

Board of Supervisors Memorandum

Date: December 24, 2014

To: The Honorable Chair and Members
Pima County Board of Supervisors

From: C.H. Huckelberry
County Administrator 

Re: Banner Health

On January 6, 2015 you will consider several actions related to the assignment of a lease, an Intergovernmental Agreement and contracts that heretofore have been with the University of Arizona Health Network (UAHN) (formerly University Physicians) and the Arizona Board of Regents (ABOR). In those documents we refer to the new operator as Banner Health.

The new entity that is the result of the merger of UAHN and Banner Health will announce its new name on Monday, January 5, 2015. The new name will, therefore, be known prior to your action at the Board of Supervisors meeting of January 6 and will be appropriately substituted in all documents at the time of action by the Board.

However, in the Memorandum you are receiving prior to January 6, the name will either be indicated as Banner Health or will be redacted, as it is in the Amendments to the Lease and IGA that have provided to the Board of Supervisors.
