013.

I. The County has constructed, at public expense, various capital improvements (together with some associated furniture, fixtures, and equipment) to the UPHH campus, including a new heliport for medical transports to and from the Hospital (the "Heliport"); a new behavioral health in-patient facility, the Behavioral Health Pavilion (the "BHP") adjacent and connected to the original Hospital Building, which includes an emergency room, specially designed space referred to as the psychiatric emergency area, an outpatient clinic on the first floor, two 24-bed inpatient units on the second floor, administrative offices on the third floor, and shelled space for two 24-bed units on the third floor; and a new building (the "CRC"), physically connected to the BHP by a covered walkway, that has been constructed to house a psychiatric urgent care crisis center on the first floor and a sub-acute behavioral health in-patient facility on the second floor, to be operated by the Regional Behavioral Health Authority and/or its designated contractor. This Lease does not lease the CRC to UPH. Rather, the CRC lease shall be a separate lease between the County and the RBHA and/or its designated contractor, not UPH. Various systems in the CRC operate from the BHP central plant.

J. Arizona and Pima County are faced with a healthcare workforce shortage limiting community access to healthcare. Revitalization of the Health Campus would provide a site for training of a much-needed professional healthcare workforce, including physicians, nurses and pharmacists. Through cooperation with Pima Community College as well as the University of Arizona, School of Public Health and School of Government and Policy and other colleges such as the Colleges of Medicine, Nursing and Pharmacy, operations on the Health Campus could also support other public health and health administration programs, all of which will ultimately improve the community's access to quality healthcare.

K. It is therefore in the best interests of the County and its residents for UACOM, UAH and its subsidiaries to succeed in maintaining, expanding, and further integrating the teaching and clinical operations at UMC and UPHH, creating a unified educational and clinical system that maximizes economic and healthcare opportunities for County residents. To assist with this endeavor, the County, UAH, and the Arizona Board of Regents entered into an IGA dated June 15, 2010 (the "IGA"), pursuant to which the County agreed to contribute Fifty Million Dollars of additional funding to further the UACOM's mission at the Health Campus.

L. In the IGA, the County agreed that it would consent to an assignment of the Original Lease to UAH if requested by UAH, and that County would not agree to a modification or termination of the Original Lease without UAH's written consent, and that any early termination of the IGA would result in termination of this Lease. At this time UAH has not requested that the Lease be assigned to it.

M. To the extent practicable, the County expects Tenant to maximize the County's investment in the Health Campus programs and services, including the healthcare workforce development initiatives, and anticipates that Tenant will cooperate with other area agencies, the Court, the County Attorney's Office and various County departments as the County's first-choice of provider for an array of services for which the County is the payer or is mandated to

provide, such as health services individuals housed in County detention centers, and Title 36 involuntary psychiatric evaluations and treatment.

N. Many provisions of the Original Lease have been modified or are no longer applicable given the passage of time and the way in which operations at the UPHH campus, and the relationship of the campus with UACOM, have evolved.

O. County has completed the mold abatement work and the ADA compliance work required of County under Section 4 of the Original Lease.

P. Because more than five years have passed since the Commencement Date of the Original Lease, the "Review Limit" for Alterations under Section 20(A) of the Original Lease is currently \$125,000. The next five-year incremental increase will occur in 2014.

## AGREEMENT

1. **Amended and Restated Lease.** This Amended and Restated Lease Agreement (this "Lease") is intended to replace, in its entirety, the Original Lease, as of the date that this Lease is signed by all the parties (the "Effective Date").
2. **Premises.** Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, the property shown on the attached Exhibit A as "Hospital Parcel" and "Heliport Parcel," (but excluding therefrom the "Superior Court Space" as shown on Exhibit D) (the "Premises") for the Term, and under the conditions set forth in this Lease. This includes the Hospital Building (including the BHP) (the "Hospital"), the Heliport, and various landscaping and parking areas.
3. **Term.**
  - 3.1. **Initial Term.** This Lease commenced on June 16, 2004 (the "Commencement Date"). The initial term of this Lease shall be for a period of twenty- five (25) years from the Commencement Date (ending June 16, 2029), unless extended or terminated early as provided for herein.
  - 3.2. **Extension Term.** Tenant shall have the right (the "Extension Option") to extend the term of this Lease for an additional twenty-five (25) year period from and after the end of the initial Term (the "Extension Period") under the terms and conditions set forth herein, provided that it is in material compliance with all the terms of the Lease as of the date of Tenant's Extension Notice, as defined below, and as of the day that the parties actually execute a written agreement extending the Lease. (The exercise of the Extension Option will be considered effective as of the date that the parties execute the written agreement, but the Extension Period shall commence upon expiration of the initial Term, as set forth above.) Tenant may exercise this Extension Option in either of the two ways set forth below:
  - 3.3. **Extension Prior to the End of the Initial Term.** If the Lease has not already been extended under paragraph 3.4 below, Tenant shall give written notice to Landlord of its desire to exercise the Extension Option (an "Extension Notice") no sooner than three

(3) years, and no later than two (2) years, prior to expiration of the Initial Term. Landlord shall, within four months of its receipt of the Extension Notice, notify Tenant in writing specifically identifying any instances of material non-compliance that Tenant must address in order for the extension to be accepted by Landlord. Failure by Landlord to send this notice of non-compliance within the four-month period shall be deemed to be an acceptance by Landlord that Tenant is, at that time, in material compliance with the Lease. Tenant shall have until six (6) months prior to expiration of the initial Term to cure, to Landlord's reasonable satisfaction, any defaults identified in Landlord's notice. If additional defaults are identified by Landlord during this last six months, Tenant must cure them within thirty days after notice from Landlord.

**3.4. Extension to Obtain Financing.** In the event that Tenant needs to extend the Lease for the Extension Period, effective earlier than the end of the Initial Term, in order to obtain financing for the construction of Improvements on the Premises pursuant to Section 17 below, Tenant shall give Landlord an Extension Notice as soon as reasonably practicable. Landlord shall have a reasonable period of time, in no event less than thirty days from the date of the Extension Notice, to notify Tenant in writing regarding any material Tenant breaches of the Lease of which Landlord is aware. Tenant must cure any such non-compliance, to the reasonable satisfaction of Landlord, prior to execution of an agreement to extend the Lease.

**3.5. Early Termination Option.** If the IGA is terminated, this Lease will also terminate.

#### **4. Tenant's Use of Premises.**

**4.1. Permitted Uses.** Tenant shall use the Premises solely for the operation of a licensed general hospital also licensed to provide level-one acute psychiatric care; healthcare professional offices and outpatient clinics; the provision of healthcare services, including behavioral health; the conducting of medical and health-related education and research; and uses incidental thereto, and in support thereof.

**4.2. Prohibited Activities.** Tenant shall not do or permit anything to be done in or about the Premises nor bring or keep anything therein which is not within the permitted use of the Premises or which will in any way increase the existing rate of or affect any fire or other insurance upon the Premises or any of its contents or cause a cancellation of any insurance policy covering the Premises or any part thereof or any of its contents. Tenant shall not do or permit anything to be done in or about the Premises which materially obstructs or interferes with the rights of other occupants of the Premises or allow the Premises to be used for any unlawful purpose; nor shall Tenant cause, maintain or permit any nuisance in, on or about the Premises. Tenant shall not commit or allow to be committed any waste in or upon the Premises. Tenant shall not store within the Premises equipment other than that to be used in the Premises or used in connection with the operation of Tenant's business at the Premises.

**4.3. Compliance with Laws.** Tenant shall not use the Premises, or permit anything to be done in or about the Premises, which will in any way conflict with any law, statute, ordinance or governmental rule or regulation now in force or which may hereafter be

enacted or promulgated (herein referred to as a "Law" or collectively as "Laws"). Except as otherwise set forth herein, Tenant shall, at its sole cost and expense, promptly comply with all Laws in connection with its use of the Premises, including without limitation all applicable provisions of the Americans with Disabilities Act (Public Law 101-336, 42 U.S.C. 12101-12213) (the ADA") and all applicable federal regulations under the Act, including 28 CFR Parts 35 and 36, and all applicable provisions of the Clean Air Act, 42 U.S.C. 7401 et seq. and Arizona Revised Statutes, Title 49, Chapter 3. The judgment of any court of competent jurisdiction or the admission of Tenant in any action against Tenant, whether Landlord be a party thereto or not, that Tenant has violated any Law shall be conclusive of that fact as between Landlord and Tenant.

#### **4.4. Equipment & Furniture.**

**4.4.1. New Furnishings & Equipment.** Tenant has the right to use the equipment and furniture purchased by the County and installed in the new BHP (or in the remodeled ED area), which is listed on the attached Exhibit B (the "County Property"). Tenant will be responsible for maintaining and repairing the County Property, including maintaining and updating, as needed, any software that is part of or is used in connection with the equipment that is part of the County Property.

**4.4.2. Property of County.** The County Property will remain the property of the County, and Tenant does not have the right to dispose of it. If Tenant no longer wishes to use any items of County Property, Tenant must notify Landlord (Director of Procurement) to arrange for its removal. Tenant must provide Landlord (Deputy County Administrator for Medical and Health Services) an annual inventory of the County Property. In addition, Landlord may conduct periodic and unscheduled inspections of the County Property.

**4.4.3. Payment for Original Property.** Tenant will make the three remaining payments described in Recital H above. This obligation will survive any early expiration or termination of the Lease.

**4.5. General Hospital.** Tenant shall, at all times during the term of this Lease and any extension or renewal thereof, operate and maintain the Premises and the personal property located on the Premises, and operate the Hospital as a Medicare-certified, licensed, accredited general hospital also licensed to provide level-one acute psychiatric care, and licensed for at least 245 beds. Tenant may increase or decrease the number of beds, or alter the number of beds licensed for psychiatric services, if Tenant provides an alternative configuration that Landlord agrees meets community needs. Tenant will continue offering, under its Hospital license (whether on the campus, or in other clinical space), the services for which it is currently licensed, which are described on Exhibit C (the "Required Healthcare Services").

**4.6. Title 36 Services.** Tenant shall, to the extent of its available capacity, provide all medical clearance, psychiatric evaluations, treatment, and testimony for the Landlord's adult civil commitment proceedings under A.R.S. Title 36.

- 4.6.1. Records.** Tenant shall give Landlord access to all Tenant's non-patient records related to the Title 36 services rendered, and all patient records related to Title 36 services for which Landlord is a payer, so that Landlord can perform comprehensive reviews of the operation of the Title 36 program at the Hospital with respect to matters such as (but not limited to) lengths of stay, business processes, scheduling of evaluations and court hearings, and discharge planning. Landlord shall provide such request in writing and with at least forty-eight (48) hours advance notice to Tenant.
- 4.6.2. Cooperation with Court and County Attorney.** Tenant must cooperate and respond to inquiries and requests for meetings and trainings from the Pima County Attorney's Office ("PCAO") and the Court, and must review and process all evaluation paperwork to ensure complete and accurate filing of petitions for court-ordered treatment in the timelines specified by PCAO.
- 4.7. Coordination with CRC Operator.** Tenant also agrees to work cooperatively with the CRC Operator with respect to their respective operations (in particular, the coordination of the psychiatric urgent care crisis center and sub-acute behavioral health in-patient facility in the CRC, and the Hospital's psychiatric emergency room services) in order to
- 4.7.1.** Create a "no wrong door" approach at the campus, ensuring that individuals presenting for assistance at either facility are guided to the appropriate care setting.
- 4.7.2.** Ensure that individuals presenting for assistance are treated in the least restrictive environment available, and that the inappropriate use of emergency departments and detention centers for adults in crisis is minimized.
- 4.7.3.** Develop an outpatient court-ordered evaluation program.
- 5. Provision of Services to the CRC.** The outline of the area containing the CRC that Landlord intends to let to another entity (the "CRC Operator") is shown on the attached Exhibit A (labeled the "CRC Parcel"). Tenant acknowledges that the CRC Operator will depend on Tenant for certain services, as more specifically set forth on the attached Exhibit G, because of the physical configuration of the buildings and related infrastructure. Tenant agrees to provide these services to the CRC Operator. Landlord agrees that its lease with the CRC Operator will require the CRC Operator to reimburse Tenant for the cost of those services allocable to the CRC, as set forth on Exhibit G. Landlord and Tenant agree that in the case of the CRC remaining unoccupied the Tenant shall bill and the Landlord shall pay for the utilities and services associated with the CRC Parcel, but the allocation will be adjusted to take into account the decreased use of utilities and security services due to the fact that the facility is unoccupied.
- 6. Condition of Premises.** Subject to the Landlord's representations and obligations contained herein, the Premises have been accepted by Tenant in "as is" condition.

- 6.1. Environmental Condition.** Landlord represents, to the best of Landlord's knowledge, that there are no pending actions or notices from regulatory agencies relating to violations of environmental laws on the Premises.
- 6.2. Asbestos.** Tenant acknowledges that Landlord has disclosed the presence of asbestos containing materials within the Premises as set forth in that certain Asbestos Survey at Kino Community Hospital, Survey Findings and Management Plan, dated June 22, 1989, prepared by Environmental Sciences Inc., a copy of which was provided to Tenant in connection with the Original Lease.
- 7. Landlord's Use of Premises and Superior Court Space.** Landlord shall have the right to continue to use certain space within and on the Hospital, as set forth below.
- 7.1. Superior Court Space.** Landlord will use the space identified on the attached Exhibit D as the Superior Court Space for attorneys, judges, courtrooms, meeting rooms and other space relating to the adult civil commitment process under Title 36 of the Arizona Revised Statutes. The Superior Court Space will not be used for any other civil or criminal proceedings.
- 7.1.1. Access.** Landlord and Landlord's employees, contractors and invitees, and all court personnel and users of court services, will have access to the Superior Court Space at all times. Tenant will issue Landlord and the Superior Court the number of key cards requested, and will replace them as and when needed. Landlord will pay Tenant a standard charge for each keycard, currently \$11.00, with the anticipation that minimal increases may occur during the Term of this Lease. At no time will the charged fee exceed the actual cost to Tenant.
- 7.1.2. Shared Walls.** Landlord and Tenant will each have the right to open shared walls, as necessary, to do work required for use, maintenance, repair and improvements of its space. The party doing any such work will do so in a manner, and at times, so as to minimize disruption of the other's use of its adjacent space to the extent reasonably practicable, and will repair any damage caused by such work.
- 7.1.3. Utilities.** Tenant will provide all utilities for the Superior Court Space, including electrical and HVAC, 24 hours per day, seven days per week. Landlord will reimburse Tenant for the electricity and HVAC usage at the conclusion of each lease year after the effective date of this Amended and Restated Lease. The allocation of these utility costs will be based on the Court's actual operating hours (currently 9:00am to 5:00pm) and the size of the Superior Court Space (which is 5,120 square feet or 2.5% of the total BHP and CRC space of 203,648 square feet). The annual reimbursement is, at the time of the execution of this Amended and Restated Lease, estimated at \$8,000. Tenant will send Landlord an invoice each year, with supporting documentation, showing the actual costs and Tenant's calculation of the amount owed.

- 7.1.4. Security & Janitorial Services.** Tenant will provide security services for the Court, as set forth on Exhibit E attached to this Lease. Tenant will also provide daily cleaning for the Superior Court Space (approximately 2 hours), Monday through Friday, including: daily trash removal, daily vacuuming, general cleaning, and restocking restrooms as needed.
- 7.1.4.1. Landlord will pay for these services, in advance, on or before the first day of each month following the start of Court hearings. The monthly payment will initially be \$9,200.00. Each year, Tenant will provide Landlord with a reconciliation statement showing the actual costs for the services for the last year, along with supporting documentation, and a comparison to amounts paid. If an additional amount is due, Landlord will pay that amount within thirty days of receipt of the reconciliation statement; if Landlord has overpaid, the amount of the overpayment will be credited against subsequent payments from Landlord. The monthly payment amount will then be adjusted based on the actual costs shown in the reconciliation statement.
- 7.1.4.2. Pest control within the Superior Court Space will be provided as needed, in addition to UPHH's regularly scheduled exterior building pest control services, at no cost to Landlord or the Court.
- 7.1.5. Parking.** Tenant will issue parking permits to all Court personnel, at no charge. The Court will be allocated one parking space in the sally port (which is within the CRC leased area, and not within Tenant's Premises under this Lease) for the exclusive use of the assigned Judge. All other Court staff may be directed by Tenant to park in the unassigned parking spaces located in the east Hospital parking lot.
- 7.1.6. Furnishings.** All personal property and all fixtures located within the Superior Court Space is the property of Landlord or the Court and may be removed or replaced by Landlord or the Court at any time.
- 7.2. Landlord's Use of Roof.** Landlord and Landlord's agents, contractors, and licensees may use the roof of the Hospital for the location of telecommunications equipment and antennae on a nonexclusive basis. This use may not materially interfere with Tenant's operation of the Hospital. Landlord shall be solely responsible for repairing any and all damage to the roof resulting from the addition, repair or maintenance of equipment thereon.
- 7.3. Data Lines.** Landlord reserves an easement for data transfer equipment and fiber optic connections as identified in Exhibit F.
- 7.4. Abandonment of Space.** If at any time Landlord determines that it will no longer occupy all or a portion of the roof space, or if Landlord removes the data lines, Landlord will give notice to Tenant and Tenant may, upon Landlord's removal of the lines and/or equipment, occupy the space under the provisions of this Lease.

**8. Rent.** Tenant shall pay to Landlord, without demand, as annual rent for the Premises, the sum of Ten Dollars (\$10.00), payable in annual installments, in advance, to be received by Landlord on or before the Commencement Date, and on July 1<sup>st</sup> of each year thereafter throughout the term of this Lease and any renewal or extension hereof.

**9. North Parking Lot.**

**9.1. Use.** The Premises do not include the large parking area located north of the Hospital (the "North Parking Lot"). During the term of this Lease and any extended term, Tenant, its employees, contractors, agents, patients and invitees shall have a non-exclusive right to use the North Parking Lot, for parking, ingress and egress to the Premises, and installation and maintenance of utilities, data and communication cables and lines and the like to the Premises. The North Parking Lot will also be used by persons associated with neighboring County-related facilities. Tenant shall coordinate with Landlord regarding the location and installation of any utility, data, or communications facilities, in order to avoid unnecessary disruption of the North Parking Lot, and in order to avoid unduly hampering future development on or off the Premises.

**9.2. Maintenance.** Tenant will, at its expense, provide routine day-to-day maintenance of the North Parking Lot, including trimming vegetation as appropriate, and picking up trash. Landlord will provide capital repairs such as repair or replacement of curbs and paving, and striping of the North Parking Lot, except that Tenant must repair, at its expense, any damage caused by the installation of utilities by Tenant as permitted above. Landlord will have the right to close portions of the North Parking Lot from time to time with twenty-four (24) hour advance notice to Tenant in order to perform these repairs, provided such closures do not materially interfere with the operation of Tenant's business at the Premises.

**9.3. Vehicle Towing.** County hereby authorizes security personnel of Tenant, pursuant to A.R.S. § 9-499.05(C), to call a designated towing company, approved by Landlord, for towing of any private vehicle parked in the North Parking Lot that 1) creates a hazard; 2) interferes with the day-to-day operations of the Hospital or associated clinics; or 3) is in violation of County or State ordinances. Before calling the towing company, Tenant security personnel must first establish that the private vehicle is either abandoned or the occupant of the vehicle is not doing business or employed at any of the Health Campus buildings (including the Hospital, the Behavioral Health Clinic, the BHP, CRC, UPH Medical Clinic, Sports Medicine offices, the Abrams Public Health Building or the Pima County TB Clinic). Tenant's security personnel must sign a State of Arizona Motor Vehicle Department form before the vehicle is towed from the premises. UPH must ensure that signage is posted, clearly visible and readable from any point within the North Parking Lot and at each entrance, stating (i) the restrictions on parking; (ii) the disposition of vehicles found in violation of the parking restrictions; (iii) the maximum towing and storage charges; and (iv) a telephone number and address where the violator can locate the violator's vehicle.

## **10. Heliport.**

**10.1. Laws & Regulations.** The heliport must be utilized in compliance with industry standards and all applicable codes, laws, regulations, and ordinances, including without limitation any and all environmental regulations, Arizona State Fire Code, and City of Tucson zoning code.

**10.2. Alterations.** Except in an emergency, Tenant may not make or permit to be made any changes or improvements to the Heliport without the prior written approval of Landlord except that Tenant may:

- a) Install a portable office structure in a location acceptable to Landlord.
- b) Connect all utilities to the portable structure and pay monthly bills.
- c) Install no greater than 4,000 gallon double wall above ground fuel tank and fueling system that includes a fuel spill recovery kit.
- d) Install and connect fuel lines from the above ground fuel tank to the heliport pad.

**10.3. Fuel Tank Requirements.** If a fuel tank is installed, as permitted above, the following will apply:

**10.3.1. Maintenance Program.** Tenant or Subtenant will develop and institute a program to properly maintain the fuel tank that will be located on the Heliport Parcel, and all safety features installed with the tank including, but not limited to, overfill protection. Tenant will provide a copy of the above referenced maintenance policy and procedures to Landlord within 30 days of the installation of the fuel tank.

**10.3.2. Spill Recovery Kit.** Tenant or Subtenant will maintain a spill recovery kit in the immediate vicinity of the refueling pad and will ensure that the kit is readily available at all times to refueling personnel. Tenant or Subtenant will also provide and use a fuel sample disposal receptacle that is protected from precipitation events. In no event are fuel samples to be poured onto the refueling pad or soil.

**10.3.3. Baseline.** Tenant has supplied to Landlord a baseline Phase 1 Assessment that shows the condition of the Helipad Parcel prior to construction. Tenant or Subtenant will conduct another such Phase 1 Assessment at the end of the leasehold to establish whether any contamination arose during the term of the lease; the assessment report must be addressed to Landlord as well as to the Tenant or Subtenant, and a copy must be delivered to Landlord at the same time it is delivered to the Tenant and/or Subtenant.

**10.4. Delegation to Subtenant.** If Tenant subleases the Heliport to a helicopter company acceptable to County, Tenant will be permitted to delegate the responsibilities under this Section 10 to such subtenant, meaning that Tenant will not be liable to Landlord for

any breach of these provisions by Subtenant. Any sublease of the Heliport will require Landlord's approval as provided in Section 19 below, and it must provide specifically that the subtenant is assuming Tenant's obligations under this section as to the County and that a breach of any of these provisions will be cause for termination of the sublease. Tenant agrees that it will terminate the sublease for breach if Landlord informs it that a breach has occurred.

**10.5. Indemnity.** Without limiting the scope of any general indemnities in Section 20 below, Tenant agrees to indemnify and defend the County and its officers, employees, and agents, from and against any liability or expenses suffered or incurred related to operations on the Heliport Parcel, including any liability or expenses related to environmental contamination or helicopter use and flight, but this shall not extend to liability or damages that County suffers or incurs as a result of any negligent or intentionally wrongful conduct on the part of County, or any County employee, agent, or contractor, or that arises as a result of the original design and construction of the Helipad.

**11. Licenses.** Throughout the term of this Lease, Tenant shall obtain (if necessary) and maintain all necessary licenses, permits and authorizations required to provide the services being offered at the Premises, and shall maintain the Hospital's general hospital license, Medicare certification, and license to provide level-one acute psychiatric care.

**12. Annual Report.** Notwithstanding anything in the IGA to the contrary, Tenant shall, on or before October 1 of each year during the Term, submit a written report to the County Administrator and the members of the County Board of Supervisors regarding the status of the Hospital, including its financial condition, the services being offered, and any significant events or accomplishments since the previous report. As part of this report, Tenant shall outline the economic benefit that can reasonably be expected to accrue to individuals residing in the surrounding community as a result of Tenant's operations on the Premises, including such benefits as increased employment and educational opportunities and access to a broader range of health care services and authority to provide court-ordered evaluation and treatment services.

**13. Taxes.** Tenant shall be responsible for payment of all personal property taxes, income taxes, or any other taxes, if any, that are or may be assessed relating to the Premises or any use of the Premises by Tenant, including, if applicable, the government property lease excise tax levied pursuant to A.R.S. § 42-6202.

**14. Hazardous Materials.**

**14.1. Hazardous Materials Prohibited.** Tenant shall not cause or permit any Hazardous Material (as hereinafter defined) to be brought upon, kept, or used in or about the Premises by Tenant, its agents, employees, contractors or invitees, without the prior written consent of Landlord, other than such Hazardous Materials which are necessary or useful to Tenant's business and will be used, kept and stored in a manner that complies with all laws regulating any such Hazardous Materials. Tenant's operations on the Premises shall comply with all applicable federal, state, and local environmental

laws and regulations including applicable provisions of the Clean Air Act, 42 U.S.C. 7401 et seq. and Arizona Revised Statutes, Title 49, Chapter 3.

- 14.2. Indemnity.** If (i) Tenant breaches the obligations stated in the preceding sentence, (ii) the presence (whether consented to by Landlord or otherwise) of Hazardous Material on the Premises or on or in the soil or ground water under or adjacent to the Premises is caused or permitted by Tenant, its agents, employees, contractors or invitees results in contamination of the Premises or such soil or ground water, (iii) contamination of the Premises or such soil or ground water by Hazardous Material otherwise occurs for which Tenant is legally liable to Landlord for damage resulting there from, or (iv) contamination occurs elsewhere in connection with the transportation by Tenant of Hazardous Material to or from the Premises, then Tenant shall indemnify, protect, defend and hold Landlord harmless from any and all claims, judgments, damages, penalties, fines, costs, expenses, liabilities or losses (including, without limitation, diminution in value of the Premises or any part thereof, damages for the loss or restriction on use of rentable or usable space or of any amenity of the Premises or any part thereof, damages arising from any adverse impact on marketing of space with respect to the Premises or any part thereof, and costs paid in settlement of claims, attorneys' fees, consultant fees and expert fees) which arise during or after the term of this Lease as a result of such contamination. The foregoing obligation of Tenant to indemnify, protect, defend and hold Landlord harmless includes, without limitation, costs incurred in connection with any investigation of site conditions or any cleanup, remedial, removal, restoration or other response work required by any federal, state, or local governmental agency or political subdivision because of Hazardous Material present, as a result of any action or inaction on the part of Tenant, its agents, employees, contractors or invitees, in the Premises or the soil or ground water on, under or adjacent to the Premises, or elsewhere in connection with the transportation by Tenant of Hazardous Material to or from the Premises.
- 14.3. Remediation.** Without limiting the foregoing, if the presence of any Hazardous Material on or in the Premises, or the soil or ground water under or adjacent to the Premises caused or permitted by Tenant, or its agents, employees, contractors or invitees results in any suspected contamination of the Premises, the soil or ground water under or adjacent to the Premises, Tenant shall promptly notify Landlord in writing and take all actions at its sole expense as are necessary to return the Premises, or such soil or ground water to the condition existing prior to the introduction of any such Hazardous Material to the Premises, or to such soil or ground water; provided that Landlord's approval of such actions shall first be obtained, which approval shall not be unreasonably withheld so long as such actions would not potentially have any material adverse long-term or short-term effect on the Premises.
- 14.4. Pre-existing Contamination.** Landlord agrees that any Hazardous Materials contaminating the Premises prior to Tenant's possession of the Premises shall not result in liability for Tenant under this Section except to the extent such contamination is aggravated by the action of Tenant. Except as may otherwise be referenced in this Lease, Landlord hereby warrants and represents to Tenant that there was no contamination of the Premises, or the soil or ground water under or adjacent to the

Premises, prior to Tenant's possession of the Premises, and Landlord, its agents and employees shall allow no such contamination to take place at any time during the Lease term or any renewal thereof. In the event that contamination is discovered for which Landlord is responsible hereunder and cleanup of the contamination is ordered by a governmental agency with authority to so order, or is required in order for Tenant to lawfully carry on its use of the Premises, Landlord shall promptly, and at its sole cost and expense, take all actions necessary to adequately remediate the contamination.

**14.5. Notices.** Tenant shall, within ten (10) business days following receipt thereof, provide Landlord with a copy of (i) any notice from any local, state or federal governmental authority of any violation or administrative or judicial order or complaint having been filed or about to be filed against Tenant or the Premises alleging any violation of any local, state or federal environmental law or regulation or requiring Tenant to take any action with respect to any release on or in the Premises or the soil or ground water under or adjacent to the Premises of Hazardous Material, or (ii) any notices from a federal, state or local governmental agency or private party alleging that Tenant may be liable or responsible for cleanup, remediation, removal, restoration or other response costs in connection with Hazardous Material on or in the Premises or the soil or ground water under or adjacent to the Premises or any damages caused by such release.

**14.6. Definition.** As used herein, the term "Hazardous Material" means any hazardous or toxic substance, material or waste which is or becomes regulated by any local governmental authority, the State of Arizona or the United States Government. The term "Hazardous Material" includes, without limitation, any material or substance that is (i) petroleum or petroleum products; or (ii) defined as a Hazardous Material under A.R.S. 26-301(8).

**14.7. Survival.** Tenant's and Landlord's obligations under this Section shall survive the expiration or earlier termination of this Lease and vacation of the Premises.

**15. Signs.** Tenant may affix and maintain upon the Premises only such signs, names, insignia, trademarks and descriptive material as have first received the written approval of the Director of Pima County Facilities Management (or such other County official as Landlord may, from time to time, designate in writing) as to type, size, color, location, copy nature and display qualities. Any failure by the Director to respond within thirty (30) days to a request made by Tenant for approval of proposed signage shall be deemed to be an approval. All signs installed by Tenant on or about the Premises shall at all times comply with the City of Tucson Sign Code and shall be installed and maintained at Tenant's sole cost. Any and all signs placed by Tenant on the Premises or at other locations approved by Landlord shall be immediately removed by Tenant upon termination of this Lease for any reason, and any damage resulting from such removal shall be repaired immediately by Tenant at its sole cost.

**15.1. County-Installed Signage.** County is in the process of working with UPH and the CRC Operator regarding County's placement of way-finding signs on the campus, including the Premises, and signs identifying the CRC. Any of these signs that are within the Premises must, after initial installation, be maintained by Tenant.

**15.1 Other Signage on Campus.** With respect to other third-party operations on the Health Campus, County will either install and maintain at its expense, or require the third-party to install and maintain, appropriate signage identifying the operation as belonging to the third party and not to Tenant.

**16. Name Change.** Tenant may change the name of its operations on the Premises during the term of this Lease with Landlord's prior approval, which shall not be unreasonably withheld.

**17. Improvements.**

**17.1. Approval Requirement/As-Built Drawings.** Tenant may not make any improvements, alterations, additions, or changes to the Premises (the "Improvements") without first obtaining the written consent of the Landlord's Director of Facilities Management unless the cost of the Alterations is less than \$100,000 (the "Review Limit"). The Review Limit will increase by \$25,000 every five years during the term of the Lease (as acknowledged in the Recitals, at the time of execution of this Amended & Restated Lease, the Review Limit is \$125,000). The next five year incremental increase will occur in 2014 and then, every five years thereafter. Tenant shall provide Landlord with notice of the proposed Improvements and shall, within twenty (20) days after completion of the Improvements, deliver to Landlord a reproducible copy of the drawings of any Improvements as built.

**17.2. Scope of Review.** Landlord's review of the plans and specifications shall be solely for Landlord's purposes and shall not imply Landlord's review for quality, design, laws compliance or other like matters. Accordingly, notwithstanding that any construction drawings are reviewed by Landlord or its architects, engineers, or consultants, Landlord shall have no liability whatsoever in connection therewith and shall not be responsible for any omissions or errors contained in any construction drawings, and Tenant's indemnity set forth in Section 20 of this Lease shall specifically apply to the construction drawings. Landlord shall not unreasonably withhold consent to proposed Improvements for which Landlord's approval is required; provided, however, it shall be reasonable for Landlord to withhold consent if, in Landlord's reasonable judgment, the proposed Improvement is likely to:

- a) affect the integrity of any structural, mechanical, or electrical system of any existing buildings or improvements; or
- b) result in Landlord being required to perform any work that Landlord could otherwise avoid or defer; or
- c) result in an increase in the premiums for any hazard or liability insurance carried by Landlord; or
- d) result in an increase in the demand for utilities or services that Landlord is required to provide; or
- e) fail to contribute to the financial viability of the hospital operation, improved access to essential health care for the community, or the healthcare workforce development goals of the campus; or
- f) adversely affect the provision of the Required Healthcare Services; or

g) adversely affect the Landlord's use of the remaining property owned by Landlord adjacent to the Premises.

**17.3. Ownership of Improvements.** During the term of this Lease, Improvements constructed by Tenant on the Premises shall belong to Tenant. Tenant agrees that, upon the termination (for any reason whatsoever) or expiration of this Lease, any Improvements constructed by Tenant on the Premises, together with all fixtures installed therein, shall become the property of Landlord.

**17.4. Encumbrance of Leasehold.** Tenant shall not permit, and is not authorized to permit, any lien against the Premises. Notwithstanding this prohibition, Tenant may place a lien upon Tenant's leasehold interest in order to finance construction of Improvements on that parcel, or to refinance a loan secured by such a lien, provided that such refinancing does not extend the term of the lien beyond the remaining term of the original lien. In order to facilitate Tenant's financing, Landlord shall execute consent, estoppel, non-disturbance and similar instruments reasonably requested by Tenant's lenders, provided, however, Landlord shall not be required to amend this Lease or consent to additional notice or cure provisions as part of any such consent, estoppel, non-disturbance and similar instruments. Landlord shall in no event be responsible for payment of any loans obtained by Tenant.

**17.5. Construction.** If the construction disbursements for Tenant's construction of the Improvements are not handled through a controlled escrow, lender disbursement, or other controlled disbursement vehicle, Tenant shall cause payment and performance bonds to be recorded in accordance with Arizona Revised Statutes § 33-1003. The Improvements shall be constructed in a good and workmanlike manner using new materials, in compliance with the approved plans and specifications and with all applicable laws (including Title 34 of the Arizona Revised Statutes, which Tenant acknowledges is applicable to its construction if any funds received from Landlord are used for the construction) and regulations, and zoning, electrical, building and other codes, and shall be diligently prosecuted to completion. Tenant shall indemnify and hold Landlord harmless from and against any liability, loss, cost, expense or penalty suffered or incurred by Landlord as a result of any violation of Title 34 caused by Tenant. The infrastructure (including wiring, HVAC, and utilities) for each building constructed shall be independent of every other building on the Premises.

## **18. Repairs and Maintenance.**

**18.1. Tenant's Obligation.** Tenant shall, at Tenant's sole cost and expense, keep the buildings, walkways, parking areas and landscaping located within the Premises and all exterior and interior portions thereof, and all utility lines thereon and thereunder, in good condition and repair, including without limitation, any doors, window casements, glazing, plumbing, pipes, electrical wiring and lighting fixtures and conduits, all fire suppressant systems and related equipment, all heating and air conditioning systems, all foundations, walls (exterior and interior), sidewalks, corridors and roofs. Tenant shall, upon the expiration or sooner termination of this Lease, surrender the Premises to Landlord in good condition and broom clean, ordinary wear and tear and damage from

causes beyond the reasonable control of Tenant excepted. Tenant shall further make all repairs to the Premises made necessary by reason of the negligence or intentional misconduct of Tenant, its employees, sublessees, licensees, invitees, servants or agents. Tenant shall keep the Premises free from any liens arising out of any work performed, materials furnished or obligations incurred by or on behalf of Tenant.

**18.2. Warranties.** Landlord shall make available to Tenant any and all warranties which Landlord receives relating to improvements on the Premises. In particular, Tenant acknowledges that will for some period of time be warranties in effect with respect to the new BHP, and before undertaking any repairs connected with this new construction, Tenant will coordinate with Landlord to make sure that these warranties are utilized, and that nothing is done that might void them.

**18.3. Landlord's Obligation.** Landlord shall make all repairs to the Premises made necessary by the negligence or intentional misconduct of Landlord, its employees, subtenants, licensees, invitees, servants or agents.

## **19. Assignment and Subletting.**

**19.1. Consent Required.** Except as specifically provided otherwise in this Lease, Tenant shall neither voluntarily, nor by operation of law, assign, transfer, mortgage, pledge, hypothecate or encumber this Lease or any interest therein, and shall not sublet the Premises or any part thereof, or any right or privilege appurtenant thereto, or allow any other person (the employees, agents, servants and invitees of Tenant excepted) to occupy or use the Premises, or any portion thereof, without first obtaining the written consent of Landlord, which consent shall not be unreasonably withheld; provided it shall not be unreasonable to withhold consent to a sublease to a for profit entity. A consent to one assignment, subletting, occupation or use by any other person shall not be deemed to be a consent to any other assignment, subletting, occupation, or use by another person. Consent to any such assignment or subletting shall in no way relieve Tenant of any liability under this Lease and shall not impose any additional burden or obligation on Landlord. Any such assignment or subletting without such consent shall be void, and shall, at the option of Landlord, constitute a default under the terms of this Lease. Concession contracts entered into by Tenant in the normal course of operating the Premises, of a type normally associated with the uses to which the Premises may be put, shall not be considered to be subleases for purposes of this Section. In no event shall a sublease of the entire Premises, or an assignment of Tenant's obligations under the Lease, be permitted.

**19.2. Restrictions on Permitted Subleases.** Any subtenant shall be subject to all terms and conditions of this Lease affecting its use of the portion of the Premises subleased to it, including restrictions on the permitted uses of the Premises. In the event that Tenant is permitted to sublease space to a for-profit entity, Tenant shall charge such entity fair market rent.

## **20. Indemnification.**

**20.1. Indemnity.** To the extent permitted by law, each party (as "Indemnitor") agrees to indemnify, defend, and hold harmless the other party (as "Indemnitee") from and against any and all claims, losses, liability, costs, or expenses (including reasonable attorney's fees) (hereinafter collectively referred to as 'claims') arising out of bodily injury of any person (including death) or property damage, but only to the extent that such claims result in vicarious/derivative liability to the Indemnitee as a result of the act, omission, negligence, misconduct, or other fault of the Indemnitor, its officers, officials, agents, employees, or volunteers, including a claim arising out, in whole or in part, of or relating directly or indirectly to:

- a) the conduct or management of the Premises or of any business therein, or any work or thing whatsoever done, or any condition existing or created in or about the Premises during the term of this Lease and any renewals thereof;
- b) any act, omission, breach of any provision of this Lease, or negligence of either party's licensees or the partners, directors, officers, agents, employees, invitees or contractors of either party, or of either party's subtenants or licensees;
- c) any accident, personal or bodily injury, or damage whatsoever occurring in or at the Premises or on the North Parking Lot; or
- d) any audit, investigation, subpoena, or other action by either federal or state agencies involving business and/or health care operations occurring on or involved with the Premises.

**20.2. Survival of Indemnities.** The indemnification obligation hereunder shall survive the expiration or earlier termination of this Lease until all claims involving any of the indemnified matters are fully, finally, and absolutely barred by the applicable statutes of limitations.

**20.3. Cooperation of Parties.** Landlord and Tenant each agrees that in all circumstances it will assist and cooperate with the other to the fullest extent allowable by law in defense of claims and the collection of necessary documents and evidence involved in such claims.

## **21. Insurance and Subrogation.**

**21.1. Types and Amounts of Insurance Required.** Tenant shall, at Tenant's expense, obtain and maintain during the Lease Term and any renewals thereof, and for a period not less than two (2) years beyond the Term of this Lease, the following insurance policies:

- a) Commercial General Liability insurance with coverage at least as broad as ISO form CG 00 01 in an amount not less than \$10,000,000, covering portions of the Premises furnished to the Tenant for exclusive use, endorsed to include Pima County as an additional insured

- b) Commercial Automobile Liability insurance with coverage at least as broad as ISO form CA 00 01 in an amount not less than \$1,000,000 for vehicles actually used in the performance of services under this Lease (as compared to use for simple commuting, for which there is no obligation hereunder to provide insurance).
- c) Medical Malpractice insurance in an amount not less than \$10,000,000 per claim or occurrence, maintaining coverage for a period of not less than two years beyond the term of this Lease and any renewals thereof. If reasonably available, the policy(ies) shall be endorsed to include Pima County as an additional insured.
- d) Workers' Compensation insurance with statutory limits, with Employers' Liability coverage in an amount not less than \$1,000,000 per injury, illness, or disease.
- e) Commercial Property, Boiler and Machinery insurance with coverage at least as broad as ISO forms CP 00 01 and BM 00 20, covering the full replacement cost of real property, including tenant improvements and betterments, and personal property located at the Premises, endorsed to include Pima County as an additional insured; provided, however, that Tenant is not required to insure the personal property of Landlord. Tenant shall include not less than Ten Million Dollars (\$10,000,000.00) of coverage for earthquake and flood damage.
- f) Business Interruption insurance sufficient to permit Tenant to continue services required under this Lease in the event of serious loss or damage to the Premises.
- g) Host Liquor Liability insurance in an amount not less than \$5,000,000 per occurrence if alcohol is sold or provided on the Premises, endorsed to include Pima County as an additional insured.
- h) Environmental insurance as necessary to cover exposures related to any hazardous materials or substances, including radioactive isotopes or materials stored or used at the Premises, and any fuel stored at the Heliport.
- i) Aviation Liability insurance must be in place prior to commencement of operations on the Heliport, and maintained continuously thereafter, covering exposures related to aircraft operation, in an amount not less than \$5,000,000.

**21.2. Insurers.** Tenant's third party insurers shall be authorized by the Arizona Department of Insurance to transact business in Arizona, shall be financially stable, and shall be subject to review and approval by Landlord.

**21.3. Self Insurance.** Tenant may reasonably self-insure any liability insurance required by this Section if approved by a regulatory body or otherwise approved by Landlord.

**21.4. Certificates/Notice of Cancellation.** Tenant shall provide current certificates of insurance to Landlord evidencing insurance coverage required by this Lease. Tenant shall ensure that its insurance policies require at least 30 days notice prior to cancellation, non-renewal, or material change, except that at least 10 days notice shall be required prior to cancellation for non-payment of premium.

**21.5. Waiver of Subrogation.** Landlord and Tenant shall have no liability to one another, or to any insurer, by way of subrogation or otherwise, on account of any loss or damage to their respective property, the Premises or its contents, regardless of whether such loss or damage is caused by the negligence of Landlord or Tenant, arising out of any of the perils or casualties insured against by the insurance policies carried, or required to be carried, by the parties pursuant to this Lease. The insurance policies obtained by Landlord and Tenant pursuant to this Lease shall permit waivers of subrogation which the insurer may otherwise have against the non-insuring party. In the event the policy or policies do not allow waiver of subrogation prior to loss, either Landlord or Tenant shall, at the request of the other party, deliver to the requesting party a waiver of subrogation endorsement in such form and content as may reasonably be required by the requesting party or its insurer.

**21.6. Change in Insurance Requirements.** Landlord may review and reasonably adjust the types and limits of insurance required under this Lease from time to time, as it deems reasonably necessary. If Tenant contests an increase in insurance requirements or other determination by Landlord under this Section, or if Tenant requests Landlord to reduce any requirement hereunder because the insurance required has become commercially unavailable, Landlord and Tenant shall each select a person experienced in evaluating risk and insurance, who shall together agree on a third person with like experience, to evaluate the proposed insurance requirements. The panel of three experts shall determine what increase or decrease is appropriate and such panel's decision shall be binding on Tenant and Landlord. Tenant and Landlord shall equally share in the cost of any review under this subsection.

**21.7. Builder's Risk/Payment & Performance Bonds.** Tenant shall provide or require Builders' Risk insurance or an Installation Floater as necessary to reasonably insure losses during construction projects, endorsed to include Pima County as a loss payee. Tenant shall require payment and performance bonds as necessary, ensuring that no liens may be placed against the Premises.

## **22. Utilities.**

**22.1. Cost of Utilities.** Tenant shall pay for all gas, heat, light, power, water, sewer charges, telephone service, garbage removal, recycling services and all other services and utilities supplied to the Premises and any buildings located within the Premises, together with any taxes thereon.

**22.2. Interruption.** Landlord shall not be liable to Tenant if any utilities or services, whether or not furnished by Landlord hereunder, are interrupted or terminated because of necessary repairs, installation or improvements, or any other cause beyond Landlord's reasonable control, nor shall any such termination relieve Tenant of any of its obligations under this Lease. Landlord shall have no liability to Tenant if any utility service is interrupted by the utility provider or otherwise.

**22.3. Water.** Potable water delivered to the Premises is currently provided by the City of Tucson. Reclaimed water is used to irrigate vegetation and landscaping in and around

the Premises; the County will continue to provide reclaimed water to Tenant, without charge, for this purpose.

**22.4. Sustainability.** Tenant must prepare and implement an integrated waste management plan to re-use, recycle, and/or compost any consumable materials utilized on the Premises, and shall submit the plan for County review at least annually.

**23. Entry by Landlord.** Landlord reserves, and shall at any and all times with at least four (4) business days advance written notice to Tenant have the right to enter the Premises to inspect the same. Landlord shall use its reasonable best efforts to not interrupt Tenant's business at the Premises. Landlord at any and all times shall have the right to use any and all means which Landlord may deem proper to open doors in an emergency in order to obtain entry to the Premises without liability to Tenant, except for any failure to exercise due care for Tenant's property, and any entry to the Premises obtained by Landlord by any such means, or otherwise, shall not under any circumstances be construed or deemed to be a forcible or unlawful entry into, or a detainer of, the Premises, or an eviction of Tenant from the Premises or any portion thereof. Landlord shall have access at all times, without the necessity of any type of notice, to those portions of the Premises utilized by Landlord pursuant to Section 7 hereof.

**24. Tenant's Default.**

**24.1. Events of Default.** The occurrence of any one or more of the following events shall constitute a default and breach of this Lease by Tenant:

**24.1.1. Abandonment.** The vacating or abandonment of the Premises, or any portion thereof, by Tenant.

**24.1.2. Monetary Payments.** The failure by Tenant to make any monetary payment of rent or any other monetary payment required to be made by Tenant hereunder, as and when due, where such failure shall continue for a period of fifteen (15) business days after Tenant's receipt of written notice of late payment.

**24.1.3. Exempt Status.** Failure of Tenant to maintain at all times Tenant's status as an exempt organization within the meaning of Section 501 (c)(3) of the Internal Revenue Code of 1986, as amended, or to maintain at all times appropriate licenses.

**24.1.4. Maintenance & Repair.** If Tenant fails to perform its repair and maintenance obligations under Section 18.1, Tenant shall be in default hereunder after prior written notice of such failure from Landlord and at least twenty (20) days thereafter to cure such failure, it being agreed that if the nature of such repairs or maintenance is such that more than twenty (20) days are reasonably required for completion Tenant shall not be in default hereunder if such repairs and/or maintenance are commenced within said twenty (20) day period and diligently pursued to completion.

**24.1.5. Other Covenants.** The failure by Tenant to observe or perform any of the covenants, conditions or provisions of this Lease to be observed or performed by Tenant, other than as otherwise specifically set forth herein, where such failure shall continue for a period of thirty (30) days after written notice thereof by Landlord to Tenant; provided, however, that if the nature of Tenant's default is such that more than thirty (30) days are reasonably required for its cure, then Tenant shall not be deemed to be in default if Tenant commences such cure within said thirty (30) day period and thereafter diligently prosecutes such cure to completion provided such cure is completed within one hundred and eighty (180) days of the notice by Landlord.

**24.1.6. Dissolution or Liquidation.** Dissolution or the commencement of any action or proceeding for the dissolution or liquidation of Tenant, whether instituted by or against Tenant, or the taking of possession of the property of Tenant by any governmental officer or agency pursuant to statutory authority for the dissolution or liquidation of the Tenant.

**24.1.7. Licensure.** Loss of Medicare certification for the Hospital, loss of the general hospital license, loss of the license to provide level-one acute psychiatric care or loss of authority to provide court-ordered evaluation or treatment services.

**24.2. Remedies upon Tenant's Default.** In the event of any default or breach by Tenant, Landlord, unless otherwise limited herein, may at any time thereafter, in its sole discretion, with or without notice or demand and without limiting Landlord in the exercise of a right or remedy generally available at law or in equity which Landlord may have by reason of such default or breach:

**24.2.1. Termination.** Give notice to Tenant that this Lease shall terminate upon the date specified in the notice, which date shall not be earlier than thirty, (30) days from the date of such notice.

**24.2.2. Possession.** Provided that the Lease has been terminated in accordance with Subsection 24.1 above or Tenant has vacated or abandoned the Premises, reenter and take possession of the Premises and remove Tenant, Tenant's agents, licensees, invitees or anyone in the Premises under agreement with Tenant, and any or all of their property from the Premises. Reentry and removal may be affected by any means permissible by law.

**24.2.3. Enforcement.** Enforce, by suit or otherwise, any term or provision hereof on the part of Tenant required to be kept or performed.

**24.2.4. Lien.** Enforce a Landlord's lien upon all personal property of the Tenant on the Premises and apply all proceeds therefrom to the amounts due by Tenant to Landlord under this Lease. Pending sale of said personal property to satisfy the Landlord's lien, Tenant agrees that Landlord has the right at its option to allow the personal property to remain in place, to store the seized personal property in a location other than the Premises or to relet the Premises and any such personal

property of Tenant remaining on the Premises and apply all proceeds to Tenant's account.

**24.2.5. Collection.** Require Tenant to pay Landlord, without demand or notice, all monetary rent and other payments accrued to the date of such default and a proportionate part of such rent or other sums otherwise payable for the year in which such default occurs, all monetary rental and other payments due hereunder shall continue to accrue and be due to Landlord by Tenant in the event the Lease is not terminated after a default by Tenant.

**24.3. Cure.** Landlord may but is not required to, upon Tenant's default, pay any sum or perform any act that requires the payment of any sum and the sum paid by Landlord shall be due immediately from Tenant to Landlord at the time the sum is paid, and if paid by Tenant at a later date, the outstanding principal amount thereof shall bear interest at the statutory rate for interest on judgments (A.R.S. § 44-1201) from the date the sum is paid by Landlord until Landlord is reimbursed in full by Tenant. Any such sum, together with interest thereon, shall constitute additional rent. Tenant's default shall not be deemed cured until such time as Tenant has fully reimbursed Landlord as required hereunder.

**25. Default By Landlord.** Landlord shall not be in default unless Landlord fails to perform obligations required of Landlord hereunder within a reasonable time, but in no event later than thirty (30) (or, in the case of Landlord's obligations under Section 18.3, twenty (20)) days after written notice by Tenant to Landlord, specifying wherein Landlord has failed to perform such obligation. If the nature of Landlord's obligation is such that more than thirty (30) (or twenty (20), as applicable) days are required for performance then Landlord shall not be in default if Landlord commences performance within such period and thereafter diligently prosecutes the same to completion. In the event of Landlord's default, Tenant shall have all remedies available at law or in equity. Additionally, Tenant shall have the right, but not the obligation, to pay any sum or perform any act that requires payment of any sum in the event of a default hereunder by Landlord. Such sum paid by Tenant shall be due immediately from Landlord to Tenant at the time the sum is paid, and if paid by Landlord at a later date, the outstanding principal amount thereof shall bear interest at the statutory rate for interest on judgments (A.R.S. § 44-1201) from the date the sum is paid by Tenant until Tenant is reimbursed in full by Landlord.

## **26. Damage to Premises**

**26.1. Damage due to Insured Casualty.** In the event the Premises or any portion thereof are damaged by fire or other perils covered by the insurance that Tenant is required to maintain pursuant to Section 21 above (whether or not Tenant actually has such insurance) (an "Insured Casualty"), Tenant shall forthwith repair the same, restoring the Premises to the condition which existed prior to the Insured Casualty or to a comparable facility, subject to compliance with applicable building codes, and this Lease shall remain in full force and effect without abatement of rent or Tenant's non-monetary obligations except as set forth in Subsection 26.4 below.

The above notwithstanding, in the event the Premises are destroyed or damaged by an Insured Casualty to such an extent that the cost of restoring the Premises exceeds fifty percent (50%) of the then insured value thereof, Tenant may, at its option, elect to terminate this Lease in its entirety or as to the damaged parcel(s) only, at any time within one hundred twenty (120) days after the occurrence of the casualty, which termination shall be effective as of the date specified in such notice, with such date to be no more than thirty (30) days after the giving of such notice. In the event of such termination (in whole or in part), Tenant shall deliver to Landlord all insurance proceeds received by Tenant for the damage to the Premises and the improvements thereon, except any portion of such proceeds that must be paid to a lender that has extended financing with respect to the damaged improvements. Landlord shall have no claim or right to receive any portion of other proceeds paid for losses sustained by Tenant, such as proceeds from personal property insurance (with respect to property in which Landlord has no insurable interest) or business interruption insurance.

**26.2. Damage due to Uninsured Casualty.** In the event the Premises or any portion thereof are damaged to an extent that the cost of repair will exceed, by more than Two Million Dollars (\$2,000,000), the insurance proceeds that Tenant is entitled to receive under the insurance policies that Tenant is required to carry pursuant to Section 21 above, Tenant shall have the option to: (1) repair, reconstruct or restore the Premises, in which event this Lease shall continue in full force and effect without abatement of rent or Tenant's non-monetary obligations; or (2) give notice to Landlord at any time within sixty (60) days after such damage, terminating this Lease, in its entirety or as to the damaged parcel(s) only, as of the date specified in such notice, which date shall be no more than thirty (30) days after the giving of such notice. If Tenant elects to terminate the Lease in whole or in part, Tenant shall pay to Landlord all insurance proceeds paid to Tenant for the damage to the parcels with respect to which Tenant is terminating the Lease except any portion of such proceeds that must go to a lender that has extended financing with respect to the damaged improvements.

If Tenant elects to terminate this Lease (in its entirety or only with respect to the damaged parcel(s)) in accordance with this Subsection, Landlord shall have the right to repair, reconstruct and/or restore the Premises at its sole cost (but including the insurance proceeds paid to it by Tenant pursuant to the preceding paragraph) by providing written notice of the same to Tenant within thirty (30) days of receipt of Tenant's notice of termination in which case this Lease shall remain in full force and effect and Landlord shall diligently pursue the repair, reconstruction and/or restoration of the Premises to the condition which existed prior to the casualty or to a comparable facility subject to compliance with applicable building codes. Rent due hereunder and Tenant's non-monetary obligations shall not abate.

**26.3. Casualty Near End of Lease Term.** Anything to the contrary contained in this Section notwithstanding, Tenant shall not have any obligation whatsoever to repair, reconstruct or restore the Premises when the damage resulting from any casualty covered under this Section occurs during the last sixty (60) months of the Lease term. In the event of any casualty during such periods, Tenant shall have the right to terminate the Lease, in its entirety or with respect to the damaged portion only, or elect to repair the Premises as

set forth in Subsection 26.2 above. In the event this Lease is terminated in accordance herewith (either partially or in its entirety), Tenant shall deliver to Landlord all insurance proceeds received by Tenant resulting from the commercial property policy of insurance maintained by Tenant in accordance with Section 21 hereof, except any portion of such proceeds that must go to a lender that has extended financing with respect to the damaged improvements.

**26.4. Restoration/Construction/Abatement.** Tenant's obligation as set forth in Subsections 26 and 26.2 shall be only to restore the Premises to the condition which existed prior to the casualty or to a comparable facility, both subject to compliance with all applicable building codes. In the event of any such casualty which damages Tenant's furniture, fixtures and/or equipment at the Premises and does not result in the termination of this Lease in accordance with this Section, Tenant shall proceed with reasonable diligence and at Tenant's sole cost and expense to restore, repair or replace all of Tenant's leasehold improvements, fixtures, and other personal property of Tenant to the same condition which existed prior to the casualty. Tenant shall continue the operation of its business within the Premises to the extent practicable during any period of reconstruction or restoration, it being agreed that Tenant's failure to provide any Service as the result of a casualty to the Premises shall not result in a default hereunder by Tenant or in any liability on the part of Tenant.

**26.5. Effect of Full or Partial Termination.** In the event Tenant terminates the Lease in its entirety as provided in this Section, this Lease shall expire and all interest of Tenant in the Premises shall terminate on the date so specified in Tenant's notice of termination and the monetary rent and all other amounts due hereunder shall be deemed abated as of the date of the casualty. In the event the Lease is only partially terminated as set forth above, the parties' obligations with respect to the released parcel(s) shall be deemed abated as of the date of the casualty, but the Lease shall continue in full force and effect with respect to the remaining parcels.

**27. Eminent Domain.** If any portion of the Premises shall be taken or appropriated by any public or quasi-public authority under the power of eminent domain, such that Tenant's operations on the Premises are materially impaired, either party hereto shall have the right, at its option, within sixty (60) days after said taking, to terminate this Lease upon thirty (30) days' written notice. If any portion of the Premises are taken (and neither party elects to terminate as herein provided), the rent thereafter to be paid shall be equitably reduced. In the event of any taking or appropriation whatsoever, Landlord shall be entitled to any and all awards and/or settlements which may be given on account of the reduction in the value of the leasehold, the taking of the fee or otherwise and Tenant shall have no claim against Landlord for the value of any unexpired portion of the Lease Term.

## **28. General Provisions.**

**28.1. Conflict of Interest.** This Lease is subject to cancellation pursuant to Arizona Revised Statutes § 38-511 which is incorporated herein by reference.

- 28.2. Waiver.** The waiver by Landlord or Tenant of any term, covenant or condition herein contained shall not be deemed to be a waiver of such term, covenant or condition or any subsequent breach of the same or any other term, covenant or condition herein contained by the subject party. The subsequent acceptance of rent hereunder by Landlord shall not be deemed to be a waiver of any preceding default by Tenant of any term, covenant or condition of this Lease, other than the failure of Tenant to pay the particular rental so accepted regardless of Landlord's knowledge of such preceding default at the time of the acceptance of such rent. Failure of Landlord or Tenant to insist upon strict performance of any provision or to exercise any remedy hereunder shall not be deemed to be a waiver by such party of any breach relating to such provision or giving rise to such remedy. No provision of this Lease shall be deemed to have been waived unless such waiver shall be in writing signed by the party against whom such waiver is sought to be enforced.
- 28.3. Marginal Headings.** The marginal headings and section titles to the sections of this Lease are not a part of this Lease and shall have no effect upon the construction or interpretation of any part hereof.
- 28.4. Time.** Time is of the essence of this Lease and each and all of its provisions in which performance is a factor.
- 28.5. Successors and Assigns.** The covenants and conditions herein contained, subject to the provisions as to assignment, apply to and bind the successors and assigns of the parties hereto.
- 28.6. Recordation.** Either this Lease or a short form memorandum hereof may be recorded at the request of either party.
- 28.7. Quiet Possession.** Upon Tenant's paying the rent and observing and performing all of the covenants, conditions and provisions on Tenant's part to be observed and performed hereunder, Tenant shall have quiet possession of the Premises for the entire Lease Term, subject to all the provisions of this Lease.
- 28.8. Prior Agreements, Amendments, and Modifications.** This Lease contains all of the agreements of the parties hereto with respect to any matter covered or mentioned in this Lease, but nothing in this Lease will be deemed to limit or change the rights and obligations of the parties under the IGA.. No provision of this Lease may be amended or added to except by an agreement in writing signed by the parties hereto or their respective successors in interest. This Lease shall not be effective or binding on any party until fully executed by both parties hereto.
- 28.9. Partial Invalidity.** Any provision of this Lease which shall prove to be invalid, void, or illegal shall in no way affect, impair or invalidate any other provision hereof and such other provision shall remain in full force and effect unless an essential purpose of this Lease would be defeated by loss of the invalid, void, or illegal provision.
- 28.10. Cumulative Remedies.** No remedy or election hereunder shall be deemed exclusive but shall, whenever possible, be cumulative with all other remedies at law or in equity.

**28.11. Choice of Law and Venue.** This Lease shall be governed by the laws of the State of Arizona and the venue for any action in regard hereto shall be the Pima County Superior Court.

**28.12. Attorneys Fees.** In the event of any action or proceeding brought by either party against the other under this Lease the prevailing party shall be entitled to recover its expenses and costs, including its attorneys' fees and expert witness fees in such action or proceeding, including costs of appeal, if any, in such amount as the court may adjudge reasonable.

**28.13. Notices.** Wherever this Lease requires or permits notice or demand to be given by either party to the other, such notice or demand shall be in writing and given or served either personally or in writing forwarded by regular mail or by certified mail, return receipt requested, addressed to the parties at the addresses specified below and to the following individuals, unless otherwise required by law or as more specifically indicated in this Lease. Either party may change such address by written notice to the other as herein provided.

If notice is to Landlord:

Pima County  
Attention: County Administrator  
130 W. Congress, Tenth Floor  
Tucson, Arizona 85701  
Telephone Number: (520) 740-8661  
Fax Number: (520) 740-8 171

And: Pima County Attorney's Office - Civil Division  
Attention: Chief Civil Deputy County Attorney  
32 N. Stone Avenue, #2100  
Tucson, Arizona 85701-1412  
Telephone Number: (520) 740-5750  
Fax Number: (520) 620-6556

If notice is to Tenant:

University Physicians Healthcare Hospital  
Attention: CEO  
2800 E. Ajo Way  
Tucson, AZ 85713

And: University Physicians Healthcare  
Attention: CEO  
2701 East Elvira  
Tucson, AZ 85756

**28.14. Authority of Tenant.** Each individual executing this Lease on behalf of Tenant represents and warrants that he or she has full authority to do so and that this Lease binds the corporation. If any court or administrative agency determines that Landlord

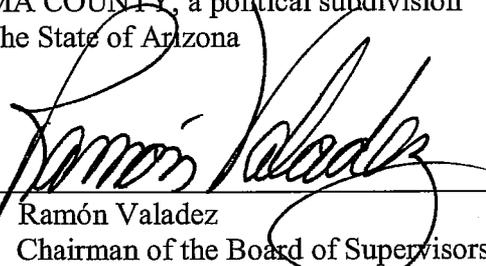

does not have authority to enter into this Lease, Landlord shall not be liable to Tenant or any third party by reason of such determination or by reason of this Lease.

- 28.15. Partial Payment and Performance.** Nothing herein shall require or obligate Landlord to accept any partial payment of the then current and owed rent or additional rent due or partial performance of obligations under this Lease. Landlord may, in its sole discretion, accept partial payments of amounts due or partial performance of obligations hereunder, such acceptance of partial payments of rent or additional rent due or partial performance of obligations hereunder shall in no way be considered or constitute a waiver by Landlord of any failure on the part of Tenant to timely pay rent or additional rent due or perform the obligations hereunder nor shall such acceptance be considered an accord and satisfaction of the rentals then due under this Lease.
- 28.16. No Subsidy by Landlord.** Tenant acknowledges that Landlord does not intend to and cannot legally pay, subsidize or otherwise contribute to Tenant for the operation of the Hospital.
- 28.17. Hospital Advisory Board.** An advisory board shall be created, with fifteen members, constituted as follows: two members who shall be Supervisors on the County Board of Supervisors, to be appointed by the Board of Supervisors; one member who shall be appointed by the County Administrator; two members who shall be appointed by the Tenant; five members appointed by the University of Arizona Health Sciences Center; and five community members, to be appointed by the Board of Supervisors (the "Advisory Board"). This Advisory Board will meet on a quarterly basis during the term of the Lease, to act as a community advisory board. It shall not have any governing authority over Tenant's operations.
- 28.18. Dispute Resolution.** Except as otherwise specifically set forth above with respect to specific types of disputes, in the event of a dispute with respect to this Lease, the parties agree to meet informally and promptly to confer regarding their respective positions and interests, and to use their best efforts to resolve the dispute in a manner satisfactory to both. If the parties are unable to resolve the dispute through negotiation, either party may submit the dispute to mediation by sending to the other party a written demand that the dispute be submitted to mediation (the "Mediation Notice"). The mediation will be conducted pursuant to the Mediation Rules for Commercial Disputes of the American Arbitration Association ("AAA") (or the rules of another nationally recognized dispute resolution agency, agreed upon by the parties, in the event that AAA is not functioning at the time of the dispute). The costs of the mediation, including the fees and expenses of the mediator, shall be shared equally by the parties, but each party shall bear the expense of its own counsel, experts, witnesses, and preparation and presentations at the mediation. The parties agree to mediate in good faith through executives or officials attending the mediation sessions who have authority to resolve the dispute at the mediation sessions. If the dispute is not resolved through mediation within 45 days after the date of the Mediation Notice, the mediation may thereafter be terminated by either party. Pending the conclusion of the mediation, neither party shall bring a lawsuit with respect to the dispute.

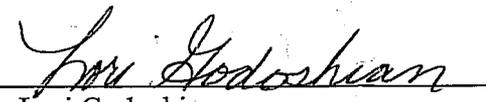

IN WITNESS WHEREOF, Landlord and Tenant have executed this Amendment as of the date and year first written above.

**THENCE** North 00°47'18" West a distance of 177.35 feet;

**THENCE** along a tangent curve to the right, with a radius of 40.00 feet, through a central angle of 89°55'42" (the chord of which bears North 44°10'33" East, a distance of 56.53 feet) for an arc length of 62.78 feet; the **POINT OF BEGINNING**.

EXHIBIT A-2  
LEGAL DESCRIPTION OF HELIPORT PARCEL

28 January 2010

LEGAL DESCRIPTION  
KINO HOSPITAL HELIPORT

Northwest Quarter of Section 32, Township 14 South, Range 14 East, Gila and  
dian, Pima County, Arizona, more particularly described as follows:

at the northeast corner of said Section 32 from which the North One-Quarter  
corner of said Section 32 bears South 89° 06' 44" West, a distance of 2,647.69 feet;

THENCE South 89° 06' 44" West along the north line of said Northeast Quarter, a distance of  
1,693.00 feet;

THENCE South 00° 53' 16" East, a distance of 1,139.63 feet to the POINT OF BEGINNING;

THENCE North 89° 05' 05" East, 284.01 feet to a point of curve concave to the southwest;

THENCE southeasterly along the arc of said curve, having a radius of 25.00 feet, through a  
central angle of 90° 03' 02", and an arc distance of 39.29 feet to a point of tangency;

THENCE South 00° 51' 44" East, 196.46 feet;

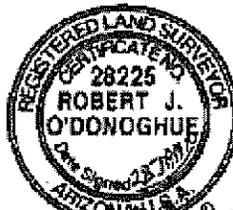

THENCE South 89° 14' 34" West, 363.73 feet;

THENCE North 00° 46' 07" West, 179.80 feet to a point of curve concave to the southeast;

THENCE northeasterly along the arc of said curve, having a radius of 40.00 feet, through a  
central angle of 86° 58' 11", and an arc distance of 60.72 feet to a point of tangency;

THENCE North 86° 12' 02" East, 16.47 feet to the POINT OF BEGINNING;

The basis of bearing for this legal description is the north line of Northeast Quarter of said Section  
32, said bearing being South 89° 06' 44" West.

*Robert J. O'Donoghue*

### MINIMUM REQUIRED HEALTHCARE SERVICES TENANT WILL CONTINUE TO PROVIDE

#### I. Inpatient bed capacity

Inpatient bed capacity of 245 beds will be maintained and allocated as Tenant determines necessary to address clinical, financial and operational factors while emphasizing the growth of the medical/surgical business essential to the financial viability of the hospital and the preservation of Graduate Medical Education.

#### II. General Services

1. Emergency Department (ED) – currently has a capacity for 20 ED beds; to increase to a total of 42 ED beds once the BHP opens and ED is approved to provide patient care with an additional increase in capacity to 53 upon completion of additional ED construction of existing space. Level III trauma data gathering will begin within 90 days of opening and Level III designation will be sought thereafter upon the other appropriate requisites being met.
2. Urgent care is currently available and may be replaced by a Fast Track Option with opening of the new ED on the main floor of the BHP.
3. Surgical Services for both inpatient and outpatient procedures  
24/7 General Surgery on-call  
Plastic surgery  
Hand surgery  
Trauma surgery  
Operating, recovery rooms and general anesthesia

Cardiac Catheterization Lab

#### Ancillary and Out Patient Services Provided:

1. Certified Inpatient Geriatric Unit – Under development
2. Anesthesiology
3. Pharmacy – Federal 340B Designation
4. Lab and Pathology
5. Imaging: CT Scan, MRI, X-ray, Ultrasound
6. Rehabilitative Therapies: Physical, Speech, Occupational
7. Orthopedics and Sports Medicine
8. Respiratory Therapy
9. Nutritional Services
10. Neurology
11. General Surgery
12. Infectious Disease
13. Cardiovascular and Cardiology/EKG
14. Endocrinology
15. Pulmonary Medicine
16. Radiology
17. Urology
18. Nephrology
19. Emergency Medicine - including Toxicology

20. Gastroenterology
21. OB/GYN clinics and inpatient GYN services
22. Ophthalmology
23. Internal Medicine
24. Family and Community Medicine
25. Hospitalist
26. Telemedicine
27. Inpatient and Outpatient Behavioral Health Services
28. Podiatry
29. Rheumatology

**EXHIBIT E**  
**COURTROOM SECURITY SERVICES**

1. UPH will, with respect to the Superior Court Space, and subject to the cooperation of the Court where noted, supply the following security services:
  - Screen visitors, patients and other attendees who are not members of the court for dangerous devices.
  - Provide a presence inside of the Court during Title 36 Hearings.
  - Provide Camera Surveillance: 24 Hours/7 days a week (see below).
  - Grant and manage Court Employee and Ancillary Legal Support Staff Card Access (see below)
  - Maintain Access and Surveillance
  - Respond to all Duress Alarms
2. UPH Patients will be escorted from the Behavioral Health Unit to Court. Non-UPH patients will be escorted to the Court as directed and arranged by the sending facility. UPH will utilize the two rooms immediately adjacent to the elevator to avoid delays and maximize the efficiency of the Court's hearing schedule.
3. Points of contact will be exchanged between the Court and UPH, information will be shared back and forth regarding security concerns, and the parties, together with the County when appropriate, will meet as needed to discuss and resolve issues promptly.
4. UPH will provide Orientation to UPH Buildings, campus, and pertinent procedures, for all Court Staff.
5. The Court will provide UPH, in a timely manner, with copies of all post orders, policies, and procedures, and any changes to those orders, policies, and procedures as and when they are amended by the Court.
6. The Court will promptly inform UPH if the Court's hours of operation (currently 9:00am to 5:00pm) are altered and will, supply UPH security staff, each day, with the next day's hearing calendar. UPH shall exert reasonable effort to accommodate any change in the Court's hours of operation.
7. The Court will train designated security staff on all post orders, policies and procedures, and any changes to such orders, policies and procedures as and when they are amended by the Court from time to time.
8. Landlord or Court will provide training to the security staff regarding operation of the scanner.
9. Security personnel will hand out keys as appropriate in order for armed visitors (other than law enforcement personnel) to self check weapons before entering the courtroom.
10. Security personnel will be unarmed.

**CCTV System**

Recording – 14 Video cameras throughout the Court Facilities and adjacent areas will be recorded on UPH equipment.

Reviewing – UPH will make the surveillance videos available for review, upon request, to designated Court personnel. Only the Court, under its policies, will permit release to any other party, unless UPH is legally required to release the video.

Monitoring - UPH will randomly monitor live video from cameras located throughout the Court. All suspicious or threatening activities will be reported to appropriate Court authorities.

**Badging/Access -**

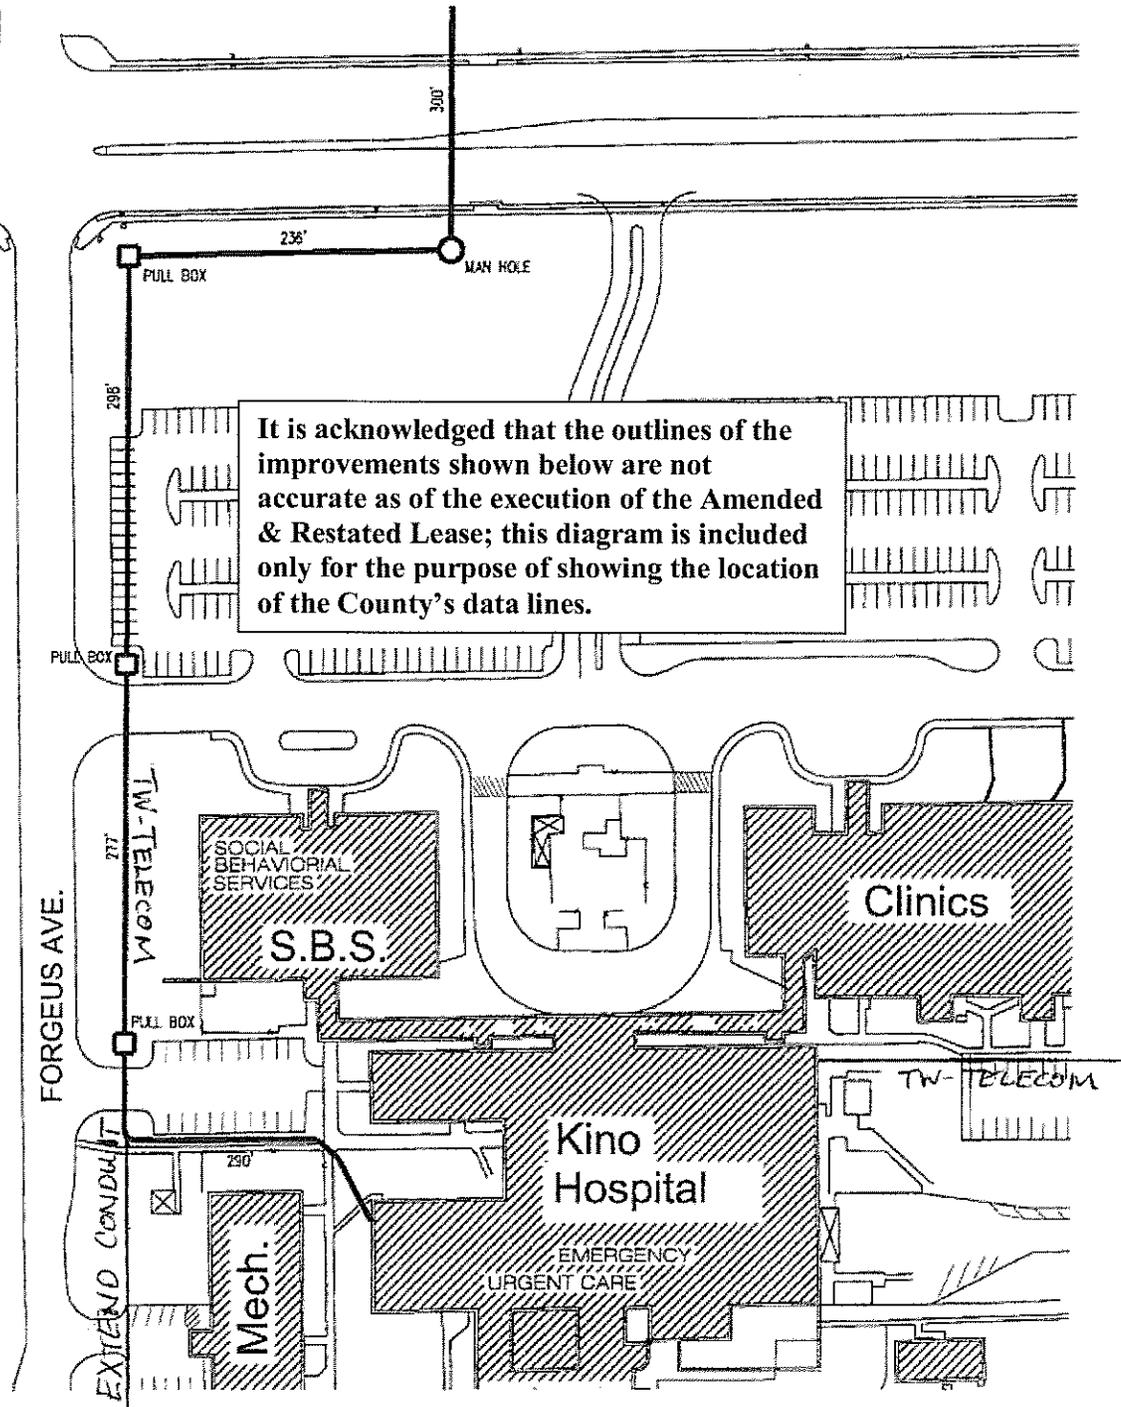

Badging - UPH will provide identification/access badges and vehicle parking stickers, and will grant badge access, to all Court employees and ancillary legal support staff, with Court approval, within 24 hours of receiving a written request. Designated hours for Court employee badging are: Monday thru Friday, 0700 to 1800.

**EXHIBIT F**  
**DESCRIPTION AND LOCATION OF COUNTY FIBER OPTIC CABLE AND**  
**CONNECTIONS**

The County communications media, consisting of various cables, is in two 4" conduits from 2695 E. Ajo Way to a j-box allowing outside-to-inside pathway transition located on the outside of the west wall of the hospital (drawing attached). The conduits penetrate the west wall and run up the inside of the wall to the crawl space between the 2nd and 3rd floors where they run approximately 75' east and then penetrate the 3rd floor. The route then continues to the "telephone/communications" room at the southeast corner of the 3rd floor and to two separate termination points, on the southwest and north walls. Both of these termination points are marked as "County Cable."

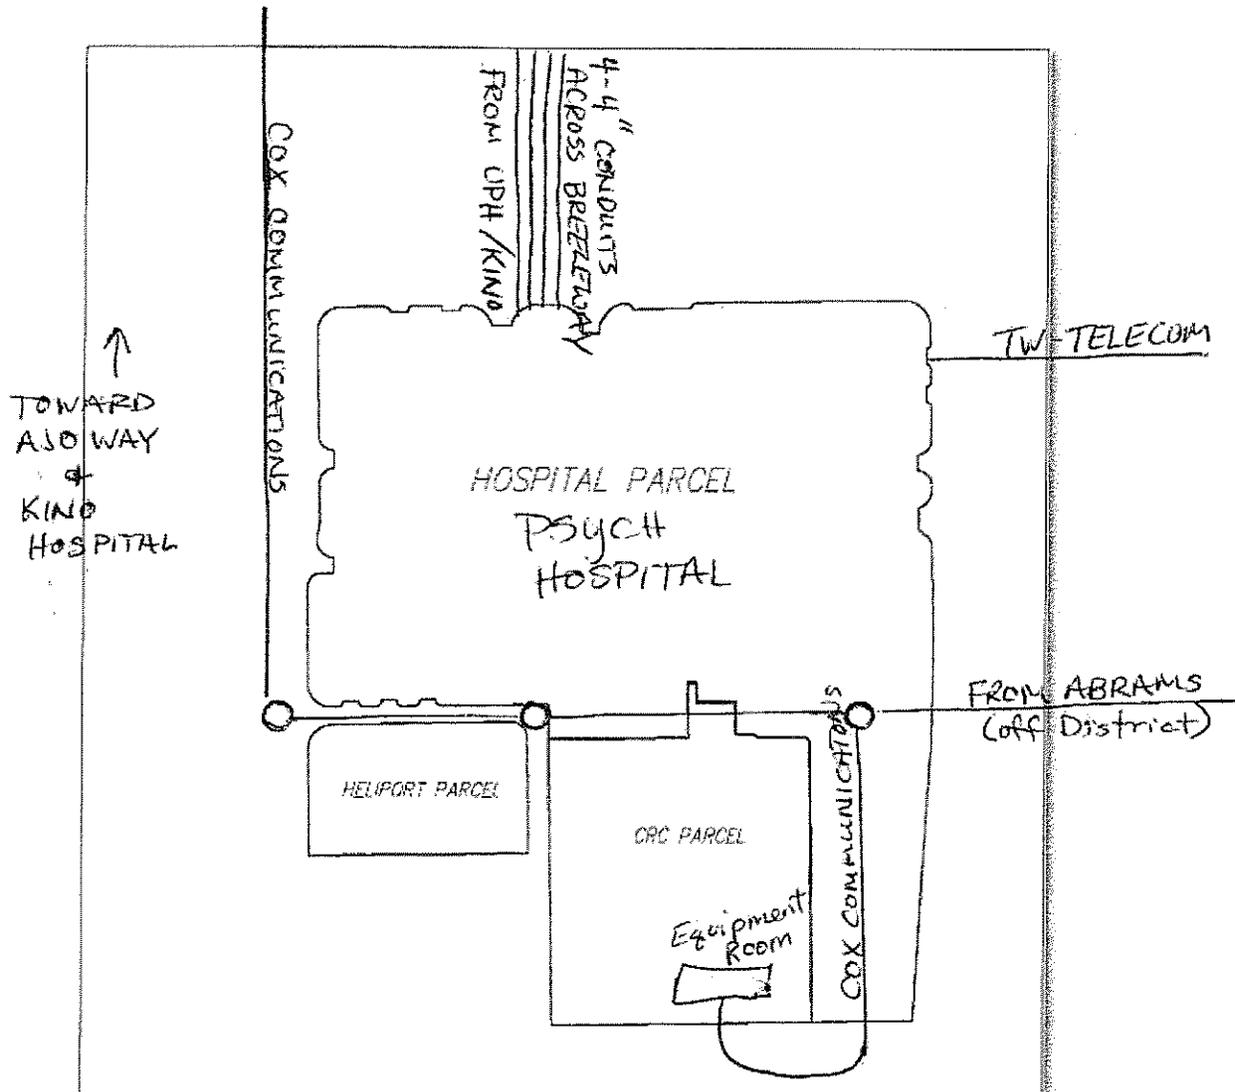

(See attached diagrams.)

This is an Official Copy of the Pima County contract executed and on file with Pima County.

It is acknowledged that the outlines of the improvements shown below are not accurate as of the execution of the Amended & Restated Lease; this diagram is included only for the purpose of showing the location of the County's data lines.

### SHARED SERVICES AND COST SHARING WITH CRC

Shared Costs with  
CRC & Sub-Acute Unit

<u>System or Service</u>	<u>Description of Service</u>	<u>Method of Cost Distribution</u>	<u>Capital Replacement Cost</u>	<u>Capital Replacement Methodology</u>
<b>Electricity</b>	UPHH will provide the feed to the CRC for all normal electrical service. This charge will show up on the UPHH bill from TEP and will need to be charged to CPSA. There are no sub meters to capture the usage of the CRC.	Based on Square Footage	N/A	N/A
<b>Emergency Electricity</b>	UPHH will provide the feed to the CRC for all emergency electrical power. A portion of the diesel generator maintenance, inspections, fuel and ultimate capital replacement will need to be charged to CPSA. There are no sub meters to capture the usage of the CRC.	Based on Square Footage	TBD	Based on depreciable life and Square Footage with an annual 3% increase to account for inflation of costs.
<b>Heating and Cooling Water</b>	Chilled water and Heating water is provided from UPHH to the CRC for the HVAC system. There are no sub meters to capture the usage of the CRC.	Based on Square Footage	TBD	Based on depreciable life and Square Footage with an annual 3% increase to account for inflation of costs.
<b>Energy Management System</b>	The environmental controls for the CRC building are controlled by the BHP and existing hospital. UPHH will provide chilled and heated water from the BHP central plant, as set forth above, with sufficient energy capacity for the CRC air handling unit(s) to maintain the space temperatures within the CRC facility per American Society of Heating, Refrigeration and Air Conditioning Engineers (ASHRAE) Standard 55-2010 Thermal Environmental Conditions for Human Occupancy.	Based on Square Footage and UPHH Hospital selected vendor- Advanced Controls Corporation	N/A	N/A
<b>Maintenance and Repairs</b>	UPHH will perform regular maintenance on equipment, generators, and utility systems. This includes FTEs, fuel, chemicals and other items purchased for operating the plant. Locksmithing and Energy management system trouble shooting included.	All cost for Plant Operations will be based on Square Footage. Unexpected repairs to connecting systems and facilities will be based on Square Footage. Repairs solicited for systems and facilities that are not connected will be based on Time and Material.	N/A	N/A
<b>Irrigation water</b>	Landscaped areas around building and in parking areas is provided through the BHP and one meter.	Pima County reclaimed water is used for all landscaping and Pima County will absorb all costs.	N/A	N/A
<b>Parking Lot and Landscaping</b>	Recommend utilizing Wild West Landscaping.	Agreed upon rate between CPSA and vendor.	N/A	N/A
<b>Cable TV</b>	Provide feed from UPHH to CRC for the approximately 5 TV's in the CRC. This is subject to all filters/restrictions placed on the feed by UPHH.	No charge to CPSA	N/A	N/A
<b>Connecting covered walkway, sally port parking area and associated gates</b>		All maintenance and repairs are covered by CPSA.	N/A	N/A
<b>Landscaping and parking lot</b>		UPHH and CPSA will be responsible for their own landscaping and parking lot cleaning and maintenance.	N/A	N/A
<b>Elevators</b>		UPHH and CPSA will be responsible for their own elevator maintenance and certification.	N/A	N/A
<b>Termite and pest control</b>		UPHH and CPSA will be responsible for their own termite and pest control.	N/A	N/A
<b>Fire Alarm Control Panel and Fire Sprinkler Testing</b>	All testing will be coordinated by UPHH.	Based on Square Footage	N/A	N/A

## Detailed Worksheets for Background Info.

		Annual Exp.	Capital	FTE
<b>Commercial Electricity (TEP)</b>	UPHH will provide the feed to the CRC for all normal electrical service. This charge will show up on the UPHH bill from TEP and will need to be charged to CPSA. There are no sub meters to capture the usage of the CRC. The way this bill will be split is based on square footage proportions. The Commercial power is consumed by lighting, computers and equipment.			
	Meter			
<b>Emergency Generator Power</b>	UPHH will provide the feed to the CRC for all emergency electrical power. A portion of the diesel generator maintenance, inspections, fuel and ultimate capital replacement will need to be charged to CPSA. There are no sub meters to capture the usage of the CRC. The cost to provide the Preventive and routine maintenance for a pair of 1000KVA generators is currently estimated at \$4200 per year. Diesel Fuel to operate the pair of generators for a year is currently estimated at \$3660 per year. One FTE, plus periodic supplementation by other staff, will be required to operate the new Power Plant in the BHP. The cost of this staff is currently \$24/hr plus 30% for benefits.			
		\$7,860		1.0
<b>Heating and Cooling Water</b>				

	<p>Chilled water and Heating water is provided from UPHH to the CRC for the HVAC system. There are no sub meters to capture the usage of the CRC. The TEP power bill will reflect the power usage to run the large chillers, the SW Gas bill will reflect the natural gas used by the heating water boilers. Bills will be proportioned out according to the square footages of the entities. Both of these are closed loop systems, and there are two cooling towers connected to the chillers. The aforementioned 1 FTE will operate these pieces of equipment. For Water Treatment Chemicals, the annual expense is currently estimated at \$27,000. Cost for chiller maintenance is currently estimated at \$26K per year. A water softener and associated salt with labor to add salt and run the equipment will be an annual expense of approximately \$3500</p>	\$56,500
<b>Energy Management System</b>	<p>The environmental controls for the CRC building are controlled by the BHP and existing hospital. UPH will assist CRC operators on a T&amp;M basis to troubleshoot problems within the CRC. It is possible for the buildings to be separated and an interface station be placed in the CRC. If this option is selected, it would be at the cost of CRC operators.</p>	T&M
<b>Maintenance and Repairs</b>	<p>UPHH will perform regular maintenance on equipment, generators, irrigation, and utility systems. This includes FTEs, fuel, chemicals and other items purchased for operating the plant. Locksmithing and Energy management system troubleshooting included.</p> <p>All cost for Plant Operations will be based on Square Footage. Unexpected repairs to connecting systems and facilities will be based on Square Footage. Repairs solicited for systems and facilities that are not connected will be based on Time and Material.</p>	T&M Billed as occurs
<b>Irrigation water</b>	<p>Landscaped areas around building and in parking areas is provided through the BHP and one meter. The bill passed on to the CRC will be based on Square footage percentage occupied</p>	Meter
<b>Parking Lot and Landscaping</b>	Utilize same vendor as UPH Hospital- Wildwest Landscaping	Actual invoice

**(Copies Attached)**

*Agreement among Pima County, the Arizona Board of Regents, and UA Healthcare, Inc. Relating to the Operation and Funding of a Hospital on University of Arizona Medical Center South Campus as Part of the University of Arizona College of Medicine Graduate Medical Education Program, dated June 15, 2010 (Pima County Contract 143026)*

*First Amendment to the Agreement among Pima County, the Arizona Board of Regents, and the University of Arizona Health Network, Inc., previously known as UA Healthcare, Inc. Relating to the Operation and Funding of a Hospital on University of Arizona Medical Center South Campus as Part of the University of Arizona College of Medicine Graduate Medical Education Program, executed by the County on May 1, 2012, and dated effective July 1, 2012*

*Second Amendment to the Agreement among Pima County, the Arizona Board of Regents, and the University of Arizona Health Network, Inc. Relating to the Operation and Funding of a Hospital on University of Arizona Medical Center South Campus as Part of the University of Arizona College of Medicine Graduate Medical Education Program, executed by the County on May 13, 2014, and dated effective August 1, 2014*

payments due under this Agreement during that six month period. The termination period may be reduced by mutual written agreement of the Parties.

2. Paragraph 3.5 Subsequent Years is modified to read as follows: County is not at this time agreeing to provide funding after June 30, 2016, but County will maintain a close relationship with ABOR/UACOM and UAHN and its affiliates throughout the term of the Lease and will support its mission to the extent consistent with other County responsibilities and funding limitations, and with appropriation and budgeting laws and policies. The Parties agree to begin negotiations for any extension of funding by August 1 of the year preceding the applicable expiration date and to provide as much notice as is reasonably possible in the event any party elects not to continue the relationship. If the County does agree to provide additional funding after June 30, 2016, the Parties will execute a written supplement or addendum to this Agreement setting forth the amount and timing of the payments, and the use of the funds.
3. Pursuant to Paragraph 3.5 of the Agreement, the County agrees to provide ABOR additional funding for the twenty-three month period between August 1, 2014 and June 30, 2016 in the manner and under the terms and conditions set forth in the Attachment B-2.
4. Paragraph 3. **County Funding Amounts** is modified to add paragraph 3.8 Additional Funding. In the event UAHN or its affiliate, UPH, makes any improvements to the geriatric psychiatry unit of UAMC – South Campus during the term of this Amendment, the County agrees to reimburse that entity for its improvement expenses within 45 days of County's receipt of proof of payment by that entity to the contractor. In no event will the total improvement expense reimbursement pursuant to this paragraph exceed Eight Hundred Thousand Dollars (\$800,000). Any improvements must be made in accordance with the restrictions and limitations contained in the 2004/2006 bond ordinance and pursuant to Section 17 of the Amended and Restated Lease Agreement (Pima County Contract 04-65-U-134151-604-07).

5. Paragraph 12.13. Notice is modified to update the contact information as follows:

Arizona Board of Regents:

Joe GN Garcia, MD

## ATTACHMENT A-2

### Operational Objectives

The Parties jointly determined a set of four guiding principles for the successful development and operation of the UAMC-South campus that further the Parties' mutual objectives. Those guiding principles together with the specific goals and objectives intended to service those principles during the time period beginning August 1, 2014 through June 30, 2016 are set forth below.

#### ***1. Efficient and Effective Service Delivery and Training of the Healthcare and Allied Healthcare Workforce***

- a. *Development of a trained, skilled workforce in health care and allied fields*
  - i. Ensure and maintain a robust training experience for all University of Arizona College of Medicine (UACOM) training programs at the UAMC- South Campus.
  - ii. Expand and enhance training programs focused on a care delivery model that will improve outcomes by increasing collaboration with healthcare professionals in a variety of health-related disciplines.
  - iii. Explore possibilities of training rotations, consistent with CMS resident funding, to locations throughout Pima County government.
  - iv. Explore opportunities to retain UACOM resident physicians in Pima County after completion of their residencies.
- b. *Cost-effective and quality service delivery*
  - i. Develop care and payment models that improve patient outcomes.
  - ii. Ensure continued availability of quality healthcare for southern Arizona through continuous evaluation and assessment of existing and future service needs.

#### ***2. Public Health and Community Wellness.***

- a. *Integration of Medical and Community Behavioral Health Systems.*
  - i. Enhance and expand integration and cooperation with community behavioral health service providers by collaborating with the local Regional Behavioral Health Authority.
  - ii. Explore opportunities to enhance behavioral health service delivery through cost-effective and innovative treatment models.
  - iii. Develop UAMC-South campus into a Behavioral Health Center of Excellence as recognized by the Arizona Board of Regents. This will be developed in partnership with Pima County, UAHN and the UACOM Department of Psychiatry.

- iv. Continue to assist Pima County in fulfilling its involuntary commitment obligations under Title 36 of Arizona Revised Statutes by serving as the community practice hub for involuntary commitments and through the design and implementation of evaluation and treatment models that respect an individual's right to timely treatment in the least restrictive setting and provide individuals with the opportunity to participate in their evaluation and treatment on a voluntary basis.
- v. Use its best efforts to make progress in diversion of individuals from involuntary treatment and in development of an outpatient involuntary evaluation program.

b. *Enhancement of Communitywide Health Initiatives.*

Explore opportunities to develop and enhance key programs that positively impact healthcare needs and access to care based on the joint UAHN/UACOM strategic plan and in response to community needs.

c. *Integration and Cooperation with First Responders*

Continue active cooperation and integration with the community's first responders and emergency response capabilities through participation in activities, events and exercises.

### **3. *Accountability and Transparency***

Ensure regular and systematic reporting of financial and statistical data for the UAMC-South Campus by convening at least monthly financial and operational oversight meetings in conjunction with Pima County and other stakeholders.

### **4. *Financial Viability and Sustainability.***

a. *Operational Performance*

Continue to improve operational performance through consistent and regular monitoring of key indicators including, but not limited to, average daily census, average length of stay, patient mix, staffing patterns and visits to specific services or specialties.

b. *Financial Reviews*

Ensure improved financial operations through consistent and regular review of financial indicators including, but not limited to, annual revenue and

expense goals, gross patient charges, net service revenue, contract or other operating income, operating expense, payer mix and methodology and protocol for allocating federal and state matching dollars for local service.

**Attachment B-2**  
**Funding and Reporting**

**1. Funding.**

For activities and reporting occurring or due August 1, 2014 through June 30 2015, the County will, within ten business days of submission of proof to and approval by County of each of the set of reports or deliverables, pay to ABOR a sum not to exceed Fifteen Million Dollars (\$15,000,000) in monthly installments of One Million Three Hundred Sixty-three Thousand Six Hundred Thirty-six Dollars (\$1,363,636). For activities and reporting occurring July 1, 2015 through June 30, 2016, the County will within ten business days of submission of proof to and approval by County of each of the set of reports or deliverables, pay to ABOR a sum not to exceed Fifteen Million Dollars (\$15,000,000) in monthly installments of One Million Two Hundred Fifty Thousand Dollars (\$1,250,000).

**2. Required Reporting and Deliverables.** In consideration of and as a condition precedent to the funding set forth in this Second Amendment, UAHN must submit the following reports and deliverables. The schedule outlining the anticipated dates of receipt for each set and type of report and deliverable is attached as Schedule B-1.

- a. Uncompensated care. UAHN Chief Financial Officer shall provide the County with a definition of uncompensated care applicable to both UAMC-University and South Campuses.
- b. Monthly.
  - i. Evidence that at least monthly Oversight Committee Meeting took place unless mutually cancelled or rescheduled.
  - ii. Financial and Statistical reports including a comparison to budgeted amounts and prior year actual amounts together with explanatory narratives and highlights.
  - iii. Receipt of UAMC-South Campus daily census by inpatient unit as distributed within the system.
- c. Quarterly.
  - i. Status of match initiatives with the Arizona Health Care Cost Containment System ("AHCCCS") and actual or planned allocation of federal funds by initiative and source of matching funds.
  - ii. Status of payer contracts with specific attention to behavioral health services.
  - iii. Status, actions taken, and progress made toward achieving level III trauma designation at the UAMC-South Campus from the American College of Surgeons (ACS).
  - iv. Key program initiatives at the UAMC-South campus funded in whole or in part with Pima County bonds or identified as community needs including but not limited to: Diabetes Prevention and Treatment Program; School of Nutritional Services; Expanded GI Program; Primary Care Physician Expansion and Family and Community Medicine Programs; training initiatives for allied health workers.

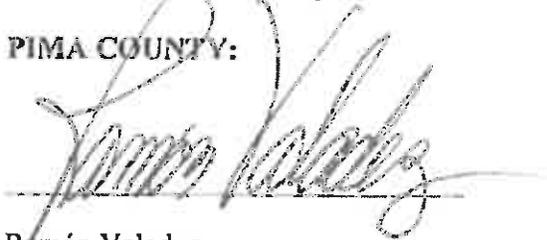

- v. Status of activities and actions taken to achieve designation by the ABOR as a Center of Excellence for behavioral health services and progress made toward the integration of medical and behavioral health services and implementation of innovative programming allowing patients to be treated in the least restrictive environment on a voluntary basis. Identified trends and anticipated changes in circumstances together with strategies and plans to address any operational or financial consequences.
  - vi. Number and percentage of admissions through emergency department and by direct admission.
- d. Annually.
- i. UAHN Board approved operating and capital budgets for the integrated system as a whole and the South Campus individually including explanatory narrative and assumptions made that may impact budget year operations.
  - ii. Uniform Accounting Report (UAR) filings for both the UAMC-University Campus and South Campus operations within 30 days post filing.
  - iii. Medicare Cost Reports for both the UAMC-University Campus and South Campus operations within 30 days post filing.
  - iv. Internal Revenue Service Forms 990 for both the UAMC-University Campus and South Campus operations within 30 days post filing.
  - v. Audited Financial Statements for the integrated system as a whole, the UAMC-University Campus and South Campus operations by October 31.
  - vi. Identity of physicians providing billable services at the UAMC-South Campus by specialty together with their total billed service units wherever provided and total service units billed by physician at the UAMC-South Campus.
  - vii. Status of activities and actions taken to develop, pursue, and maintain the UAMC-South Campus as a training site for a variety of health-related disciplines.
  - viii. Updates regarding progress of the UAHN Strategic Plan.
  - ix. Status of operational and contractual relationship between UAMC-South Campus and Regional Health Behavioral Authority (RHBA) for Crisis Response Center operations.
  - x. Leadership and organizational chart for the UAMC-South Campus, including governance relationship with UAHN.
- e. Ad Hoc.
- i. Any event that is likely to have a material impact on UAHN or either UAMC Campus as soon as reasonably possible.
  - ii. Copies of any anticipated press releases relating to the UAMC-South Campus as soon as reasonably possible.
  - iii. Notice of any media contacts or requests as soon as reasonably possible.
  - iv. Advance written notice of any intent to terminate services, add provider based clinics, or make changes in services or specialties available at the UAMC-South Campus.
  - v. A comparison of costs and revenues for state and federal inmate services.
  - vi. Financial reports related to the emergency department, behavioral health and uncompensated care at UAMC-South Campus, upon request.

1. Pursuant to Paragraph 3.5 of the Agreement, the County agrees to provide ABOR additional funding for the twenty-five month period between July 1, 2012 and July 31, 2014 in the manner and under the terms and conditions set forth in the Attachment B-1.
2. During the twenty-five month funding period to which this Amendment applies, UAHH (directly or through a subsidiary) will pursue the various operational objectives and reporting requirements that have been jointly developed by the Parties as set forth in Attachments A-1 and B-1.
3. All other provisions of the Agreement not specifically changed by this Amendment remain in effect and are binding upon the Parties.
4. This Amendment is effective July 1, 2012.

In Witness Whereof, the parties have executed this Agreement as of the dates indicated below.

## ATTACHMENT A-1

### Operational Objectives

The Parties jointly determined a set of four guiding principles for the successful development and operation of the UAMC-South campus that further the Parties' mutual objectives. Those guiding principles together with the specific goals and objectives intended to service those principles during the time period beginning July 1, 2012 through July 31, 2014 are set forth below.

1. ***Efficient and Effective Service Delivery and Training of the Healthcare Workforce.***
  - a. *Development of a healthcare workforce.*
    - i. Establish and maintain a wide variety of accredited Graduate Medical Education ("GME") programs consistent with resident slots funded by CMS with a target UAMC-South campus resident population of 100 CMS funded resident slots.
    - ii. Expand and enhance training programs by formalizing plans for UAMC-South campus to serve as a training site for the Colleges of Nursing and Pharmacy.
    - iii. Explore possibilities of training rotations that are consistent with resident slots funded by CMS to locations including the Pima County Adult and Juvenile Detention Centers, and other public health sites.
    - iv. Enhance the treatment capacity of accredited GME programs by including in the strategic planning process a strategy to increase patient volumes for existing programs and development of new GME discipline programs that are consistent with resident slots funded by CMS.
    - v. Retain UAMC trained physicians in Pima County by first determining the number of UAMC residents who locate their practice within Pima County.
2. ***Public Health and Wellness.***
  - a. *Integration with Community Behavioral Health Services.*
    - i. Enhance and expand integration and cooperation with other community behavioral health service providers by monitoring and refining collaborative operational efforts with the Crisis Response Center and the Community Partnership of Southern Arizona and explore opportunities to enhance existing service delivery through cost effective and innovative treatment models.
    - ii. Develop UAMC-South campus as a Behavioral Health Center of Excellence. A timeline will be developed in conjunction with the University of Arizona Department of Psychiatry to achieve such designation from the Arizona Board of Regents.
  - b. *Integration with First Responders.*

moves toward the eventual goal of net patient revenue and expenditures that are less than net total revenues; appropriately and adequately allocating federal and state funds obtained utilizing matching dollars from Pima County to services and programming located at the UAMC-South Campus; and developing and implementing a mutually acceptable uncompensated care reimbursement methodology and protocol.

- ii. Expand the available contracted payer base by implementing a system-wide payer contracting practice that utilizes joint and shared services between UAMC Campuses.

c. *Enhancement of Community Health Initiatives.*

- i. Ensure the incorporation and enhancement of key service elements that serve the community and provide financial stability by developing and implementing an annual plan to optimize surgical operations and facilities at the UAMC-South Campus and continuing to actively participate in the community wide diabetes collaborative.

4. *Accountability and Transparency.*

a. *Provide Robust and Regular Communications.*

- i. Ensure regular and systematic reporting of financial data for the UAMC-South Campus and for UAHN as a whole by convening, in conjunction with Pima County, a monthly oversight meeting involving representatives from Pima County and UAHN and by providing monthly financial and statistical reports.
- ii. Ensure regular and systematic reporting of operational information for the UAMC-South Campus and UAHN as a whole by convening monthly meetings, which may be held contemporaneously with the monthly financial meeting, with representatives of UAHN and Pima County at which time overviews of operational issues and updates on the status of the requirements of this Agreement will be provided.

## Attachment B-1

### Funding and Reporting

#### 1. Funding.

For activities and reporting occurring or due July 2012 through July 2014, the County will, within ten business days of submission of proof to and approval by County of each set of reports or deliverables, pay to ABOR the sum of One Million Two Hundred Thousand Dollars (\$1,200,000) not to exceed a total of Thirty Million Dollars (\$30,000,000.00) ("Base Funding"). In addition to the Base Funding, the County will, for those activities identified below as program expansion activities, and upon submission to and approval by the County of a business plan, market statement and a profit and loss statement for those activities, pay an additional sum based on the value of the activity, up to a total amount of Five Million Dollars (\$5,000,000) per fiscal year and a total amount of Ten Million Dollars (\$10,000,000) for the period of July 2012 through July 2014 ("Expansion Funding"). The total amount of Base and Expansion funding available as a result of this First Amendment is not to exceed Forty Million Dollars (\$40,000,000.00).

#### 2. Required Reporting and Deliverables. In consideration of and as a condition precedent to the funding set forth in this First Amendment, UAHN must submit the following reports and deliverables. The schedule outlining the anticipated dates of receipt for each set and type of report and deliverable is attached as Schedule B-1.

- a. Uncompensated care. UAHN Chief Financial Officer must provide the County with a definition of uncompensated care applicable to both UAMC-University and South Campuses.
- b. Monthly.
  - i. Evidence that twice monthly Oversight Committee Meeting took place unless mutually cancelled or rescheduled.
  - ii. Financial and Statistical reports including a comparison to budgeted amounts and prior year actual amounts together with explanatory narratives and highlights.
  - iii. Receipt of UAMC-South Campus daily census by inpatient unit as distributed within the system.
- c. Quarterly.
  - i. Status of match initiatives with the Arizona Health Care Cost Containment System ("AHCCCS") and actual or planned allocation of federal funds by initiative and source of matching funds.
  - ii. Status of payer contracts with specific attention to behavioral health services.
  - iii. Status, actions taken, and progress made toward achieving level III trauma designation from the American College of Surgeons (ACS).

- iv. Key program initiatives at the UAMC-South campus funded in whole or in part with Pima County bonds or identified as community needs including but not limited to: Diabetes Prevention and Treatment Program; School of Nutritional Services; Expanded GI Program; Primary Care Physician Expansion and Family and Community Medicine Programs; training initiatives for allied health workers.
  - v. Status of activities and actions taken to achieve designation by the ABOR as a Center of Excellence for behavioral health services and progress made toward the integration of medical and behavioral health services and implementation of innovative programming allowing patients to be treated in the least restrictive environment on a voluntary basis. Specifically, the County anticipates that UAMC-South Campus will serve as the primary service provider for the involuntary commitment process and as such expects UAHN, in conjunction with the Regional Behavioral Health Authority, its affiliates, contractors, and designees, to use its best efforts to make measurable progress in the areas of diversion from involuntary treatment, and the development of an outpatient involuntary evaluation program such as partial hospitalization,
  - vi. Identified trends and anticipated changes in circumstances together with strategies and plans to address any operational or financial consequences.
  - vii. Number and percentage of admissions through emergency department and by direct admission.
- d. Annually.
- i. UAHN Board approved operating and capital budgets for the integrated system as a whole and the South Campus individually including explanatory narrative and assumptions made that may impact budget year operations.
  - ii. Uniform Accounting Report (UAR) filings for both the UAMC-University Campus and South Campus operations within 30 days post filing.
  - iii. Medicare Cost Reports for both the UAMC-University Campus and South Campus operations within 30 days post filing.
  - iv. Internal Revenue Service Forms 990 for both the UAMC-University Campus and South Campus operations within 30 days post filing.
  - v. Audited Financial Statements for the integrated system as a whole, the UAMC-University Campus and South Campus operations by October 31.
  - vi. Identity of physicians providing billable services at the UAMC-South Campus by specialty together with their total billed service units wherever provided and total service units billed by physician at the UAMC-South Campus.

- vii. Status of activities and actions taken to develop, pursue, and maintain the UAMC-South Campus as a training site for the Colleges of Nursing and Pharmacy.
  - viii. Strategic plan that is specific to the UAMC-South Campus that, at a minimum, addresses patient volume, GME programs, clinic activity by practice area, inpatient practice expansion, capital equipment and physical plant utilization.
  - ix. Status of operational and contractual relationship between UAMC-South Campus and Crisis Response Center with recommendations to facilitate patient transfer and treatment between the two facilities.
  - x. Leadership and organizational chart for the UAMC-South Campus including a description of the governance relationship with UAHN.
  - xi. The membership, participation, and accomplishments of the UAMC-South Campus advisory board and physician participation in programming unique to the South campus authored or approved by the UAMC Chief Executive Officer or designee.
- e. Ad Hoc.
- i. Any event that is likely to have a material impact on the operations or finances of UAHN or either UAMC Campus as soon as reasonably possible.
  - ii. Copies of any anticipated press releases relating to the UAMC-South Campus as soon as reasonably practicable.
  - iii. Notice of any media contacts or requests as soon as reasonably practicable.
  - iv. Advance written notice of any intent to terminate services, add provider based clinics, or make changes in services or specialties available at the UAMC-South Campus.
  - v. A comparison of costs and revenues for state and federal inmate services.
  - vi. A copy of any UAHN OMB A-133 audit on any grants in excess of \$300,000.

### 3. **Expansion Services.**

- a. Telemedicine Provider Services.
- b. Physician recruitment, capital investment for physician retention at or location to the UAMC-South Campus.
- c. Trauma services in excess of that minimally required to achieve Level III designation.
- d. Expansion of existing physical space utilization.
- e. Expansion of surgical procedures or facilities.

**Schedule B-1 UAHN Deliverable  
Anticipated Schedule of Filing**

Please Note: The description of reporting elements in this Schedule is provided in summary form only. A detailed description of the reports is available in the IGA, Attachment B-1.

#	Special Reporting Identified to Date	Reference in IGA	Anticipated Timeline
1	Uncompensated Care definition applicable to UAMC University and South Campuses	2 a	July 1, 2012

#	Monthly Reporting	Reference in IGA	Anticipated Timeline
1	Oversight Committee Meetings	2 b.i	First and third Wednesday of the month
2	Financial and Statistical Reporting	2 b.ii	20th calendar day of the month for the activities from the previous month
3	Daily Census by Inpatient Unit	2 b.iii	Daily as distributed through the system

#	Quarterly Reporting	Reference in IGA	Anticipated Timeline
1	Status or match initiatives with AHCCCS and actual or planned allocation of federal funds	2 c.i	Last day of the month for activities through the previous three month period - i.e. July, August and September due by October 31st
2	Status of Payer Contracts with attention to behavioral health	2 c.ii	Last day of the month for activities through the previous three month period - i.e. July, August and September due by October 31st
3	Status of actions taken and progress made towards achieving Level III Trauma Designation	2 c.iii	Last day of the second month following the end of the quarter - i.e. July, August and September reporting due by November 30th
4	Key program initiatives funded by bonds funds or identified as community need	2 c.iv	Last day of the month for activities through the previous three month period - i.e. July, August and September due by October 31st
5	Status of activities and actions for Center of Excellence designation for behavioral health	2 c.v	Last day of the month for activities through the previous three month period - i.e. July, August and September due by October 31st
6	Identified trends and anticipated changes in circumstances with strategies and plans to address operational or financial consequences	2 c.vi	Last day of the month for activities through the previous three month period - i.e. July, August and September due by October 31st
7	Number and percent of admissions from emergency department and by direct physician referral	2 c.vii	Last day of the month for activities through the previous three month period - i.e. July, August and September due by October 31st

#	Annual Reporting	Reference in IGA	Anticipated Timeline
1	UA Healthcare Board approved operating and capital budgets for the Integrated System and UAMC - South Campus	2 d.i	July 1, 2012 and July 1, 2013
2	Uniform Accounting Reports for UAMC - University and South Campuses	2 d.ii	Within 30 days post filing
3	Medicare Cost Reports for UAMC - University and South Campuses	2 d.iii	Within 30 days post filing
4	IRS Forms 990 for UAMC - University and South Campuses	2 d.iv	Within 30 days post filing
5	Audited Financial Statements for the Integrated System and UAMC - University and South Campuses	2 d.v	October 31, 2013 and October 31, 2014
6	Physicians providing billable services at UAMC - South Campus	2 d.vi	July 31, 2013 and July 31, 2014
7	Status of activities and actions for training site for College of Nursing and Pharmacy	2 d.vii	July 31, 2013 and July 31, 2014
8	UAMC - South Campus Hospital Strategic Plan	2 d.viii	July 1, 2012 and July 1, 2013
9	Status of contractual relationship between UAMC - South Campus and CRC	2 d.ix	July 1, 2012, July 1, 2013 and June 30, 2014
10	Leadership and organizational chart for UAMC - South Campus	2 d.x	July 1, 2012 and July 1, 2013
11	Membership, participation and accomplishments of the UAMC - South Campus Advisory Board and physician participation in programming	2 d.xi	June 30, 2013 and June 30, 2014

#	Ad Hoc Reporting Identified to Date	Reference in IGA	Anticipated Timeline
1	Any event likely to have a material impact on UAHN or UAMC campuses	2 e.i	Upon learning of event
2	Copies of anticipated press release	2 e.ii	As soon as reasonably possible
3	Notice of media contacts or requests	2 e.iii	As soon as reasonably possible
4	Written notice to terminate services, add clinics or changes to services	2 e.iv	Prior to making any changes
5	Comparison of costs and revenues for State and Federal inmates	2 e.v	Annually or upon request
6	Copy of any UAHN OMB A-133 audit on any grants in excess of \$300,000	2 e.vi	Upon notice

<b>CONTRACT</b>
NO. <u>01-65-A-143026-0610</u>
AMENDMENT NO. _____
This number must appear on all invoices, correspondence and documents pertaining to this contract.

**AGREEMENT  
AMONG  
PIMA COUNTY, THE ARIZONA BOARD OF REGENTS, AND UA HEALTHCARE, INC.  
RELATING TO THE  
OPERATION AND FUNDING OF A HOSPITAL ON KINO CAMPUS AS PART OF THE  
UNIVERSITY OF ARIZONA COLLEGE OF MEDICINE GRADUATE MEDICAL EDUCATION PROGRAM**

This Agreement ("Agreement"), dated June 15, 2010, is entered into by and among Pima County, a body politic and corporate of the State of Arizona ("County"); the Arizona Board of Regents, a public body corporate, acting on behalf of the University of Arizona ("ABOR"); and UA Healthcare, Inc., an Arizona nonprofit corporation ("UA Healthcare"). County, ABOR and UA Healthcare are sometimes referred to collectively as "Parties" to this Agreement, or individually as a "Party."

**Recitals**

- A. ABOR has the responsibility and authority to maintain, govern, and administer the University of Arizona in Pima County (A.R.S. §§ 15-1601 and 15-1626); lease real property for the benefit and use of the institutions under its jurisdiction (ARS § 15-1625); establish and maintain the Arizona area health education system, to improve the recruitment, diversity, distribution, and retention of culturally competent personnel providing health services in Arizona's rural and medically underserved communities (ARS § 15-1643); "provide monies in addition to any state general fund monies appropriated for graduate medical education in order to qualify for additional matching federal monies for providers, programs or positions in a specific locality" (A.R.S. § 36-2903.01(H)(9)(f)); provide funding to qualify for additional federal matching monies for disproportionate share hospital payments for hospitals designated by the university (Laws 2009, third special session, chapter 10, section 23, paragraph 4, as added by H.B. 2116); and enter into intergovernmental agreements (A.R.S. § 11-951 *et seq.*).
- B. County has the authority to provide for the care and maintenance of the sick of the county, and erect and maintain hospitals for that purpose (A.R.S. § 11-251(5)); "provide for the hospitalization and medical care of the sick in the county and, to the extent that such expenses are not covered by a third party payer, to persons under the supervision of a county corrections agency" (A.R.S. § 11-291); pay for the costs of evaluation of persons undergoing involuntary evaluation in the absence of another payer (A.R.S. § 36-545.04); "provide monies in addition to any state general fund monies appropriated for graduate medical education in order to qualify for additional matching federal monies for providers, programs or positions in a specific locality" (A.R.S. § 36-2903.01(H)(9)(f)); provide funding to qualify for additional federal matching monies for disproportionate share hospital payments for hospitals designated by the County (Laws 2009, third special session, chapter 10, section 23, paragraph 4, as added by H.B. 2116); "appropriate and spend public monies for and in connection with economic development activities ... that the board of supervisors has found and determined will assist in the creation or retention of jobs or will otherwise improve or enhance the economic welfare of the inhabitants of the county" (A.R.S. § 11-254.04); and enter into intergovernmental agreements (A.R.S. § 11-951 *et seq.*).
- C. County owns a hospital campus (the "Kino Campus") that includes a main hospital building (the "Hospital Building") in which it previously operated a County hospital. The Kino Campus is

This is an Official Copy of the Pima County contract executed and on file with Pima County.

located in a federally designated medically underserved area of the County as well as in a health professional shortage area for both primary care and behavioral health.

- D. UA Healthcare is a new Arizona nonprofit corporation formed for the purpose of acting as a "parent" corporation to University Physicians Healthcare ("UPH") and University Medical Center Corporation ("UMCC"), two existing nonprofit corporations associated with the University of Arizona College of Medicine ("UACOM"), and integrating their operations. ABOR appoints and removes members of the board of directors of UA Healthcare.
- E. UPH is a private non-profit corporation that was formed to function as the clinical practice group of the UACOM faculty and which conducts other activities, including the operation of the University Physicians Healthcare Hospital (the "Hospital") in the county-owned Hospital Building, as described below, and the operation of a health plan.
- F. UMCC is a non-profit corporation that, pursuant to A.R.S. § 15-1637(C), has quasi-governmental powers and status, and which operates University Medical Center ("UMC"), UACOM's principal teaching hospital, for the benefit of UACOM.
- G. In 2004, pursuant to A.R.S. § 11-256.01, County entered into an agreement with UPH (the "Lease") pursuant to which the County leased to UPH the Hospital Building, in which UPH now operates the Hospital. UPH pays nominal rent under the Lease.
- H. In connection with the Lease, County committed to ten years of gradually decreasing funding (service payments) to help the Hospital become established as a financially self-sufficient full-service general hospital.
- I. UPH has made progress toward developing expanded services at the Hospital, and has in addition established a residency/graduate medical education ("GME") program at the Hospital that it co-sponsors with UACOM (the "Co-Sponsored Residency Program"), but has also experienced serious operational and financial difficulties. All service payments under the Lease have been accelerated, and all but \$6,583,333 (the "Remaining Services Fee") has been paid to UPH.
- J. Though the County has remained committed to assisting the Hospital operation, and even set aside an additional \$15 million in the FY 2010 County budget for that purpose, concerns regarding hospital operations, and legal issues associated with the additional payment of public monies, have prevented disbursement of those County funds. ("Fiscal year" or "FY" when used in this Agreement means the County's fiscal year, July 1 to June 30.)
- K. The Chartis Group ("Chartis") was commissioned to examine and make recommendations regarding the Hospital operations, and the first phase of this study was recently completed.
- L. UPH has retained the services of a professional management company, Alvarez Healthcare Industry Group ("Alvarez") and, with the assistance of key staff supplied by Alvarez, has begun instituting aggressive measures, based on the findings, recommendations, and benchmark indices in the Chartis report, to increase revenues, decrease expenses, increase patient volumes, streamline the Hospital operations and turn around the Hospital's financial performance.
- M. As part of this effort, an aggressive medical staff development plan is also being developed, with the understanding that creation of a stable base of primary care physicians and specialists

This is an Official Copy of the Pima County contract executed and on file with Pima County

associated with the Hospital is necessary to increase service volumes and further improve the hospital's clinical and educational programs.

- N. At the same time, current economic conditions, as well as changes to various levels of federal and state health care funding, are causing additional challenges for all local hospitals, and the Hospital in particular.
- O. The County has committed to constructing, at public expense, various capital improvements (together with associated furniture, fixtures, and equipment) to the Kino Campus, including a new heliport for medivac operations (the "Heliport"); a new behavioral health in-patient facility (the "Psych Hospital") adjacent to the Hospital Building, which includes a psychiatric emergency department and an outpatient clinic on the first floor; and a new building (the "Crisis Recovery Center"), physically connected to the Hospital Building, that is being constructed to house a psychiatric urgent care crisis center on the first floor and a sub-acute behavioral health in-patient facility on the second floor, to be operated by the Regional Behavioral Health Authority ("RBHA") in collaboration with the Hospital. (When the "Hospital" is referred to in this Agreement, it includes the Psych Hospital.)
- P. The County has also set aside public funds for the build-out of physician clinical space on the second floor of the Abrams public health building, located adjacent to the Kino Building, and is prepared to lease this space to ABOR at below-market rates.
- Q. Arizona and Pima County are faced with a healthcare workforce shortage limiting community access to healthcare. Revitalization of the Kino Campus would provide a site for training of a much-needed professional healthcare workforce, including physicians, nurses and pharmacists. Through cooperation with Pima Community College as well as the University of Arizona School of Public Health and School of Government and Policy, operations on the Kino Campus could also support other public health and health administration programs, all of which will ultimately improve the community's access to quality healthcare.
- R. The teaching mission of UACOM is thus consistent with and furthers various County public health, education, and economic development goals by helping to ensure that sufficient medical professionals are available in the community to care for County residents (particularly those who currently are underserved); by developing a professional workforce and individual opportunities for economic and educational advancement; and by helping to attract high tech and bio tech companies to the area, thus enhancing overall economic development for the benefit of County residents.
- S. It is therefore in the best interests of the County and its residents for UACOM, UA Healthcare and its subsidiaries to succeed in maintaining, expanding, and further integrating the teaching and clinical operations at the UMC and Kino campuses, creating a unified educational and clinical system that maximizes economic and healthcare opportunities for County residents.

## Agreement

### 1. Purpose and Parties.

- 1.1. Purpose. The purpose of this Agreement is to provide for County funding of the UACOM's public health and education mission, including support of UACOM's two-hospital medical education and clinical system, with an initial focus on stabilizing and turning around the Hospital's financial and operational performance.

This is an Official Copy of the Pima County contract executed and on file with Pima County.

1.2. ABOR Responsibility. ABOR's sole and exclusive duty under this Agreement is to receive the County funds and to use the funds as required by this Agreement. All other obligations will be performed by UA Healthcare or its subsidiaries.

**2. Term and Termination.**

2.1. Term. This Agreement will become effective when it has been duly approved and signed by all parties and, unless terminated earlier as provided below, will be co-terminus with the Lease, as it may be amended from time to time.

2.2. Unilateral Termination by ABOR or UA Healthcare. ABOR and UA Healthcare will each have the option to unilaterally terminate this Agreement at any time, without cause, with at least one year's advance written notice to the other Parties. The County will continue to make any payments due under this Agreement during that one year period. The termination period may be reduced by mutual written agreement of the Parties.

2.3. Additional Termination Provisions. Additional termination rights are found in Sections 3.1, 11, 12.7 and 12.8 below.

2.4. Effect of Termination. The Parties acknowledge that, simultaneously with approval and execution of this Agreement, the County and UPH are amending the Lease to provide that termination of this Agreement will result in the automatic termination of the Lease.

**3. County Funding Amounts.** In exchange for ABOR's promises, and its compliance with all the terms and conditions of this Agreement, the County agrees to provide funding to ABOR in the following amounts:

3.1. FY 2010: No later than 10 days after the execution of this Agreement by all the Parties, County will pay to ABOR the sum of Fifteen Million Dollars (\$15,000,000). If County does not make this payment timely, either ABOR or UA Healthcare may terminate this Agreement immediately.

3.2. FY 2011: County will pay to ABOR the following amounts on the following dates during FY 2011, subject to the terms and conditions in this Agreement:

July 1, 2010:	\$1,118,056.00
August 1, 2010;	\$1,118,056.00
September 1, 2010	\$1,118,056.00
October 1, 2010:	\$1,118,056.00
November 1, 2010	\$1,118,056.00
December 1, 2010	\$1,118,056.00
January 1, 2011:	\$1,118,056.00
February 1, 2011	\$1,118,056.00
March 1, 2011,	\$1,118,056.00

April 1, 2011	\$1,118,056.00
May 1, 2011	\$1,118,056.00
June 1, 2011	\$1,118,051.00

(ABOR and UA Healthcare acknowledge that the County will also be making the remaining payments due to UPH under the Lease as described in paragraph I of the Recitals.)

3.3. FY 2012: County will pay to ABOR the following amounts on the following dates during FY 2012, subject to the terms and conditions in this Agreement:

July 1, 2011:	\$1,250,000
August 1, 2011;	\$1,250,000
September 1, 2011	\$1,250,000
October 1, 2011:	\$1,250,000
November 1, 2011	\$1,250,000
December 1, 2011	\$1,250,000
January 1, 2012:	\$1,250,000
February 1, 2012	\$1,250,000
March 1, 2012	\$1,250,000
April 1, 2012	\$1,250,000
May 1, 2012	\$1,250,000
June 1, 2012	\$1,250,000

3.4. Additional Funding for FYs 2011 and 2012: If ABOR or UA Healthcare demonstrates to the reasonable satisfaction of County that, for a particular fiscal year, additional funding is needed, as a direct and not-reasonably-avoidable result of an objectively demonstrable change in circumstances beyond the control of ABOR, UA Healthcare, or the UA Healthcare subsidiaries that has a material impact on the Hospital/UMC financial operations, and the County, ABOR, and UA Healthcare reasonably agree that such circumstances warrant additional funding, the County will, to the extent consistent with budgeting requirements and other County obligations, provide additional funding in the subsequent fiscal year to help offset the unexpected losses.

3.5. Subsequent Years: County is not at this time agreeing to provide funding after FY 2012, but County will maintain a close relationship with ABOR/UACOM and UA Healthcare and its subsidiaries throughout the term of the Lease and will support its mission to the extent consistent with other County responsibilities and funding limitations, and with appropriation and budgeting laws and policies. If the County does agree to provide additional funding

This is an Official Copy of the Pima County contract executed and on file with Pima County.

after FY 2012, the Parties will execute a written supplement or addendum to this Agreement setting forth the amount and timing of the payments, and the use of the funds.

3.6. No Reduction in Payments for Operating Efficiencies: Funding for FYs 2011 and 2012, as set forth above, will not be reduced as a result of improvements in the operation of the Hospital that result in financial surpluses.

3.7. Reductions based on Lost County Revenues. UA Healthcare acknowledges that if detainees of any County-operated adult or juvenile detention facility, who are admitted to the Hospital as in-patients, are placed in a locked unit not otherwise available to be used for members of the general public, County will lose its ability to leverage federal funding through its Intergovernmental Agreement with AHCCCS. Therefore, the County may reduce any payment due hereunder by the amount of any such funding that the County is unable to obtain as a result of County detainees being so placed within the Hospital. County will provide a detailed report specifying names, dates and cost calculations for review and verification by UA Healthcare.

4. **Operation of Teaching Hospitals**. UA Healthcare will, for the entire term of this Agreement, directly or through its subsidiary entities, operate the two teaching hospitals, UMC and the Hospital, as part of an integrated system, pursuing goals and objectives for program development identified cooperatively by the Parties as set forth in Section 5.2. The exact nature of the arrangement between UA Healthcare and UACOM will be determined by ABOR and UA Healthcare.

5. **Use of County Funds.**

5.1. Matching Funds. ABOR may, in consultation with the County, decide to use some or all of the governmental funds provided pursuant to Section 3 to participate in any available federal or state matching programs that will maximize funding for UA Healthcare or its subsidiary entities. In particular, ABOR may transfer some or all of such governmental funds to the Arizona Health Care Cost Containment System ("AHCCCS") to be used as the non-federal share of enhanced AHCCCS payments for the benefit of UA Healthcare or its subsidiary entities. Neither UA Healthcare nor either UA Healthcare subsidiary may require ABOR to make any such transfers or to participate in any such matching programs. All monies provided by the County to ABOR pursuant to this Agreement will remain governmental funds, eligible to be used as a local match, until such time, if any, as ABOR transfers such funds pursuant to Section 5.2 below.

5.2. Operational Goals and Objectives. ABOR will, during any year for which County funding is provided, insure that all funds provided by the County that are not used for the purposes set forth in Subsection 5.1 above are used by UA Healthcare or UA Healthcare's subsidiaries, as appropriate, to make demonstrable, continuous progress toward the goals and benchmarks set forth in Attachment A and any that are later agreed upon by the Parties.

5.3. Allocation of Funding. ABOR's decision regarding the allocation of funds between the purposes set forth in Subsections 5.1 and 5.2 above shall be ABOR's alone (in consultation with the County) and neither UA Healthcare nor any UA Healthcare subsidiary is entitled to enforce any particular allocation of funds between such purposes.

This is an Official Copy of the Pima County contract executed and on file with Pima County.

**6. Additional County Assistance.**

- 6.1. Grant Opportunities. County will continue to work with UACOM and UA Healthcare on common grant opportunities and additional federal funding opportunities focused on health or educational development.
- 6.2. Community Partnerships. The County will continue to assist UA Healthcare and UACOM to forge partnerships with other healthcare providers and educators in the community (e.g., Pima Community College and CPSA) in conjunction with the faculty leadership, to complement and enhance service levels at the Hospital and UMC and implement strategies for healthcare workforce development at the Kino Campus that leverage this site to generate livable wage jobs and a pool of trained workers for the system.

7. **Lease**. County agrees that it will consent to an assignment of the Lease, or a sublease of the Hospital Building, to UA Healthcare or a UA Healthcare subsidiary if requested by UA Healthcare. County agrees that it will not, except as set forth in this Agreement, agree to a modification or termination of the Lease without UA Healthcare's written consent. If the name, or the provider number or accreditation number or operator of the Hospital changes, references to "the Hospital" in this Agreement will continue to apply to that hospital operation.

8. **Management Team**. For a period of twelve (12) months beginning July 1, 2010, UA Healthcare will ensure that no action is taken to terminate the current November 6, 2009 agreement with Alvarez, unless Alvarez has breached such contract and/or good cause exists to terminate such contract or to remove Alvarez personnel. In the event of a breach or such good cause, UA Healthcare will provide the County with ten (10) business days advance written notice of such action and the County will have, within the next ten (10) business days, the right to approve or disapprove the termination, provided that such approval is not withheld unreasonably.

**9. Reporting/Monitoring.**

- 9.1. Reports. UA Healthcare will provide to County the reports described on Attachment B with respect to the Hospital operations (consolidated corporate financials are not acceptable, but UA Healthcare may, with County's consent, combine information about the Hospital and UMC where appropriate). So long as these reports are being provided in a timely fashion, any reporting requirements in the Lease will be suspended (and the Parties acknowledge that this term will be reflected in the Lease amendment referred to in Section 2.4 above). Failure to provide a required report, if not cured as set forth in Section 11.1 below, is a material breach of this Agreement.
- 9.2. Requests for Additional Information. UA Healthcare will, in addition to furnishing the reports described in Attachment B, respond in a timely fashion (within seven business days unless an alternative timeline is mutually agreeable) to any County inquiries or requests for additional information or clarification of information previously provided.
- 9.3. Oversight Committee. The Parties will continue bi-weekly meetings of the Hospital oversight committee, which must include high level operational and administrative officers of UA Healthcare, and of the operator of the Hospital, if not UA Healthcare, as well as at least one representative of UACOM, and at least one member appointed by the County. All participants will candidly share information of interest to the group, including information regarding the operation of the two teaching hospitals. The committee will discuss this information and also seek to resolve any issues that have arisen under this Agreement. This committee will also discuss and set priorities regarding implementation of the goals and objectives referenced in Section 5.2, and agree upon new goals and objectives.

This is an Official Copy of the Pima County contract executed and on file with Pima County.

These bi-weekly meetings will continue through September 2010; the Parties will agree prior to that date on a schedule for future oversight committee meetings.

10. **County Representatives.** Reports shall be delivered to, and any County approvals required by this Agreement shall be obtained from, the County Administrator or his designee(s).

11. **Breach; Disputes.**

11.1. Breach.

11.1.1. A "breach" means that County, ABOR or UA Healthcare, as applicable, has failed to timely and adequately perform any material obligation under this Agreement and such failure continues for a period of ninety (90) days after the County (in the case of a breach by UA Healthcare or ABOR) or UA Healthcare and/or ABOR (in the case of a breach by the County) provides to the breaching Party (with a copy to the other Parties) written notice describing the nature of the failure; provided that the breaching Party will have more than ninety (90) days to cure such failure if such failure cannot reasonably be cured within such ninety (90) day period, but the breaching party within that period commences a course of action reasonably likely to cure such failure and thereafter diligently pursues it to completion. Failure to diligently pursue such course of action will not necessitate an additional notice and cure period.

11.1.2. The Parties acknowledge that their obligations under this Agreement are broad and that whether any particular obligation has been adequately and timely performed will be a matter that is subject to some interpretation. The Parties will endeavor at all times to make their expectations clear and to work collaboratively to address and resolve problems and issues that arise under this Agreement by bringing those issues to the Oversight Committee referenced in Section 9.3.

11.2. Dispute Resolution. In the event of a breach, neither party may exercise the remedies available to it, or file a lawsuit, until the dispute has been negotiated and mediated as set forth below, unless a party needs to file a lawsuit to preserve a party's legal rights in which event any such lawsuit will be stayed during the dispute resolution process.

11.2.1. *Definition of Dispute.* "Dispute" means any and all questions, claims, controversies, or disputes arising out of or relating to this Agreement, including the validity, construction, meaning, performance, effect, or breach of this Agreement, including any alleged breach or failure to pay by County or any alleged breach or failure to perform by ABOR and/or UA Healthcare.

11.2.2. *Negotiation.* In the event of any Dispute between the Parties, the Parties will promptly, amicably, and in good faith attempt to resolve such Dispute through informal negotiations using the Oversight Committee referenced in Section 9.3. Any Party may, however, if they conclude that informal negotiations are not resolving the Dispute quickly enough, commence a formal dispute resolution process by giving written notice of the Dispute to the other Party that contains a brief statement of the nature of the Dispute and indicates that this dispute resolution process is being invoked. If the Parties are unable to resolve the Dispute through negotiation within fifteen days of receipt by the adverse Party of the written notice of Dispute, any Party may, at any point after that fifteen day period, submit the Dispute to mediation as set forth below.

This is an Official Copy of the Pima County contract executed and on file with Pima County.

11.2.3. *Mediation.*

11.2.3.1. Commencement of Mediation. Any Party wishing to commence mediation after the failure of negotiations, as set forth above, must send a written notice of intent to mediate to the other party, specifying in detail the nature of the Dispute and proposing a resolution thereof ("Mediation Notice"). Within fifteen days after such Mediation Notice is received by the other party, if the Parties cannot agree on a proposed mediator, one shall be appointed by the executive director or other functional equivalent of the American Arbitration Association ("AAA"). Each party will designate no more than three representatives (not including their legal counsel) who will meet with the mediator to mediate the dispute. Mediation shall be commenced as soon as reasonably possible. The mediator will be a person who has no conflict of interest relationship with a Party.

11.2.3.2. Conduct of Mediation. The mediation will be conducted in Tucson, Arizona in accordance with the Commercial Mediation Rules and Procedures of the AAA and shall be non-binding. Any non-binding mediation conducted under the terms of this Section shall be confidential within the meaning of Arizona law. The cost of the mediation shall be borne equally by the Parties. The mediation will be conducted and completed within thirty days of the appointment of the mediator.

11.3. County Payments. If the Dispute includes a contention by the County that ABOR or UA Healthcare is in material breach, as defined above, the County may suspend payments due during the dispute resolution process (beginning on the date of the notice of Dispute) and any subsequent litigation; if the Dispute is successfully resolved through negotiation or mediation, such resolution will include an agreement regarding the amount due from the County and the date by which such amounts will be paid.

11.4. Remedies.

11.4.1. If County fails to make a payment due under this Agreement, or has otherwise breached or is in breach of this Agreement, ABOR's and/or UA Healthcare's sole and exclusive remedy, following completion of the dispute resolution process set forth above, is to terminate this Agreement and recover any sums due to it hereunder.

11.4.2. If either ABOR or UA Healthcare has breached or is in the breach of this Agreement, County's sole and exclusive remedy following completion of the dispute resolution process set forth above is to terminate this Agreement.

12. **General Provisions**

12.1. **Indemnification.** Each Party (as Indemnitor) agrees to indemnify, defend and hold harmless the other Parties (as Indemnitee) from and against any and all claims, losses, liability, costs or expenses (including reasonable attorney's fees) (hereinafter collectively referred to as "claims") arising out of bodily injury of any person (including death) or property damage, but only to the extent that such claims which result in vicarious/derivative liability to the Indemnitees are caused by the act, omission, negligence, misconduct, or other fault of the Indemnitor, its officers, officials, agents, employees, or volunteers.

This is an Official Copy of the Pima County contract executed and on file with Pima County.

- 12.2. **Insurance.** The County and ABOR shall keep in place their programs of self-insurance, in compliance with all applicable laws and regulations. UA Healthcare will at all times during the term of this Agreement maintain liability insurance at a level reasonably acceptable to County, with coverage substantially similar to coverage maintained by UMCC and UPH, with the understanding that coverage and limits will, as a good business practice, be modified from time to time.
- 12.3. **Compliance with Laws.** The parties will comply with all federal, state and local laws, rules, regulations, standards and Executive Orders, without limitation to those designated within this Agreement. The laws and regulations of the State of Arizona shall govern the rights of the parties, the performance of this Agreement and any disputes hereunder. Any action relating to this Agreement shall be brought in an Arizona court in Pima County.
- 12.4. **Non-Discrimination.** The parties agree to comply with all provisions and requirements of Arizona Executive Order 75-5 as amended by Executive Order 2009-09 including flow down of all provisions and requirements to any subcontractors, which is hereby incorporated into this Agreement as if set forth in full herein. During the performance of this Agreement, ABOR shall not discriminate against any employee, client or any other individual in any way because of that person's age, race, creed, color, religion, sex, disability or national origin.
- 12.5. **ADA.** The parties shall comply with all applicable provisions of the Americans with Disabilities Act (Public Law 101-336, 42 U.S.C. 12101-12213) and all applicable federal regulations under the Act, including 28 CFR Parts 35 and 36.
- 12.6. **Severability.** If any provision of this Agreement, or the application of any provision to the Parties or any person or circumstances, is held invalid, such invalidity shall not affect other provisions or applications of this Agreement which can be given effect, without the invalid provision or application and to this end the provisions of this Agreement are declared to be severable.
- 12.7. **Conflict of Interest.** This contract is subject to cancellation for conflict of interest pursuant to A.R.S. § 38-511, the pertinent provisions of which are incorporated herein by reference.
- 12.8. **Non-Appropriation.** Notwithstanding any other provision in this Agreement, this Agreement may be terminated if for any reason either the County or ABOR does not appropriate sufficient monies for the purpose of maintaining this Agreement.
- 12.9. **Worker's Compensation.** Each party shall comply with the notice of A.R.S. § 23-1022 (E). For purposes of A.R.S. § 23-1022, irrespective of the operations protocol in place, each party is solely responsible for the payment of Worker's Compensation benefits for its employees.
- 12.10. **No Joint Venture.** It is not intended by this Agreement to, and nothing contained in this Agreement shall be construed to, create any partnership, joint venture or employment relationship between the parties or create any employer-employee relationship between the County and ABOR (or UA Healthcare, UMCC, UPH) employees, or between ABOR and any County employees. Neither party shall be liable for any debts, accounts, obligations or other liabilities whatsoever of the other including (without limitation) the other party's obligation to withhold Social Security and income taxes for itself or any of its employees.

- 12.11. **No Third Party Beneficiaries.** Nothing in the provisions of this Agreement is intended to create duties or obligations to or rights in third parties not parties to this Agreement or effect the legal liability of either party to the Agreement by imposing any standard of care with respect to the maintenance of public facilities different from the standard of care imposed by law.
- 12.12. **Time Periods.** Time periods of ten or fewer days referenced in this Agreement will be understood to mean business days; time periods more than ten days will be understood to mean calendar days.
- 12.13. **Notice.** Any notice required or permitted to be given under this Agreement (this does not include the reports required under Section 9 above) shall be in writing and shall be served by personal delivery, certified mail, or facsimile upon the other party as follows (or at such other address as may be identified by a party in writing to the other party):

## ATTACHMENT A Operational Objectives

During any period for which County funding is provided under the Agreement, UA Healthcare (directly or through a subsidiary) will pursue various operational objectives in connection with the Hospital and UMC that have been jointly developed by the Parties, utilizing the information sharing process of the Oversight Committee described in Section 9.3 of the Agreement.

The Parties acknowledge that identified goals and objectives, including those set forth below, will need to be modified from time to time as circumstances change in a manner that makes it desirable or prudent to alter the priority or character of the goals and objectives in order to maximize the efficiency and effectiveness of the joint hospital operations. Below are the goals and objectives that have been initially identified and these will be pursued by UA Healthcare unless and until such time as the Parties agree that they should be modified. It is anticipated that most or all of these goals can be met during the FY2011 and that the Parties will agree upon additional specific goals and objectives for FY2012 and for any subsequent year during which the County provides funding, and that those additional goals will be memorialized in written supplements to this Agreement, which may be reviewed and approved for the County by the County Administrator.

1. *Chartis Recommendations.* Stabilize clinical operations and financial performance of the Hospital by implementing the Chartis recommendations and meeting the benchmarks and targets identified in the draft Chartis report provided to the County in September 2009, in the time frames set forth in that report.
2. *Agreement with RBHA.* Enter into an agreement with the RBHA with respect to the operation of both the psychiatric urgent care crisis service program as well as the sub-acute in-patient program in the Crisis Recovery Center, by October 2, 2010, provided such an agreement can be made on reasonable financial and other terms, in consultation with the County and UACOM. Provide a copy of that agreement, and any subsequent amendments, to the County. The agreement should demonstrate that the programs in the Crisis Recovery Center will be used to complement the RBHA system to provide a continuum of care for behavioral health services, including patients in crisis.
3. *Uncompensated Care.* Continue managing the level of uncompensated care at the Hospital, including, in consultation with the County, the development and implementation of protocols and procedures for tracking and measuring uncompensated care that meet standards reasonably acceptable to the parties and that assure indigent care does not include contractual allowances, charity care, bad debts, and accounts that are uncollectible as a result of a failure to exercise appropriate business practices common to this industry. UA Healthcare and the County will, no later than the December 31, 2010 agree upon what they believe to be a reasonable level of uncompensated care given the patient and payer mix at the Hospital. If the Hospital's level of uncompensated care as reported in the most recent Uniform Accounting Report for FY 2011 exceeds the agreed-upon benchmark UA Healthcare will, at no expense to the County, hire a contractor acceptable to County to carry out an independent review of the Hospital accounts reported as indigent care and Hospital practices and furnish a written report to the County describing in detail the reasons for the level of uncompensated care by service site and program.
4. *Emergency Management Services.* Coordinate and cooperate with Pima County's Health Department and Office of Emergency Management and Homeland Security in development of public health programs and emergency management response activities including the

This is an Official Copy of the Pima County contract executed and on file with Pima County.

development of a specific emergency response operating agreement executed by the parties by January 31, 2011.

5. *Coordination of Medical Services.* Develop the Hospital as a behavioral health hub (without compromising accreditation of the two psychiatric residency programs and without causing the Hospital to be deemed an Institution for Mental Diseases for purposes of Title XIX of the Social Security Act), with cost-effective and innovative treatment and continuum-of-care programs, including development of day-treatment programs, in close cooperation with the County and participation of the RBHA. At the same time, continue to provide what County and UA Healthcare agree is an appropriate range of medical and physician services at the Hospital.
6. *Joint Services.* Implement system-wide payer contracting and other joint and shared services between the Hospital and UMC operations.
7. *Title 36 Services.* Assist the County in meeting its mandated Title 36 court ordered evaluation obligations in a manner that respects the personal rights and liberties of the prospective patient and is cost-effective for the taxpayer, utilizing the Title 36 involuntary commitment and inpatient admissions only as a last resort rather than the current practice of routinely admitting individuals in lieu of aggressive and comprehensive outpatient crisis and 24 hour stabilization services or outpatient court ordered evaluation services. If UA Healthcare and County are unable to work out an agreement with respect to UA Healthcare's provision of Title 36 services that demonstrates a continuum of care, and is financially efficient for the County, the new Psych Hospital may be removed from the leased premises so that it may be used by another provider.
8. *Telemedicine.* Expand the telemedicine programs and services for detainees at any adult or juvenile detention facility, or nursing care facility, operated by Pima County.
9. *Physician Recruitment.* Develop (unless already developed in FY 2010) a specific physician recruitment plan for FY2011 by no later than July 31, 2010, and update that plan on an annual basis, no later than April 1 of each fiscal year covered by this agreement. Provide a copy of the plan to the County to include plans and projected requirements for space, capital equipment and any capital and operating expenditures associated with the physicians by specialty.
10. *Abrams Lease.* Define the need for physician clinic space and determine the appropriate location of that space. If appropriate, execute a lease with the County for the Abrams physician clinic space based on a proposal that clearly demonstrates financial improvement for the Hospital. The County currently has funding available to build out the Abrams space, but UA Healthcare acknowledges that this funding may, unless and until a lease is entered into by the parties, be converted to other County purposes.
11. *GME.* Finish establishment of and maintain accreditation of the Co-Sponsored Residency Program at the Hospital with a target of approximately 100 residents by the beginning of FY 2012.
12. *Center of Excellence for Behavioral Health.* Develop, by October 31, 2010, a plan to relocate psychiatric services currently provided at UMC to the Hospital in order to consolidate existing behavioral health services at the Kino Campus without compromising the accreditation of the two psychiatric residency programs, and without causing the Hospital to be deemed an Institution for Mental Diseases for purposes of Title XIX of the Social Security Act. Develop and operate that behavioral health services program (through both the Psych Hospital and the Crisis Recovery Center)--including psychiatric urgent care services, psychiatric emergency services,

This is an Official Copy of the Pima County contract executed and on file with Pima County.

outpatient psychiatric clinic service and inpatient psychiatric services--in a fashion that results in a "Center of Excellence" designation by the University of Arizona.

13. *Level III Trauma Center.* By October 1, 2010 provide a business assessment of the financial and clinical implications of continuing current plans to achieve a Level III designation for the emergency department to open in the new facility on or about July 1, 2011. By March 31, 2011, develop and provide to the County a comprehensive business plan for the operation of a new Level III trauma program at the Kino campus to be integrated with the Level I trauma program at UMC, including final community demand and forecasts of revenue and expenses and value to the community and southern Arizona unless, as a result of this planning process, UA Healthcare concludes, and demonstrates to County's reasonable satisfaction, that development of such a Level III trauma center at the Hospital is undesirable for the community or not operationally feasible, UA Healthcare will plan to achieve Level III designation within 90 days of relocating the emergency department to the new psychiatric tower, during FY 2012. UA Healthcare will provide reports to County on a quarterly basis describing the planning and implementation process.

This is an Official Copy of the Pima County contract executed and on file with Pima County.

## ATTACHMENT B

### Required Reports

UA Healthcare will provide to County the following reports with respect to the Hospital operations. Failure to provide a required report, if not cured as set forth in the Agreement, is a breach of the Agreement.

1. Financial Reports. Unless otherwise specifically indicated, "interim" reports described below must be provided on a monthly basis (in each case, forty-five (45) calendar days after the end of the month) while "annual" reports must be provided within one hundred-twenty (120) days after fiscal year end.
  - 1.1. Interim and audited financial statements (including balance sheets, statements of cash flows and statements of changes in net assets)
  - 1.2. A copy of the approved annual budget for the Hospital by June 1 each year, and copies of any subsequent material revisions to the budget within thirty (30) calendar days after revisions are made; budgets and revised budgets must include a reasonably concise narrative description of key programs, and any volume and other assumptions reflected in the budget schedules
  - 1.3. An annual schedule, as part of the independent audit, detailing operating and capital costs related to services provided to state and federal prisoners respectively, unless hospital excess of revenues over expense after all funds including county funds is greater than the amount of the county funds
  - 1.4. Utilization statistical report, by service, including clinic specialties and sites, on a monthly and annual basis with comparison to prior two years (such reports may be included as part of the monthly or annual financial statement reporting packages)
  - 1.5. Daily Census, by inpatient service unit, on a daily basis and annually with comparison to prior two years
  - 1.6. Annual report of cost-to-charge ratios
  - 1.7. Annual reports regarding receipt and use of any grant funds
  - 1.8. Beginning with FY 2010, auditors will use procedures agreed upon by UA Healthcare and the County to prepare an Annual schedule of indigent care costs that distinguishes among charity care, bad debt, contractual allowances and care not reimbursed due to failure to notify payers and secure authorization and agreement to reimburse such care (e.g., out-of-county residents receiving Title 36 services and medical patients covered by a third party payer not contracted with the hospital)
  - 1.9. To the extent the data is reasonably available, annual report comparing indigent care as reported to Arizona Department of Health Services on the UAR in comparison to all area hospitals to include a comparison of cost-to-charge ratios
  - 1.10. As-filed and post-audit Medicare Cost Report with copies of audit adjustments

This is an Official Copy of the Pima County contract executed and on file with Pima County.

- 1.11. Monthly reports showing actual performance in comparison to the Chartis or other applicable benchmarks for revenue and expenses as agreed upon by the parties by department and staffing per adjusted patient day
- 1.12. An annual report showing how GME and DSH funding has been distributed between UMC and the Hospital.

2. Ad hoc reports. Subject to any restrictions imposed by applicable law or regulation:

- 2.1. Any other event that is likely to have a material impact on operation or finances at the Hospital should be reported by the Hospital to the County and by the County to the Hospital as soon as reasonably possible; these reports may be verbal or by email
- 2.2. Copies of anticipated press-releases concerning the Hospital must be furnished to the County (and, if applicable, by the County) before release
- 2.3. Contacts by the press should be reported to the County and by the County as soon as reasonably possible after they occur; this may be verbal or by email
- 2.4. Advance written notification of intent to terminate services, add provider based clinics at a specific site, reduce service hours or make any other change in services or specialties at the Hospital.
- 2.5. Copies of Federal Form 990s for the UMC operator and the Hospital operator, as soon as reasonably practicable after they are filed with IRS

3. Quarterly Reports. UA Healthcare will submit to the County quarterly reports due 45 calendar days after the end of the quarter (October 15, January 15, April 15 and July 15) that will include at least the following information:

- 3.1. A summary report with supporting schedules detailing all operating and capital costs (both direct and indirect) related to the provision of services both to state and to federal prisoners.
- 3.2. GME program developments, including level of any faculty or patient volume deficiencies, programs in jeopardy of losing or failing to achieve accreditation and the reasons therefore, continued certifications, removal of certification, and new program certification and any change from the targeted 100 residents in training in new co-sponsored GME program.
- 3.3. Number of dedicated physicians at the two hospitals, by specialty
- 3.4. Trends and anticipated changes in circumstances (billings, patient mix, contracting, reimbursement, HPSA revenue, state and federal funding, legislative or regulatory changes impacting costs or services etc.) and plans for any operational or financial adjustments that are necessitated by such changes
- 3.5. Number of inpatient admissions via emergency department versus physician referrals for elective or emergency services
- 3.6. Progress in meeting identified goals and objectives

RESOLUTION NO. 2010 - 137

**RESOLUTION OF THE PIMA COUNTY BOARD OF SUPERVISORS APPROVING AND AUTHORIZING THE EXECUTION OF AN INTERGOVERNMENTAL AGREEMENT AMONG PIMA COUNTY, THE ARIZONA BOARD OF REGENTS ACTING ON BEHALF OF THE UNIVERSITY OF ARIZONA, AND A NEW CORPORATION BEING FORMED THAT WILL BE ASSOCIATED WITH THE UNIVERSITY OF ARIZONA COLLEGE OF MEDICINE**

WHEREAS, University Physician's Healthcare ("UPH") is a private non-profit corporation that was formed to function as the clinical practice group of the faculty of the University of Arizona College of Medicine ("UACOM") and that operates the University Physicians Healthcare Hospital (the "Hospital") on the County-owned Kino medical campus pursuant to a lease between UPH and the County, along with a graduate medical education program; and

WHEREAS, University Medical Center Corporation ("UMCC") is a non-profit corporation that, pursuant to A.R.S. § 15-1637(C), has quasi-governmental powers and status and operates University Medical Center ("UMC"), UACOM's principal teaching hospital, for the benefit of UACOM; and

WHEREAS, the Arizona Board of Regents ("ABOR"), UACOM, UPH and UMCC are seeking to integrate and better coordinate the operation of the UPH physician practice, as well as the clinical operation and teaching programs at UMC and the Hospital so that the ABOR's/UACOM's mission can be further enhanced; and

WHEREAS, in order to do that ABOR, UPH and UMCC have worked together to modify the corporate structures of UPH and UMCC and to form a new corporation that will act as a parent corporation to UPH and UMCC (this new corporation is referred to herein as "Newco" though it is understood that the actual name of this new corporation will be determined by the final Articles of Incorporation); and

WHEREAS, the teaching mission of ABOR/UACOM is consistent with and furthers various County public health, education, and economic development goals by helping to ensure that sufficient medical professionals are available in the community to care for County residents (particularly those who currently are underserved); by developing a professional workforce and individual opportunities for economic and educational advancement; and by helping to attract high tech and bio tech companies to the area, thus enhancing overall economic development for the benefit of County residents; and

WHEREAS, the Board of Supervisors has therefore determined that providing funding assistance to ABOR, to be used first as local matching funds for GME and other

This is an Official Copy of the Pima County contract executed and on file with Pima County.

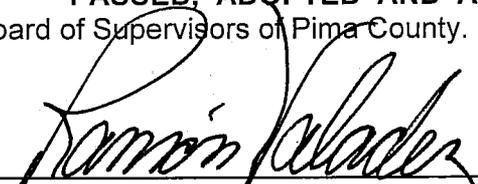

programs for which federal financial participation may become available, and then to support the UACOM teaching mission, including integration of the programs at the two teaching hospitals, is in the best interests of the County and its residents; and

**WHEREAS**, it is necessary for the parties to establish an intergovernmental agreement in order to carry out the intent of the parties and define the roles and responsibilities regarding the intended cooperative effort;

**NOW, THEREFORE, UPON MOTION DULY MADE, SECONDED AND CARRIED, BE IT RESOLVED THAT:**

1. The intergovernmental agreement between Pima County, ABOR, and Newco, in the form attached to this resolution, is hereby approved, though such approval is contingent on the restructuring of UMCC, UPH, and Newco as contemplated by the parties and described generally above.
2. The Chair of the Board is hereby authorized and directed to sign the intergovernmental agreement for the Pima County Board of Supervisors at such time as the County Administrator and the Civil Division of the Pima County Attorney's Office indicate to the Chair in writing that they have received and approved the form of documentation showing that the above corporate restructurings have been completed. The IGA will be revised so that the executed copies reflect the actual corporate name of "Newco."
3. The various officers and employees of Pima County are hereby authorized and directed to perform all acts necessary and desirable to give effect to this Resolution.

**PASSED, ADOPTED AND APPROVED** this 15th day of June, 2010 by the Board of Supervisors of Pima County.

  
Ramón Valadez  
Chair of the Board of Supervisors

JUN 15 2010

ATTEST:

  
Lori Godoshian  
Clerk of the Board of Supervisors

APPROVED AS TO FORM:

  
Regina L. Nassen  
Deputy County Attorney
