

MEMORANDUM

Date: March 14, 2016

To: The Honorable Chair and Members
Pima County Board of Supervisors

From: C.H. Huckelberry
County Administrator 

Re: **Appointment of Stadium District Director**

As the Board of Supervisors will recall, Mr. Benny Young resigned his position as Stadium District Director to return to California. On December 23, 2015, I appointed Ms. Maureen "Reenie" Ochoa as Interim Director.

Based on my evaluation of Ms. Ochoa's management of the Stadium District during the busiest times of the year, with preseason Major League Soccer training and the current rotation of 72 college teams through stadium facilities for their spring training over the last month, I am now appointing Ms. Ochoa as the permanent Stadium District Director. Her previous experience in recreation management and her successful management of the Stadium during this time gives me every confidence in appointing her permanently to this position.
