# MEMORANDUM

---

Date: May 29, 2013

To: Chairman and Members  
Pima County Bond Advisory Committee

From: C.H. Huckelberry  
County Administrator 

Re: **Recent Bond Sale**

This week, the County sold \$50 million of General Obligation bonds that were authorized in previous elections. The interest rate on this sale was 2.65 percent.

In addition, the County refunded \$38.6 million in previously sold bonds that carried interest rates ranging from 4 to 5 percent. These bonds were refunded with the same termination period; in other words, the debt was not extended, but the interest rate was lowered to 1.4 percent.

These favorable interest rates are a result of the County's continuing high, stable and favorable bond ratings.
