Date: January 5, 2015

To: The Honorable Chair and Members
Pima County Board of Supervisors

Re: **Banner University Medical Center South Campus, LLC**

In my December 24, 2014 memorandum, I reported that on January 6, 2015, the Board of Supervisors would consider several actions related to the assignment of a lease, an Intergovernmental Agreement and contracts that heretofore have been with The University of Arizona Health Network (UAHN) (formerly University Physicians) and the Arizona Board of Regents (ABOR). In those documents, we refer to the new operator as Banner Health.

I noted that the documents you initially received indicated the name was either Banner Health or was redacted and that you would receive revised versions of the documents with the new entity name on January 5, 2015.

Earlier today, the official name of the new entity was released; and the documents now reflect that name, which is Banner University Medical Center South Campus, LLC. The updated documents will be provided to you by the Clerk of the Board.
