Re: **Information and Tabulation of Early Ballots**

The County Recorder, as the Voter Registrar, mailed 309,700 early ballots to eligible voters within Pima County for this mid-term election. As of today at 3:30 PM, 169,973 ballots (54.9 percent of those mailed) have been returned and processed by the voter registration office for signature verification and transmittal to the Elections Department for tabulation.
