At the September 16, 2014 Board of Supervisors meeting, the Board requested the expenditures of public funds in all categories by the Board offices be published in order to improve transparency.

Based on this direction, a summary schedule has been prepared and supporting documentation copied for all Board of Supervisors expenditures for Fiscal Years 2012/13, 2013/14 and 2014/15 year to date. These documents are currently posted on the County's INTRANET site for internal County access at:
